Pauls First Letters Galatians 1 And Ii Thessalonians Study Guide Commentaries

S Marginson

Pauls First Letters Galatians 1 And Ii Thessalonians Study Guide Commentaries:

1 & 2 Thessalonians: An Introduction and Study Guide Richard S. Ascough, 2017-01-12 1 Thessalonians provides a fascinating glimpse into the origins and social life of the Christ group in the ancient Roman city of Thessalonike while 2 Thessalonians reveals how the community developed at a somewhat later time This guide narrates the story of the founding of the group by considering the social and cultural contexts the literary form the rhetorical strategies the theologies and the reception of the two canonical letters While centering on the texts of 1 and 2 Thessalonians themselves Ascough draws widely on literary and archaeological data giving particular attention to typical group behaviours among small unofficial associations in the Greek and Roman period The first four chapters focus on 1 Thessalonians from the initial formation of the Christ group out of a small association of artisans through to how members negotiated various sorts of relationships with Paul and his companions with outsiders in Thessalonike and beyond and especially with fellow believers within the group itself The final two chapters turn attention to the shifting circumstances that required a second letter to be written with its focus on disorder and disruption of social practices and theological beliefs The epilogue briefly surveys Christianity at Thessalonike beyond the 1st century This guide presents an overview of the historical development of the Christ group at Thessalonike Moving beyond treating the canonical letters as simple repositories of theological opinions Ascough demonstrates how 1 and 2 Thessalonians reveal ordinary life in ancient Roman cities In so doing he invites readers to enter the world of one of the many fascinating communities of Christ believers in the 1st century of the Common Era

Commentary: Paul's First Letters Bob Utley, 1998 **The First and Second Letters to the Thessalonians** Gordon D. Fee, 2009-07-10 In this commentary Gordon Fee aims first and foremost to offer a fresh exposition of the text of 1 and 2 Thessalonians He shows the reader what is in the biblical text what the text meant in the first century and what it means now Fee reveals the logic of each argument or narrative before moving on to the details of each verse and he concludes each section with a theological practical reflection on the meaning of the text today Among other things Fee explores the occasion for writing for each epistle restoring 2 Thessalonians to the place it deserves as a full companion to the first letter rather than merely a tagalong to 1 Thessalonians *Help for Holiness* Paul F. Evans, 2018-10-30 At one time there was a great deal of interest in the topic of holiness but not so much anymore Theological wrangling and impossible legalism has left many in the church frustrated and confused with part of that confusion arising from idealism in the pulpit that rang hollow in the lives and experiences of ordinary believers But what if there was significant help from God in the enterprise of living a morally triumphant life where habitual sinning was not inevitable and where the development of godly character was possible and found through a maturing relationship with God and growth in the Christian life The apostle Paul certainly thought so In *Help for Holiness* author and senior pastor Paul F Evans revisits the topic of holiness and explores Paul's admonition that believers shouldn't seek more rules legalism nor give in to moral pessimism that says we cannot help but sin every day in word thought

and deed Instead through morally transformative justification and regeneration followed by a commitment to the crucifixion of the old life in the death of Christ we can be raised to new life which through ongoing surrender to the Spirit can in fact produce the conduct and character God is looking for In this postmodern world we do not need to abandon an emphasis on righteous and holy living God really has made a provision for us to succeed morally Holiness was started by grace and God will complete it in us by grace through the Spirit

An Annotated Bibliography of 1 and 2 Thessalonians

Weima, Stanley E. Porter, 2019-07-01 This bibliography lists some 1300 works germane for the interpretation of 1 and 2 Thessalonians It includes all relevant works written in the 20th century as well as a sizeable number of important sources from the 19th century Virtually all the works listed are annotated except for commentaries and dictionary articles These annotations do not merely describe the content of each source but attempt to summarize its central thesis or argument The works listed are classified and cross indexed in such a way that the user is able to track down easily the relevant sources on any given topic or passage in the Thessalonian letters

A Guide to Biblical Commentaries and Reference Works John F.

Evans, 2016-05-03 A Guide to Biblical Commentaries and Reference Works by John F Evans summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible giving insightful comments on the approach of each commentary and its interpretive usefulness especially for evangelical interpreters of the Bible A Guide to Biblical

Commentaries and Reference Works is essentially an annotated bibliography of hundreds of commentators More scholarly books receive a longer more detailed treatment than do lay commentaries and highly recommended commentaries have their author's names in bold The author keeps up on the publication of commentaries and intends to update this book every three to four years

A Guide to Biblical Commentaries and Reference Works, 11th Edition John F. Evans, 2025-01-21 A

Guide to Biblical Commentaries and Reference Works 11th Edition by John F Evans summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible giving insightful comments on the approach of each commentary and its usefulness for biblical interpretation The easy to use book provides analysis in canonical order and includes helpful appendices for compiling a personal research library A Guide to Biblical Commentaries and Reference Works

11th Edition is a key reference tool for any student of the Bible pastors laity and scholars alike

The 1 and 2

Thessalonians Commentary Collection Michael W. Holmes, Gary Shogren, John Byron, 2017-04-25 This 1 and 2

Thessalonians commentary bundle features volumes from the NIV Application Commentary Series Zondervan Exegetical Commentary Series and Story of God Bible Commentary Series authored by Michael W Holmes Gary S Shogren and John Byron The diverse features from each of the volumes gives you all the tools you need to master the books of 1 and 2

Thessalonians

Annotated Bibliography of First and Second Thessalonians Jeffrey Alan David Weima, Stanley E.

