Education, Power, and Personal Biography Carlos Torres Alberto, 1997-12-03 In dialogues with eleven key thinkers in the area of critical education this book documents how a tradition of study grew in the United States

Through in depth interviews these thinkers talk about their personal experiences and their work **A New Social Contract in a Latin American Education Context** D. Streck,2010-12-20 A New Social Contract in a Latin American Education Context is committed to what has become known as perspective of the South understanding the South not as a geographical reference but as a vindication of the existence of ways of knowing and of living which struggle for their survival and for a legitimate place in a world where the respect for difference is balanced with the right for equality The metaphor of the new social contract stands for the desire to envision another world which paradoxically cannot but spring out of the entrails of the existing one Could the same contract under which the colonial orders were erected serve as a tool for decolonizing relations knowledge and power Consequently what kind of education could effectively help structure a new social contract These are some of the questions Streck addresses **Pedagogy of Evaluation** Michael Quinn Patton,2017-10-04 As pedagogy is the study of teaching pedagogy of evaluation examines how and what evaluation teaches This volume is inspired by the works of Paulo Freire who believed that all interactions between people are pedagogical something is always being taught conveyed and proselytized the same could be said of evaluation Freirean principles though articulated nearly 50 years ago offer and affirm future directions for dealing with inequality poverty social injustice community development education and to the point here evaluation The principles remain fresh and timely and new Divided into three parts the editors invite you to use Freires works to reflect on your pedagogy of evaluation Contemporaries of Paulo Freire present his pedagogy Pedagogical principles of evaluation derived from Freire Freires current evaluation influence illustrated This is the 155th issue in the New Directions for Evaluation series from Jossey Bass It is an official publication of the American Evaluation Association *The Routledge Handbook of Critical Pedagogies for Social Work* Christine Morley,Phillip Ablett,Carolyn Noble,Stephen Cowden,2020-01-20 The Routledge Handbook of Critical Pedagogies for Social Work traverses new territory by providing a cutting edge overview of the work of classic and contemporary theorists in a way that expands their application and utility in social work education and practice thus providing a bridge between critical theory philosophy and social work Each chapter showcases the work of a specific critical educational philosophical and or social theorist including Henry Giroux Michel Foucault Cornelius Castoriadis Herbert Marcuse Paulo Freire bell hooks Joan Tronto Iris Marion Young Karl Marx Antonio Gramsci and many others to elucidate the ways in which their key pedagogic concepts can be applied to specific aspects of social work education and practice The text exhibits a range of research based approaches to educating social work practitioners as agents of social change It provides a robust and much needed alternative paradigm to the technique driven conservative revolution currently being fostered by neoliberalism in both social work education and practice The volume will be instructive for social work educators who aim to teach for social change by assisting students to develop counter hegemonic practices of resistance and agency and reflecting on the pedagogic role of social work practice more widely The volume holds relevance for both postgraduate and undergraduate qualifying social work and human services courses around

