Paul and His Letters F. B. A. Asiedu, 2019-11-20

Paul, the apostle and historian Flavius Josephus, spent considerable parts of their careers away from Jerusalem. They cultivated Roman audiences under very different circumstances. Paul, with his Letter to the Romans, and Josephus, with the writings he produced in Rome after the Jewish War, coincided with Josephus's entry into public life, a period about which Josephus is deliberately silent. In *Paul and His Letters*, Thinking with Josephus, F. B. A. Asiedu selects themes from Josephus's life to explore Paul's letters and biography that contribute to his uniqueness in Jewish history. He highlights, for example, the need to read Romans 9:11 as aporetic discourse to appreciate Paul as an existential thinker. Asiedu considers, among other things, the authenticity of Paul's letters and offers an alternative to the prevailing scholarly consensus. He also maintains that the Pauline collection in the New Testament first took shape in the house of Gaius in Corinth, where Paul composed his Letter to the Romans. Asiedu also suggests that the traditional view that Luke the physician wrote the Acts of the Apostles is

probably a mistake He argues that Titus the Greek the coworker and friend of Barnabas and Paul most likely authored it

The Peter Myth Karl L. Oakes, 2020-10-20 After the close of the New Testament era AD 70 Christianity entered a literary dark age which lasted until the middle of the second century This period is filled with Christian pseudepigrapha pious fiction misleading forgeries and genuine writings which have been misdated The Peter Myth shines a ray of light into the darkness The most explosive issue confronting the young church was whether gentiles needed to be circumcised and keep the Law The apostles struggled with the terms of admission for twenty years and in Acts 15 finally reached a consensus We are saved by faith in Christ There was a handful of believing Pharisees who refused to accept their decision and insisted that gentiles were also bound by Torah These men won over the churches of Galatia where a hybrid form of Christianity began to unfold They wrote their own Scriptures which are still extant and in an unrecorded schism separated from the apostles The Peter Myth connects the Galatian heresy with those Scriptures the earliest writings of historic Christianity to reconstruct an authentic history of the first and second century church The Epistles of St. Paul Written After He Became a Prisoner James Robinson Boise, 1887
