**Gabriel Faure** Edward R. Phillips, 2011-04-14 First published in 2011 this research study includes a biography section as well as the works of Gabriel Urbain Faur born on 12 May 1845 Much of Faur s music especially the late pieces remain little played and little known as a result his reputation as a salon composer of pleasant music continues even among educated musicians The author suggests that it is more likely that the difficulty of much of Faur s music for the listener and the demands it places upon him or her are the principal reasons for its omission from concert programs and for a misunderstanding of Faur s place in the history of French music

**Flute For Dummies** Karen Evans Moratz, 2009-12-30 An excellent primer for those with little or no experience playing the flute Always wanted to play the flute Are you a former flautist who wants to refresh your skills Flute For Dummies is the guide for you Following along with the book s accompanying CD you will learn the nuances of playing the flute as an accompanying instrument or for playing a solo in a variety of musical styles Readers will learn how to play step by step from the correct angle for blowing into the mouthpiece and controlling pitch to proper breathing creating vibrato and much more The book s accompany CD allows readers to play what they are learning and listen to the accompanying track to see if they re getting it right Karen Moratz is Principal Flutist with the Indianapolis Symphony Orchestra and Artist in Residence and Adjunct Professor of Flute at the School of Music Jordan College of Fine Arts at Butler University Easy to understand methods and instructions make learning to play this beautiful instrument as simple and straightforward as possible

*The Art of French Piano Music* Roy Howat, 2009-01-01 An essential resource for scholars and performers this study by a world renowned specialist illuminates the piano music of four major French composers in comparative and reciprocal context Howat explores the musical language and artistic ethos of this repertoire juxtaposing structural analysis with editorial and performing issues He

also relates his four composers historically and stylistically to such predecessors as Chopin Schumann Liszt the French harpsichord school and Russian and Spanish music Challenging long held assumptions about performance practice Howat elucidates the rhythmic vitality and invention inherent in French music In granting Faur and Chabrier equal consideration with Debussy and Ravel he redresses a historic imbalance and reshapes our perceptions of this entire musical tradition Outstanding historical documentation and analysis are supported by Howat s direct references to performing traditions shaped by the composers themselves The book balances accessibility with scholarly and analytic rigor combining a lifetime s scholarship with practical experience of teaching and the concert platform

*Gabriel Faur?The Songs and their Poets*  
 Graham Johnson,2017-07-05 The career of Gabriel Faur s a composer of songs for voice and piano traverses six decades 1862 1921 almost the whole history of French m die is contained within these parameters In the 1860s Faur the lifelong prot of Camille Saint Sa was a suavely precocious student he was part of Pauline Viardot s circle in the 1870s and he nearly married her daughter Pointed in the direction of symbolist poetry by Robert de Montesquiou in 1886 Faur as the favoured composer from the early 1890s of Winnarretta Singer later Princesse de Polignac and his songs were revered by Marcel Proust In 1905 he became director of the Paris Conservatoire and he composed his most profound music in old age His existence steadily productive and outwardly imperturbable was undermined by self doubt an unhappy marriage and a tragic loss of hearing In this detailed study Graham Johnson places the vocal music within twin contexts Faur own life story and the parallel lives of his many poets We encounter such giants as Charles Baudelaire and Paul Verlaine the patrician Leconte de Lisle the forgotten Armand Silvestre and the Belgian symbolist Charles Van Lerberghe The chronological range of the narrative encompasses Faur first poet Victor Hugo who railed against Napoleon III in the 1850s and the last Jean de La Ville de Mirmont killed in action in the First World War In this comprehensive and richly illustrated study each of Faur 109 songs receives a separate commentary Additional chapters for the student singer and serious music lover discuss interpretation and performance in both aesthetical and practical terms Richard Stokes provides parallel English translations of the original French texts In the twenty first century musical modernity is evaluated differently from the way it was assessed thirty years ago Faur s no longer merely a Master of Charms circumscribed by the belle que His status as a great composer of timeless

