Harward,2012 Given the intensity of interest regarding the problems in higher education Harward notes how the systemic sources of those problems are infrequently addressed and even rarer is the offering of solutions or suggestions for positive actions Harward and his colleagues see the achievement of this book as doing both understanding the problems and offering solutions      **Jade** Robert Flynn,2010-12 From the author of Echoes of Glory winner of the Western Writers of America Spur Award for best long novel comes the tale of Jade a rough man of the old West molded by a tragic past an Indian hunter who finds himself falling for a woman raised by Indians symbol of all the he hates and all that he is Award winning author Robert Flynn once again takes his readers on a journey to a past

they can imagine through his words with people that are hard to forget in a story that could be set in a modern day war or placed like it is deep in the Old West      Echoes of Glory Robert Flynn,2009-04-01 Robert Flynn s new novel Echoes of Glory centers on a fictitious Texas county that embraces its legends but not its actual history Set in the Reagan era the novel exposes shared myths as lies and the truth lacking all comfort In his inimitable style Flynn paints a portrait of the denizens of the county who tacitly embrace the legend as all too human and all too frail Overshadowed by the accomplishments of adjacent Doss County Mills County clings to its legends the legendary Mills brothers One brother had died at the Alamo one at Goliad three had fought at San Jacinto The three survivors marched into the center of Texas bringing with them stories of heroism and acorns from the San Jacinto battlefield According to tradition they planted an oak tree for each hero who had died at the Alamo Then there was Timpson Smith sole survivor of Second Platoon of Marine reserves who had prevented the North Korean army from driving U S and U N forces into the sea To honor their memory the county erected a monument Second to None topped with the heroic figure of Timpson Smith But there is a less heroic side of Mills County When Deputy Sheriff Larry Maddin decides to run against Sheriff and Local Hero Timpson Smith and a drama professor at the university announces that he will write a play depicting the true story of Second Platoon many fear the dark underside of Mills County will be exposed      **What the Best College Students Do** Ken Bain,2012-08-27 The author of the best selling What the Best College Teachers Do is back with humane doable and inspiring help for students who want to get the most out of their education The first thing they should do Think beyond the transcript Use these four years to cultivate habits of thought that enable learning growth and adaptation throughout life      Holy Literary License Robert Flynn,2016-09-15 An award winning western novelist with decidedly liberal political leanings writes a spiritual autobiography unlike any other The author grew up in a small west Texas town attended seminary became a war correspondent in Vietnam and taught creative writing and literature for 40 years at Trinity University in San Antonio With a deep sense of the irony of his project he sets out to explain how the Bible came to be delving into historical misconceptions errors in translation political and cultural biases as well as the editorial failings of the Bible s many authors and yet he arrives at a place of ultimate faith      *Slouching Toward Zion and More Lies* Robert Flynn,2004 Robert Flynn has gathered twenty three stories that have hope faith and love as their common denominator They are funny political and more than a bit prophetic as well as being superbly crafted Included in the collection are The Rest of the Story wherein the author retells select Biblical stories and parables supplying heretofore expurgated details with an exquisitely agonizing truth Ten Mistakes God Made which treats with candor religious politics elitism and the unexplained nature of what makes us believe The Trouble with Eve and Redemption which are at heart stories of how one grapples with avoids questions and finally resigns to love and Chicken Soup for the Damned a fable cum corporate biography retelling of the Savior s story      **Annotated Bibliography of New Publications in the Performing Arts** ,1977      Superasignaturas Ken Bain,2023-04-28 Tras Lo que hacen los mejores profesores universitarios y Lo que

hacen los mejores estudiantes de universidad Ken Bain pone con este libro la tercera pata al trípode en el que necesariamente deber sostenerse cualquier educación superior en el futuro muy especialmente la universitaria. Así mismo puede ayudar a construir una forma distinta y mucho más eficiente de contemplar la educación y de ponerla en práctica pues invita a los lectores a pensar en profundidad sobre la enseñanza y el aprendizaje incluso sobre el papel que la educación puede y debe acabar jugando en nuestra sociedad. Sus tiles y concretos ejemplos de superasignaturas de muy diferentes disciplinas además de promover un aprendizaje profundo y significativo se fundamentan en la poderosa noción de que los estudiantes son curiosos altruistas y sociables y en que mantienen aspiraciones loables. Estas superasignaturas solidamente basadas en esta concepción fomentan tanto el aprendizaje profundo como la prosperidad humana en su sentido más amplio.

*Trinity University* R. Douglas Brackenridge, 2016-02-25 Since its founding in 1869 by the Cumberland Presbyterian Church Trinity University has been engaged in realizing the dreams of its founders to become a University of the highest order. In *Trinity University A Tale of Three Cities* R. Douglas Brackenridge, professor emeritus of religion at Trinity, brings a wealth of scholarship and knowledge to this institutional history. Brackenridge traces Trinity's unique heritage from its founding in Tehuacana and growth in Waxahachie to its emergence in San Antonio as a top private university for the study of liberal arts and sciences. He draws on historical records and reports, oral histories, newspaper accounts, books, correspondence, and archives to document the university's challenges and successes. He describes Trinity's development within the broader context of private church-related universities in America while profiling the administrators, faculty, staff, and students who have contributed to Trinity's rich heritage. The result is a well-researched story of the founding and the progression of one of the nation's exceptional institutions for higher learning. Illustrations picture Trinity's campuses in three cities and include black and white photographs.