Porter, 1998 This bibliography lists some 1300 works most of which are annotated that are germane for the interpretation of 1 and 2 Thessalonians It includes all relevant works written in the 20th century as well as a sizeable number of important

sources from the 19th century Paul's First Letters Bob Utley,1998-01-01 Eerdmans Commentary on the Bible: First and Second Thessalonians Robert Jewett,2021-04-13 This extract from the Eerdmans Commentary on the Bible provides Jewett's introduction to and concise commentary on First and Second Thessalonians The Eerdmans Commentary on the Bible presents in nontechnical language the best of modern scholarship on each book of the Bible including the Apocrypha Reader friendly commentary complements succinct summaries of each section of the text and will be valuable to scholars students and general readers Rather than attempt a verse by verse analysis these volumes work from larger sense units highlighting the place of each passage within the overarching biblical story Commentators focus on the genre of each text parable prophetic oracle legal code and so on interpreting within the historical and literary context The volumes also address major issues within each biblical book including the range of possible interpretations and refer readers to the best resources for further discussions An Introduction to the New Testament Charles B Puskas,C Michael Robbins,2012-08-30 This second edition of An Introduction to the New Testament provides readers with pertinent material and a helpful framework that will guide them in their understanding of the New Testament texts Many new and diverse cultural historical social scientific sociorhetorical narrative textual and contextual studies have been examined since the publication of the first edition which was in print for twenty years The authors retain the original tripartite arrangement on 1 The world of the New Testament 2 Interpreting the New Testament and 3 Jesus and early Christianity An appropriate book for anyone who seeks to better understand what is involved in the exegesis of New Testament texts today **Engaging the New Testament** Miguel G. Echevarría,2024-04-16 Many introductions to the New Testament focus on historical critical issues with only cursory discussions of the text In Engaging the New Testament Miguel Echevarría provides an overview of the New Testament writings in their canonical order showing how each book has a purposeful function within the larger context of Scripture He provides streamlined and accessible background discussions related to the New Testament writings to enable students to focus on interpretive issues The book is informed by the latest scholarship yet accessible to those with no prior theological education This concise introduction to the New Testament is well suited to one semester survey courses It addresses the needs and questions of students in multicultural classrooms who are studying for ministry Sidebars encourage readers to think about applying the Bible to various ministry contexts such as the pastorate missions and counseling Colometric Analysis of Paul's Letters Priscille Marschall,2024-03-13 Priscille Marschall explores some stylistic aspects of Paul's letters in particular their oral oriented logic of structuration employing Chapters 10-13 of Second Corinthians as a case study The method of analysis draws upon the rhetorical treatises of the Greco-Roman world A Commentary on the Holy Bible John Roberts Dummelow,1909 **The Pauline Book and the Dilemma of Ephesians** Benjamin J. Petroelje,2022-09-08 Benjamin J Petroelje argues that how one reads Ephesians is a function of deeper questions about how to read the Pauline book Petroelje suggests the contemporary consensus that Ephesians depicts development of away from the real Paul is largely a construct of

modern criticism rooted in shifting strategies about how to read a letter collection that developed in the 19th century Using Ephesians 3:1-13 as a point of analysis Petroelje theorizes that the text's image of Paul not only anticipates recent revisionist interpretations of Paul's Jewish identity and gentile gospel but also holds together tensions in the collection itself surrounding these questions By analysing ancient letter collections beside their own hermeneutical priorities and applying this method to the late antique and modern reception of the corpus Paulinum Petroelje is able to historicize the origins of the split of Paul's corpus revealing the constructed nature of the critical consensus on Ephesians and the effect that such modern reading strategies have on interpreting the letter Urging a return to reading Ephesians alongside Pauline co-texts Petroelje advocates for Ephesians as a crucial source for the study of Paul whether Paul wrote it or not **The Thessalonians**

Debate Karl P. Donfried, Johannes Beutler (s.j.), 2000 First Thessalonians is one of the most discussed books of the New Testament This volume by today's top Thessalonians scholars introduces readers to the current scholarly debate on Paul's earliest letter discussing the difficult challenges that 1 Thessalonians poses to modern readers and explaining the various methods now being used to interpret this important New Testament letter **A Commentary on the Holy Bible, by Various Writers** John Roberts Dummelow, 1916 Paul's Corporate Christophany Rob A. Fringer, 2019-02-28 Paul's Christophany i.e. his Damascus Road Experience has been the subject of much scholarly analysis However treatments of this phenomenon while widely varied have tended to extract the various references from their literary contexts in order to reconstruct the event to discover the foundations and content of Paul's Christology or to analyze Paul's experience of conversion and/or call The current study focused on the undisputed Pauline epistles evaluates how and why Paul employed the various Christophanic references in their particular literary and sociohistorical contexts Through this assessment the importance of Paul's Christophanic references as part of his larger arguments is established It is shown how Paul uniquely shapes the various Christophanic references to fit the needs of his argument and through it the needs of each community Furthermore this study demonstrates that Paul's Christophanic references do not primarily establish his apostolic status or assert his apostolic authority Through this study the corporate nature of Paul's Christophanic references becomes increasingly evident and multiple general conclusions are drawn which provide a possible glimpse into Paul's understanding of his Christophanic experience *Life Application New Testament Commentary* Bruce B. Barton, Livingstone, 2001 Based on the best selling Life Application Commentary series this single handy volume holds practical concise insight on every verse in the New Testament A key resource for anyone who wants to understand the New Testament and how it applies to real life
