A Poison Stronger Than Love Anastasia M. Shkilnyk, 1985-01-01 Discusses the Ojibwas reserve with a poisoned water supply

Beyond Homelessness, 15th Anniversary Edition Steven Bouma-Prediger, Brian J. Walsh, 2023-09-12 What would the world look like if everyone had a home The rise in homeless encampments The destruction of our planet The disconnection from place caused by capitalism and technology Beyond the unavailability of housing our culture is experiencing a devastating loss of home In *Beyond Homelessness* Steven Bouma Prediger and Brian Walsh explore the relationship between socioeconomic ecological and cultural homelessness Bouma Prediger and Walsh blend groundbreaking scholarship with stirring biblical meditations while enriching their discussion with literature music and art Offering practical solutions and a hope filled vision of home they show how to heal the deep dislocations in our society In this fifteenth anniversary edition the authors return to their work with a new postscript in which they discuss the evolution of their ideas and share true stories of home and community built anew This revitalized classic is a must read for any Christian committed to social justice and anyone longing for home

Palm Island Joanne Watson, 2010 In November 2004 Mulrunji Doomadgee's tragic death triggered civil unrest within the Indigenous community of Palm Island This led to the first prosecution of a Queensland police officer in relation to a death in custody In *Palm Island* Joanne Watson gives the first substantial history of the island from pre contact to the present

A New Species of Trouble Kai Erikson, 1995 In the twentieth century disasters caused by human beings have become more and more common Unlike earthquakes and other natural catastrophes this new species of trouble afflicts person and groups in particularly disruptive ways

Dammed Brittany Luby, 2020-10-09 *Dammed* explores Canada's hydroelectric boom in the Lake of the Woods area It complicates narratives of increasing affluence in postwar Canada revealing that the inverse was true for Indigenous communities along the Winnipeg River *Dammed* makes clear that hydroelectric generating stations were designed to serve settler populations Governments and developers excluded the Anishinabeg from planning and operations and failed to consider how power production might influence the health and economy of their communities By so doing Canada and Ontario thwarted a future that aligned with the terms of treaty a future in which both settlers and the Anishinabeg might thrive in shared territories The same hydroelectric development that powered settler communities flooded manomin fields washed away roads and compromised fish populations Anishinaabe families responded creatively to manage the government sanctioned environmental change and survive the resulting economic loss Luby reveals these responses to dam development inviting readers to consider how resistance might be expressed by individuals and families and across gendered and generational lines Luby weaves text testimony and experience together grounding this historical work in the territory of her paternal ancestors lands she calls home With evidence drawn from archival material oral history and environmental observation *Dammed* invites readers to confront Canadian colonialism in the twentieth century

Divided Province Greg Albo, Bryan M. Evans, 2019-02-28 No government jurisdiction in Canada

has so radically transformed its public policies over the past decades as Ontario and yet the province has also maintained a striking degree of political stability in its party system Since the 1990s neoliberalism has been the point of reference in constructing policy agendas for all of Ontario's political parties It has guided the strategy for governance of the dominant Liberal Party since 2003 even as it divides the province between workers and employers north and south rural and urban and racialized minorities and the majority population With a focus on the governments of Mike Harris Dalton McGuinty and Kathleen Wynne *Divided Province* brings together leading researchers to dissect the province's public policies since the 1990s Presenting original state of the art research the book demonstrates that although the Conservative government of Mike Harris implemented the sharpest and most profound shift towards the establishment of a neoliberal regime in the province the subsequent Liberal governments consolidated that neoliberal turn The essays in this volume explore the consequences of this ideological turn across a spectrum of policies including health education poverty energy employment manufacturing and how it has impacted workers women First Nations and other distinct communities The first book to offer a comprehensive critical account of neoliberalism in Ontario *Divided Province* overturns conventional readings of the province's politics and suggests that building a more democratic and egalitarian alternative to the current orthodoxy requires nothing less than a radical rupture from existing policies and political alliances Without such a decisive break political space may well open up again for the populist right

Genocide, War Crimes and the West Doctor Adam Jones, 2013-07-04 Genocide and war crimes are increasingly the focus of scholarly and activist attention Much controversy exists over how precisely these grim phenomena should be defined and conceptualized Genocide War Crimes in most cases their contributions are specifically written for this volume In the opening and closing sections of the book analytical issues are considered including questions of responsibility for genocide and war crimes and institutional responses at both the domestic and international levels The central section is devoted to an unprecedentedly broad range of original case studies of western involvement or alleged involvement in war crimes and genocide At a moment in history when terrorism has become a near universal focus of public attention this volume makes clear why the West as a result of both its historical legacy and contemporary actions so often excites widespread resentment and opposition throughout the rest of the world

Aboriginal Populations Frank Trovato, Anatole Romaniuk, 2014-05-15 The overarching theme of this volume is that Canada's Aboriginal population has reached a critical stage of transition from a situation in the past characterized by delayed modernization extreme socio economic deficit and minimal control over their demography to a point of social political economic and demographic ascendancy from the Preface Experts from around the world review and extend the research on Indigenous Peoples in Canada Australia New Zealand and the Circumpolar North mapping recent changes in their demography health and sociology and comparing their conditions with that of Indigenous Peoples in other countries Contributors point to policies and research needed to meet the challenges Indigenous Peoples are likely to face in the 21st century This substantial volume