Rockin' the Classics and Classicizin' the Rock: Janell R. Duxbury,2001-02-05 Rock music of all varieties has been influenced by classical music and vice versa both in the form of direct quotes and in the form of borrowings of style composition and instrumentation The average listener may be unaware of the many links between rock music and the classics One might remember a few examples such as Walter Murphy s chart topping A Fifth of Beethoven or Eric Carmen s All by Myself but pass them off as interesting anomalies However the influence of the classics on rock music is pervasive and grows from a long line of precedents This second supplement to Janell R Duxbury s original 1985 discography Rockin the Classics and Classicizin the Rock brings the earlier work and first supplement up to date with hundreds of new entries

documenting recently released or newly discovered examples of the interconnection between these musical genres Duxbury details nearly 700 new examples of recorded rock instrumentals and songs that borrow musical themes from the classics Variations range from contemporary renditions of complete classical works to brief classical quotes or phrases subtly incorporated into rock compositions Duxbury also gives additional examples of recorded orchestral versions of songs originally composed and or written by rock artists In these examples the musical style varies from strict classical interpretations to pop style orchestral renditions The second supplement then expands Duxbury's original compilation of sound recordings and live performances of rock groups performing with established orchestras and choruses selected samples of recorded rock music that simulate baroque or classical sound structure examples of the manifest influence of rock on classical music and instances of rock artists and classical artists switching roles Lastly this discography updates the 1985 version and the first supplement with new information expanded details and minor corrections to the earlier works An extended list of selected non rock background examples is included in several new appendixes The Preface is updated A general index includes the names of classical composers rock artists and groups orchestras choruses orchestra conductors sound recording producers and song or instrumental titles With its incomparable scope and content this supplement together with Duxbury's previous discography and its first supplement will be appreciated by students researchers record collectors trivia buffs music industry employees and fans of rock music and the classics

The Faure Song Cycles Stephen Rumph, 2020-09-29 Gabriel Fauré's melodies offer an inexhaustible variety of style and expression that have made them the foundation of the French art song repertoire During the second half of his long career Fauré composed all but a handful of his songs within six carefully integrated cycles Fauré moved systematically through his poetic contemporaries exhausting Baudelaire's *Les fleurs du mal* before immersing himself in the Parnassian poets He would set nine poems by Armand Silvestre in swift succession 1878-84 seventeen by Paul Verlaine 1887-94 and eighteen by Charles Van Lerberghe 1906-14 As an artist deeply engaged with some of the most important cultural issues of the period Fauré reimagined his musical idiom with each new poet and school and his song cycles show the same sensitivity to the poetic material Far more than Debussy Ravel or Poulenc he crafted his song cycles as integrated works reordering poems freely and using narratives key schemes and even leitmotifs to unify the individual songs The *Fauré Song Cycles* explores the peculiar vision behind each synthesis of music and verse revealing the astonishing imagination and insight of Fauré's musical readings This book offers not only close readings of Fauré's musical works but an interdisciplinary study of how he responded to the changing schools and aesthetic currents of French poetry

**Nadia Boulanger** Nadia Boulanger, 2020 The first collection ever of essays and reviews by the renowned pedagogue composer and conductor providing fresh perspectives on her musical influence and impact The impact of Nadia Boulanger 1887-1979 on twentieth century music was vast as composer keyboard performer conductor impresario and pedagogue Her extensive musical networks included figures such as Fauré Stravinsky and Poulenc and her advocacy

helped establish the compositions of her sister Lili Boulanger Few today realize though that Boulanger wrote numerous essays and reviews at various times in her career These offer unparalleled insight into her thinking and illuminate aspects of musical culture in Europe and America from the rare point of view of an internationally prominent female artist Nadia Boulanger *Thoughts on Music* provides a translation and critical edition of selected writings chosen for their quality and interest The previously published articles and essays have never been reissued since their original appearance the remaining materials are presented to readers here for the first time The volume renders all these materials widely available providing an important new resource for teaching and scholarship on twentieth century music as well as an engaging collection of musical essays for the general reader