the world **Social Justice Education for Teachers** ,2008-01-01 Social Justice Education for Teachers Paulo Freire and the Possible Dream is a book that will help teachers in their commitment to and praxis of an education for social justice The book traces the reception of Freire s ideas in the USA Canada Latin America Europe Asia Africa and Australia and provides some glimpses of topical yet seminal interventions in the philosophy of education including studies of the relationships between Freire and Rousseau Freire and Dewey or Freire and Gramsci In addition it addresses how Freire s ideas could be implemented in urban education both in the industrialized and developing world and how the debates about globalization today need to addressed also with the politics of liberation as a possible dream Three of the authors Moacir Gadotti Carlos Alberto Torres and Jos Eustaquio Rom o with the help of Paulo Freire created the first Paulo Freire Institute in S o Paulo Brazil in 1991 and worked very closely with Freire for more than two decades while the remaining scholars activist are noted Freirean scholars and urban educators devoting their research teaching and political activism to promote tools of conviviality and models of policy that will make this a better world a less ugly world a world in the words of Freire where it will be easier to love **The Oxford Handbook of Global South Youth Studies** ,2021-09-23 Ninety percent of the world s youth live in Africa Latin America and the developing countries of Asia Despite this the field of Youth Studies like many others is dominated by the knowledge economy of the Global North To address these geo political inequalities of knowledge The Oxford Handbook of Global South Youth Studies offers a contribution from Southern scholars to remake Youth Studies from its current state that universalises Northern perspectives into a truly Global Youth Studies Contributors from across various regions of the Global South including from the Diaspora Indigenous and Aboriginal communities locate and define the Global South articulate the necessity of studying Southern lives to enrich re interpret legitimate and offer symmetry to Youth Studies and utilize and innovate Southern theory to do so Eleven concepts are re imagined and re presented throughout the Handbook personhood intersectionality violences de and post coloniality consciousness precarity fluid modernities ontological insecurity navigational capacities collective agency and emancipation The outcome is a series of everyday practices such as hustling navigating fixing waiting being on standby silence and life writing that demonstrate how youth living in adversity experiment with and push back against routine and conformity and how research may support them in these endeavors and simultaneously redefine the relationships between knowledge practice and politics what the volume editors term epistepaxis The Handbook concludes with a nascent charter for a Global Youth Studies of benefit to the world that no longer excludes assumes or elides but rather includes new possibilities for representing youth researching amongst them and devising policies and interventions to better serve them This volume is a critical addition to the field of Youth Studies and one that should be of interest to scholars researchers and students working in this area in both the Global North and South **Pedagogía liberadora** Paulo Freire,2022-12-16 Los t rminos pedagogo a del oprimido concientizaci n o educaci n como pr ctica de la libertad forman parte de un discurso cr tico que desarroll por espacio de casi medio siglo el

pensador Paulo Freire A partir de una antropología filosófica que desde el primer momento integró con análisis materialistas sobre la situación vital de los seres humanos la práctica política y la dimensión ontológica su obra conforma un conjunto amplio y productivo de respuestas a las estructuras de dominación social que se alimenta del marxismo la teología de la liberación la epistemología decolonial y los procesos de liberación de los sujetos subalternos Los textos que se recogen en este volumen muestran a un Freire para el que no existe la división entre teoría y práctica que engarza la reflexión sobre nuestra condición histórica como seres humanos en situación con la elaboración de técnicas y metodologías encaminadas a la producción colectiva del conocimiento

Phenomenology and Educational Theory in Conversation Patrick Howard, Tone Saevi, Andrew Foran, Gert Biesta, 2020-06-10 Phenomenology and Educational Theory in Conversation challenges the abstract technical understanding of education to orient the reader to the importance of relationality intersubjectivity and otherness to renew and reclaim the educational project This book treats education as a matter of existence relationality and common human concerns It offers readers an alternative language to reveal and challenge the humanistic encounters that often disappear in the shadows of neoliberalism The phenomenologists and educational theorists featured here offer insights that connect fully and concretely with the everyday lives of educators and students They offer another language by which to understand education that is counter to the objectifying instrumentalist language prevalent in neoliberal discourse This book will be of great interest for academics researchers and post graduate students in the fields of pedagogy phenomenology educational theory and progressive education

Personajes latinoamericanos del siglo XX Mario Magallón Anaya, 2006 **Adult Education at the Crossroads** Matthias Finger, Jose Manuel Asun, 2001 Adopting a social action perspective this book is an assessment of where adult education now stands in the world It argues that the purposes and rationale of adult education need to be reconceptualised for it to become an effective agent of change

Transformative Research and Higher Education Azril Bacal Roij, 2022-03-08 Providing a critical look at how it is possible for institutions of higher education to go beyond the institutional constraints that plague the neo liberal university the authors of this volume explore the powerful role of transformative university based research and education

Paulo Freire Lidia Rodríguez, 2015 **Dialogue and Learning in Mathematics Education** Helle Alrø, Ole Skovsmose, 2006-01-02 Dialogue and Learning in Mathematics Education is concerned with communication in mathematics classrooms In a series of empirical studies of project work we follow students inquiry cooperation as well as students obstructions to inquiry cooperation Both are considered important for a theory of learning mathematics Special attention is paid to the notions of dialogue and critique A central idea is that dialogue supports critical learning of mathematics The link between dialogue and critique is developed further by including the notions of intention and reflection Thus a theory of learning mathematics is developed which is resonant with critical mathematics education
