Paul the Leader J. Oswald Sanders, 1984-01-01 Called to Lead John MacArthur, 2010-09-07 In Called to Lead best selling author pastor and teacher John MacArthur explains the characteristics of a leader drawn from one of the Bible's most renowned leaders the apostle Paul *Theological perspectives on re-imagining leadership in post-COVID-19 Africa* Philip La G. du Toit, Alfred R Brunsdon, 2023-11-30 Post coronavirus disease 2019 COVID 19 realities are challenging leaders in all spheres of society in many ways From the onset of the pandemic leaders on every level were challenged to provide appropriate guidance in the face of new and adverse realities From the micro level of local congregations to the macro level of national governments leaders were required to provide the type of leadership that would not only address immediate obstacles but simultaneously be visionary in the face of uncertainties that became the hallmark of post COVID 19 society In this book the authors reflect on leadership in a post COVID 19 society from bibliological practical theological missiological and ethical perspectives Although the authors have the global village in mind the focus leans towards the African context The book aims to contribute meaningfully to a much needed and re imagined vision of leaders which fits post COVID 19 societies

A Marxist Interpretation of Church Leadership Jon-Arild Johannessen, 2023-02-15 A Marxist Interpretation of Church Leadership Romans 13 1 7 is a study of Romans 13 1 7 from a Marxist perspective Romans 13 1 7 introduce the concept of obedience to civil authorities As a result obedience has become an integral part of Western culture and may be the

cultural foundation of how capitalism can manage control and direct people Romans 13:1-7 have persuaded many Christians including priests bishops and other representatives of the Church to obey Hitler Mussolini Franco and other tyrants and despots Today Romans 13:1-7 are used as an argument in support of the death penalty In this way Jesus's message of love has become by means of seven simple verses in Paul's epistles an argument that is used to support killing people The purpose of this book is to get to grips with the Pauline impulse from a Marxist perspective This is an historic impulse that has oppressed and excluded people and created an intolerant version of Christianity It has also established obedience as a fundamental principle in Western culture and thereby enhanced capitalism **Passionate Visionary** Richard S.

Philodemus Clarence E. Glad, 2014-04-09 As Paul guides and educates his converts he functions as a psychagogue leader of souls adapting his leadership style as required in each individual case Pauline psychagogy resembles Epicurean psychagogy in the way persons enjoying a superior moral status and spiritual aptitude help to nurture and correct others guiding their souls in moral and religious reformation This study relates Epicurean psychagogy of late Republican times to early Christian psychagogy on the basis of an investigation which places the practice in the wider socio cultural perspective contextualising it in Greco Roman literature treating friendship and flattery and the importance of adaptability in moral guidance Pauline studies are advanced by the introduction of new material into the discussion of the Corinthian correspondence which throws light on Paul's debate with his recalcitrant critics [NIV, The Maxwell Leadership Bible](#) Thomas Nelson, 2014-10-14 John

Clarke, 2007-11-29 Scholarly studies consider Paul's views on leadership tend to fall into one of three camps 1 the historical development view which in large measure identifies developments in church practice with developments in Pauline and deuterio Pauline ecclesiology 2 the synchronic historical reconstruction typically making use of Graeco Roman social context sources or social scientific modelling focusing on a single congregation and sometimes distinguishing between the situation to which Paul was responding and the pattern he sought to impose and 3 the theological hermeneutical analysis identifying Paul's particular approach to power and authority often independently of any detailed reconstruction of the situations to which Paul was responding Andrew Clarke has explored in an earlier work *Serve the Community of the Church* Eerdmans 2000 the distinctive local and historical situations in the various Pauline communities and concluded that there is no evidence that they organised themselves according to a common set of governmental structures which clearly developed with the passage of time Rather each community was influenced by its own localized social and cultural context The present project builds on this and necessarily focuses on leadership style rather than church order It seeks to recover from Paul's critical responses his generic ethos of church leadership including the ideal qualities characteristics and task of leaders and the nature of appropriate interaction and engagement with church members In the light of current theoretical discussions about power and gender the study focuses particularly on Paul's attitude towards hierarchy egalitarianism authority responsibility and privilege **Congressional Record** United States. Congress, 2010 **Evaluating Leadership** J. Keith McKinley, 2024-02-21 Leadership is vital but how do you know which leadership theory or practice is right for you How

should you go about assessing the quality of a leadership practice How can you evaluate leadership ideas to ensure that they line up with Scripture How can you assess a leadership model and know it will work in your ministry setting Evaluating Leadership provides a solution to these problems It introduces the Leadership Assessment Matrix which helps you assess whether a leadership theory principle or practice is suitable for your team and your specific context Drawing on extensive experience and research Evaluating Leadership delves deep into the problem explains the model and demonstrates how it can be applied If you have ever had questions about how to evaluate leadership ideas or practices this book is the book for you
