The Continuum Encyclopedia of Children's Literature Bernice E. Cullinan, Diane Goetz Person, 2005-01-01 Provides articles covering children's literature from around the world as well as biographical and critical reviews of authors including Avi, C. S. Lewis, J. K. Rowling, and Anno Mitsumasa Crockett Johnson and Ruth Krauss Philip Nel, 2012-07-05 An illustrated biography of the innovative geniuses who created children's classics **Language, Literacy, and the Child** Lee Galda, Bernice E. Cullinan, Dorothy S. Strickland, 1997 In the Second Edition of this popular textbook Galda, Cullinan, and Strickland continue to show new teachers how to use children's literature to support English language arts teaching and learning in kindergarten through eighth grade classrooms **LANGUAGE LITERACY AND THE CHILD** presents current theories and research alongside practical classroom applications With this organization the authors provide theoretically sound literature based practices and teaching ideas to help students as they begin to teach Pauses Lee Bennett Hopkins, 1995 This book gathers together reflections of 101 creators of books for children that give a rare look into the world of children's book publishing in the United States from its earliest beginnings to the present Literature and the Child Bernice E. Cullinan, Lee Galda, 1998 With a slender design and appealing art Cullinan and Galda present a thought provoking discussion on how children can read to respond, read to learn, and read to enjoy This text provides evaluation criteria for selecting superior children's books rather than listing thousands of titles and synopses Booklists direct readers to quality literature and extended discussions of selected titles demonstrate the selection criteria Multicultural literature is discussed throughout the text with a separate chapter on more specific multicultural issues Numerous teaching ideas many of which are contributed by classroom teachers provide practical applications This is a book for teachers stressing the use of good books in a literature based curriculum *Contemporary Authors* Scot Peacock, 2002-02 In response to the escalating need for up to date information on writers *Contemporary Authors New Revision Series* brings researchers the most recent data on the world's most popular authors These exciting and unique author profiles are essential to your holdings because sketches are entirely revised and up to date and completely replace the original *Contemporary Authors* entries For your convenience a soft cover cumulative index is sent biannually While Gale strives to replicate print content some content may not be available due to rights restrictions Call your Sales Rep for details **Poetry People** Sylvia M. Vardell, 2007-06-30 Dr Sylvia Vardell's new children's poetry reference book provides a comprehensive introduction to more than 60 contemporary young people's poets Focusing primarily on those who are still actively writing today the author includes poets appropriate for young children through young adults Each entry features brief biographical information highlights selected poetry books authored showcases awards won notes related Web sites and provides suggestions for making connections programming ideas related books and activities The book is ideal for librarians who serve children and young adults as well as for teachers and others who work with children and young adults Beginning with Arnold Adoff the list of poets is both impressive and informative A

sample Francisco Alarcon Aileen Fisher Douglas Florian Nikki Giovanni Kristine O Connell George Jane Yolen Eloise Greenfield John Ciardi and many more *Challenging and Controversial Picturebooks* Janet Evans, 2015-06-05 It is often assumed that picturebooks are for very young readers because of their emphasis on the illustrations and their scarcity of text however there are increasing numbers of picturebooks where the age of the implied reader is questionable These are picturebooks whose controversial subject matter and unconventional often unsettling style of illustration challenge the reader pushing them to question and probe deeper to understand what the book is about In addition to the book challenging the reader the reader often challenges the book in an attempt to understand what is being said These increasingly popular picturebooks work on many different levels they are truly polysemic and worthy of in depth analysis They push the reader to ask questions and in many instances are intrinsically philosophical often dealing with fundamental life issues *Challenging and Controversial Picturebooks* examines these unconventional non conformist picturebooks considering what they are their audience and their purpose It also considers Children s and adults thoughts on these kinds of picturebooks How challenging and unsettling wordless picturebooks can play with the mind and promote philosophical thought What creates non conformity and strangeness is it the illustrations and their style the subject matter or a combination of both Why certain countries create promote and accept these picturebooks more than others Why certain picturebooks are censored and what factors are in play when these decisions are made The role of publishers in translating and publishing these picturebooks Children s creative and critical responses to strange unsettling and often disturbing visual texts This inspiring and thought provoking volume explores the work of a number of highly respected international picturebook experts and includes an exclusive interview with the legendary Klaus Flugge Managing Director of Andersen Press one of the few remaining independent children s book publishers in England It is an indispensable reference for all interested in or working with picturebooks including researchers students in higher and teacher education English advisors inspectors literacy consultants and classroom teachers *Bulletin of the Center for Children's Books* University of Chicago. Center for Children's Books, 1995 **For the Love of Literature** John F. Savage, 2000 This brief children s literature text for pre service teachers emphasizes the love of literature in the belief that literature is not just something children read or study it is something that becomes part of them and stays with them for a lifetime It contains up to the minute treatments of all genres of children s literature To help readers discover the joy of children s literature and how to help others share that joy is a major goal of the book The emphasis is on the affective dimensions of literature geared toward children s aesthetic responses to the stories and poems that they read Author profiles a multicultural focus topical book lists and a chapter on technology are elements that help students Each chapter has an essay written by a scholar a classroom teacher or other expert e g a middle school student or book editor who has special knowledge a particular perspective or point of view on the chapter topic Three four color inserts illustrate the children s books discussed in the text *Literature for Today's Young Adults* Kenneth L.
