Pole Shift Predictions And Prophecies Of The Ultimate Disaster:

Pole Shift John Warren White,1988 **Pole Shift** John White,1980 End Times to 2019 David Montaigne,2013-01-09

Does the end of the Mayan Calendar start the countdown to Judgment Day Biblical and historical researcher David Montaigne concludes that this is the case He says that the end of the Mayan Long Count is the official start of the Bible s seven year tribulation both were focused on the same astronomical events that occur from 2012 to 2019 The world as we know it will be gone by 2020 Texts from ancient India tell us about great cycles of destruction The Egyptians told the same basic story with different names The Maya reveal another version of the story and were very clear about the timing of events from December 2012 to 2019 Your average American is no expert on these cultures but most people do have a Bible at home and the clearest details on what is about to happen can be found in the Bible if you don t let someone else tell you which parts you should focus on No this isn t what you were taught in Sunday school Religious leaders guide us between the raindrops of curious comments in the Bible We are discouraged from focusing on the parts they say we weren t meant to understand But if we stop glossing over these important passages we will understand a flood of details about the End Times Our leaders are not ignorant of these events The elite already know what is about to happen and they have made preparations most rational people would not believe because evidence is suppressed to avoid chaos They want us to remain ignorant or at least to believe that the details are secrets that cannot be known But the coming events and their timing are not secrets Years ago this book s publication would not have been tolerated by those in power But by now it doesn t matter much their plans are not going to be interfered with at this point Your plans however can still be formulated if you make the choice to understand Topics include Bible Prophecy Matthew 24 36 Knowing the hour and the day The Mayan Calendar and Mythology Pole Shifts Galactic Superwaves Ancient Egypt Ancient India World Mythology The Georgia Guidestones The real Star of Bethlehem and the exact birthday of Christ Calculating the Second Coming and Judgment Day more **Christian Millenarianism** Stephen Hunt,2001-08-22 To grasp this subject one needs a multifaceted multidisciplinary approach by a variety of expert hands such as have been brought together in this book Here one has the whole argument from the inter Testamental and earliest Christian periods through medieval and early modern times up to the complex overlaps with the New Age or Pentecostalism and Neo Pentecostalism or Judaising movements like the Seventh Day Adventists and the Peruvian Israelites from the Foreword by David Martin Students with a serious interest in the manifestations of millennialism and those concerned with the origins and motivations embraced by revolutionary ideologies will find this book an indispensable resource for laymen it offers a truly fascinating read Bryan R Wilson This timely book examines the impact of Christian millenarian ideas in a comparative and historical perspective with a special emphasis on contemporary religious movements inspired by such ideas The contributors are Andrew Bradstock Eugene Gallagher Malcolm B Hamilton Massimo Introvigne Orestis Lindermeier Kenneth Newport Susan J Palmer Mark Patterson Martyn Percy Margaret Poloma Stanley E
