Europe She shocked the continent with the boldness of her love affairs her opulent wardrobe and jewels and most famously her decision to pose nearly nude for Canova s sculpture which has been replicated in countless ways through the years But just as remarkable for Pauline s private life was her fidelity to the emperor if not to her husbands She was witness to Napoleon s great victories in Italy and she was often with him and her rival for his loyalty the Empress Josephine at Malmaison When he was exiled to Elba Pauline was the only sibling to follow him there and after Waterloo she begged to be allowed to join him at Saint Helena No biographer has gone so deeply into the sources or so closely examined one of the seminal relationships of the man who shaped modern Europe In *Venus of Empire* Flora Fraser casts new light on the Napoleonic era while crafting a dynamic vivid portrait of mesmerising woman *The Academy and Literature* ,1914

Francis Fisher Browne, Scofield Thayer, Waldo Ralph Browne, 1914 [Sex and Race, Volume 1](#) J. A. Rogers, 2014-09-15 In the Sex and Race series first published in the 1940s historian Joel Augustus Rogers questioned the concept of race the origins of racial differentiation and the root of the color problem Rogers surmised that a large percentage of ethnic differences are the result of sociological factors and in these volumes he gathered what he called the bran of history the uncollected unexamined history of black people in the hope that these neglected parts of history would become part of the mainstream body of Western history Drawing on a vast amount of research Rogers was attempting to point out the absurdity of racial divisions Indeed his belief in one race humanity precluded the idea of several different ethnic races The series marshals the data he had collected as evidence to prove his underlying humanistic thesis that people were one large family without racial boundaries Self trained and self published Rogers and his work were immensely popular and influential during his day even cited by Malcolm X The books are presented here in their original editions [The Nation](#) ,1914
