Penguin Or Polar Bear Which Will You Be? Brenda Jones,2022-01-21 Do you feel like a polar bear today Do you need some quiet time or just want to read a book by yourself That s OK We all feel that way some days Polar bears can be cuddly and peaceful or sometimes they may feel a little grumpy Perhaps today you feel more like a penguin Are you ready for an adventure or excited to go to school That s OK too Everyone has days when they feel more playful Penguins often are silly playful and full of energy Sometimes they may need to be reminded that it s time to be a Polar Bear and slow down or be careful Penguin or Polar Bear Which Will You Be This book will help your child identify their feelings You may even discover they want to pretend to be one or the other Note from Author In my family s early years my two boys Joshua and Matthew weren t always sure if they wanted to go to school Sometimes one or both would be a little sleepy and sluggish or forget to pack his school bag To encourage them in a playful way I started to ask them When you walk to the school bus today will you be a penguin or a polar bear We talked about what they thought the characteristics of these animals might be if they were

like human children I would then ask them to decide which animal they felt like that day Often one chose to be a penguin and the other a polar bear They would gather up their school supplies and act out their chosen animal as they walked down our driveway to the bus stop My polar bear would walk slowly with slumped shoulders and drag his feet In a long drawn out melancholy way he would announce I m a polar bear today My penguin would quickly gather his belongings and burst out the door waddling like a penguin all the way to the bus stop He would wave to me and say Today I feel like a penguin and I m ready for the day This morning routine didn t eliminate all their anxiety about going to school It did however allow them to identify their feelings It was important to me that my boys understood their feelings were valid and they were loved and supported regardless of the animal they chose It became a silly and fun teaching game for our family It is my hope that your family will enjoy this book and continue this tradition within your home Now it s your turn you tell me penguin or polar bear which will you be Brenda Jones **Arctic Animals (Cold Feet)** Speedy Publishing,2014-09-30 Children love to learn about animals The reason for this is because there are many types of animals in the world that look adorable can be seen in the wild and also kept as pets However arctic animals are ones that a person may never get the chance to see if they do not live in the colder parts of the world This beautiful guide allows children to see animals that live and thrive in cold environments where many others do not but also gives an in depth view about the many skills these animals use to survive in this environment **Penguins and Other Polar Animals** ,2008 From penguins to seals to polar bears discover some of the amazing animals that live around the frigid lands of the North and South Poles Page 4 of cover **Polar Bears, Penguins, and Other Mysterious Animals of the Extreme Cold** Ana María Rodríguez,2012-01-01 The Arctic and Antarctica are two of the most extreme environments in the world They are freezing cold wind blown lip cracking dry and pitch black for half of the year but despite these extreme conditions many magnificent animals call these icy worlds home Scientists have been amazed and curious about how animals survive in such extremely cold places with limited food To find out they have been traveling to the icy worlds to study these extreme animals Their hard work has revealed incredible findings
