Paul McCartney: "Driving Rain" Music Sales Limited, 2002-01-30 **That Was Me** Richard D. Driver, 2023-07-24 Paul McCartney has lived an extraordinary life in popular music and popular culture His careers as a Beatle as a solo musician and band leader in Wings and in areas outside music have varied tremendously and are well documented **That Was Me** explores the impact of Paul McCartney as a musician outside the Beatles identifying the continued excitement in generations of fans and listeners and his perennial efforts to perform and record music Richard Driver argues that his solo career is multi faceted and extremely diverse ranging from breaking sharply with the style and output of the Beatles to experimenting in orchestral and operatic music and returning to music designed to emulate and reproduce the style success and popularity of the Beatles Through McCartney we can literally and symbolically view and revisit the popular music phenomenon that was the Beatles and popular music from the 1950s to today **The Words and Music of Paul McCartney** Vincent P. Throughout his career McCartney has initiated and participated in projects that have taken him very far away from the kind of music associated with his career in The Beatles in Wings and as a solo artist. From as far back as the 1960s there have been experimental solo projects both under his own name and incognito. These include the legendary Carnival of Light sixties freak out, the Percy Thrillington diversion in the 70s techno ambient and chill out releases as The Fireman, pure noise performance art as well as less publicised activity much of which Ian Peel now reveals in depth in print for the first time. What emerges is a unique critical insight into an apparently over familiar public figure Paul McCartney, avant garde musician. Undertaking extensive research for this book Ian Peel interviewed many of McCartney's intimate musical associates from this less familiar side of his career including Super Furry Animals on their carrot chewing percussion and electronic sound collage collaborations. Youth, the three times BRIT nominated producer speaks in depth for the first time ever on his two albums of techno ambient and chill out recorded with McCartney as The Fireman. Nitin Sawhney on McCartney's first tentative steps into drum bass holed up in Sawhney's London bedsit. Richard Hewson breaks a 20 year silence on the Thrillington project and pseudonym David Vaughan, the renowned psychedelic artist and organiser of 60s happenings, airs his strong views on Carnival of Light. The Beatles' most legendary unreleased track. Other interviewees include Yoko Ono, bassist Herbie Flowers, Gong's Daavid Allen, Frank Zappa's guitarist Mike Keneally, JJ Jeczalik, Art of Noise and members of Wings.

The Paul McCartney Catalog Ted Montgomery, 2020-01-31 This complete discography of Paul McCartney's solo and other post Beatles work examines his entire catalog. It covers his studio and live albums and compilations including the trance, electronic, classical and cover albums and selected bootleg recordings, all of the singles, videos and DVDs and the 15 radio shows he made as Oobu Joobu. Each song is reviewed in depth, providing a wealth of information for both dedicated McCartney fans and those just discovering his music.

Conversations with McCartney Paul Du Noyer, 2016-10-18 One of the most fascinating portraits to date of one of the most important cultural icons of our age. Choice. In June 1989 Paul Du Noyer was contacted by Paul McCartney's office in London. They asked him to interview the star. McCartney and Du Noyer had met once before and enjoyed a good rapport. In the years that followed Du Noyer continued to meet, interview and work for Paul McCartney on a regular basis, producing magazine articles, tour programs, album liner notes, press materials and editorial content for McCartney's website. Du Noyer has spent more hours in formal recorded conversation with McCartney than any other writer. Conversations with McCartney is the culmination of Du Noyer's long association with McCartney and his music. Drawing from their interview sessions across thirty five years and coupling McCartney's own candid thoughts with Du Noyer's observations and analysis, Conversations with McCartney is beautifully written, a sensitive, shrewd portrait of one of the most accomplished musical artists of our time. Readers get to hear the seemingly ageless former Beatle discuss a variety of topics: songwriting, religion and spirituality, his enduring relationship with Linda Eastman, his reflections on the breakup of the Beatles and life after the group.
