**Paul Schneider** Claude R. Foster,1995      **Paul Schneider** Claude R. Foster,1995-01-01      **Preaching to Nazi Germany** William Skiles,2023-09-05 Preaching to Nazi Germany explores the history of Confessing Church preachers engagement with the Nazi regime through an analysis of their sermons William Skiles argues that clergy expressed various messages that aimed to limit Nazi interference in church affairs and at times even to undermine the Nazi state and its leaders and policies Skiles demonstrates that pastors had limited freedom to publicly criticize the Nazi regime its leaders and its ideology and that pastors often used Christian symbols to code their criticisms to remain inconspicuous to the Gestapo or Nazi informants This book demonstrates how pastors used a sacred text and applied it to the problems of the churches in Nazi Germany      **Bonhoeffer** Petra Brown,2019-01-04 Theologian Conspirator Martyr Saint Dietrich Bonhoeffer was killed in the waning days of World War II having been implicated in the July 20th assassination attempt on Hitler Since his death Bonhoeffer s life and writings have inspired contradictory responses He is often seen as a model for Christian pacifist resistance and more recently for violent direct political action Bonhoeffer s name has been invoked by violent anti abortion protestors as well as political leaders calling for support on a war on terror in the aftermath of 9 11 Petra Brown critically analyses Bonhoeffer s writing preceding and during his conspiracy involvement particularly his recurring concept of the extraordinary Brown examines this idea in light of the state of exception a concept coined by the one time Nazi jurist and political theorist Carl Schmitt She also draws on the existentialist philosopher S ren Kierkegaard to consider what happens when discipleship is understood as obedience to a divine command This book aims to complicate an unreflective admiration of Bonhoeffer s decision for conspiracy and draws attention to the potentially dangerous implications of his emerging political theology      White Knights in the Black Orchestra Tom Dunkel,2022-10-11 They were a small group of conspirators who risked their lives by plotting relentlessly to obstruct and destroy the Third Reich from within The Gestapo nicknamed this shadowy confederation of traitors the Black Orchestra This is their tension filled story As the Final Solution unfolds a loose network of German military officers diplomats politicians and civilians are doing everything in their power to undermine the Third Reich from the inside reporting troop movements to the Allies feeding disinformation to the Nazi high command plotting to assassinate Adolf Hitler and more The Gestapo nicknames this shadowy confederation of traitors the Black Orchestra Its players include Dietrich Bonhoeffer a dissident Lutheran pastor and his brother in law Hans von Dohnanyi a staff attorney at the Abwehr the German military intelligence service In this tension filled narrative Tom Dunkel traces the perilous movements of these white knights as they and their families face constant danger of being exposed and executed Some act out of moral outrage and patriotism Some want to atone for their own Nazi sins When their treasonous activities are finally discovered Hitler s SS and the Gestapo are hell bent on taking bloody revenge as the end of the war rapidly approaches and lives hang in the balance White Knights in the Black Orchestra is a tautly written meticulously

reported account of men and women heroically resisting Hitler's ruthless regime. It packs the punch of the best espionage thrillers but the cat and mouse drama and plot twists are grounded firmly in fact. This is a stirring story of people willing to risk all by doing the right thing in a country gone mad, a story that may prompt readers to ask themselves: What would I have done?

**Confront!** John J. Michalczyk, 2004. Many critics and some historians consider resistance in Nazi Germany as too little and too late. Few Germans were willing to take risks and others began to oppose the Third Reich only when the end was in sight. However, despite the threat of prison, concentration camp or death, there were many diverse groups from the academic, military and spiritual sectors of society that challenged the Reich's harsh unjust policies. This book represents the spectrum of these forms of resistance and illustrates the courage of those who dared to confront the Nazi government.

**A New Vision, a New Heart, a Renewed Call** David Claydon, 2005. **Bernhard Lichtenberg** Brenda L. Gaydosh, 2017-07-06. Appendices present a wealth of primary sources on Lichtenberg's life, including a collection of his letters from prison, which have not previously been made available in English.

Stroud,2013-10-25 What did German preachers opposed to Hitler say in their Sunday sermons When the truth of Christ could cost a pastor his life what words encouraged and challenged him and his congregation This book answers those questions Preaching in Hitler s Shadow begins with a fascinating look at Christian life inside the Third Reich giving readers a real sense of the danger that pastors faced every time they went into the pulpit Dean Stroud pays special attention to the role that language played in the battle over the German soul pointing out the use of Christian language in opposition to Nazi rhetoric The second part of the book presents thirteen well translated sermons by various select preachers including Dietrich Bonhoeffer Karl Barth Rudolf Bultmann and others not as well known but no less courageous A running commentary offers cultural and historical insights and each sermon is preceded by a short biography of the preacher
