Pauline Pauline Forrest,1992-01 PAULINE is the true story of young woman who came of age in the war years 1939 1945 Far more than just a wartime autobiography PAULINE is a moving and memorable account of the development of a personality a girl who became a woman and then a wife and mother At the outbreak of war Pauline Forrest was a shy youngster of seventeen to a large extent she was sheltered and protected from the world by her loving family Gradually she moved into wider circles first as an ambulance driver then holding down a man's job in a garage Chance brought her together with her future husband and chance more than once saved her life as the bombs fell even on the ancient spa of Bath
