Edwards,2014-04-20 Introducing the apostle Paul you thought you knew until now Feel the heat of the confrontation between Christians and Judaizers in Antioch Sit in the dungeon with Paul and Silas as the earth moves beneath you and iron bars twist open for your supernatural release Travel with Paul to breathe on the fires of early churches igniting to life a gospel that will spread around the world Finally witness his violent and victorious end in Rome Radical Cold blooded persecutor Misogynist Preacher Inventor of Christianity The apostle Paul has been called a lot of names but who was this imposing personality Whether you are a critic or defender of Paul or simply curious about the man whose writings make up the majority of the New Testament you will be fascinated by the results of Edwards research

The Gospel of the Canaan Journey Herbert W. Byrne,2003 From the Preface In commenting on the journey of the children of Israel from Egypt to Canaan the Apostle Paul said in I Cor 10 11 All these things happened unto them by way of example and are written for our admonition Here Paul teaches us that we can learn from this account of the history of Israel in two basic ways 1 by looking at the example they set and 2 by examining the fundamental principles and admonitions derived from their experiences In these studies we hope to accomplish two things see their example and discover the Gospel of the Canaan journey It has often been said that there is no gospel in the Old Testament The writer does not agree with this position and believes that there is just as much gospel in the Old Testament as in the New It is there in type and symbol in object lessons The people looked forward to the cross in Old Testament times but today people look back to the cross The Old Testament is the New Testament concealed the New Testament is the Old Testament revealed Beautifully pictured in the Pentateuch is the Gospel of the Canaan Journey These lessons have been prepared to make available practical material suitable for the pulpit devotionals Sunday school lessons and prayer meeting discussions The method of chronological development reveals the way the gospel is seen today By making application the reader is enabled to apply gospel truth and the saving power of Jesus Christ to his own soul and to those to whom he might minister Herbert W Byrne **Bible Studies in the Life of Paul**
