Poles And Jews:

Rethinking Poles and Jews Robert Cherry, Annamaria Orla-Bukowska, 2007-06-07 Since Polish Catholics embraced some anti Jewish notions and actions prior to WWII many intertwined the Nazi death camps in Poland with Polish anti Semitism As a result more so than local non Jewish population in other Nazi occupied countries Polish Catholics were considered active collaborators in the destruction of European Jewry Through the presentation of these negative images in Holocaust literature documentaries and teaching these stereotypes have been sustained and infect attitudes toward contemporary Poland impacting on Jewish youth trips there from Israel and the United States This book focuses on the role of Holocaust related material in perpetuating anti Polish images and describes organizational efforts to combat them Without minimizing contemporary Polish anti Semitism it also presents more positive material on contemporary Polish American organizations and Jewish life in Poland To our knowledge this will be the first book to document systematically the anti Polish images in Holocaust material to describe ongoing efforts to combat these negative stereotypes and to emphasize the positive role of the Polish Catholic community in the resurgence of Jewish life in Poland Thus this book will present new information that will be of value to Holocaust Studies and the 100 000 annual foreign visitors to the German death camps in Poland

Unequal Victims Israel Gutman, Shmuel Krakowski, 1986 Denies the claim that Poles and Jews in occupied Poland were in a similar position and that as a result the Poles were unable to help the persecuted Jews Their failure to help the Jews arose from prewar antisemitic attitudes Many Poles benefited from Jewish abandoned property and the elimination of economic competition and public satisfaction with German policy was reported by the Delegate's office the representative of the exiled Polish government Neither the office nor the Polish underground leadership included Jewish representatives The Sikorski government in London more sensitive to Western opinion included two Jewish representatives and made declarations condemning the mass murder of Jews but gave little material help partly due to pressure by extremist right wing groups Other chapters discuss the Council for Aid to Jews egota antisemitism in the Anders Army and antisemitism and pogroms after the liberation

Poles and Jews Magdalena Opalski, Yiśra'el Barṭal, 1992 Examines Polish and Jewish perceptions of the rapprochement culminating in Polish national insurrection against Czarist Russia in 1863

Poles and Jews Jennifer Stark-Blumenthal, 2024-10-15 Nationalism's global resurgence has upended societies With the rise of the Polish nationalist Law and Justice PiS party and American Jewry's swift reaction to its law punishing people who allege Polish complicity in Holocaust crimes both sides have revived old stereotypes Stark Blumenthal argues that American Jews disgust with Polish nationalism ought to be checked by America's centuries old embrace of white supremacy Poles and Jews A Call for Myth Reconstruction confronts both the anti Polonism deeply embedded in the American Jewish community and Poland's enduring relationship with antisemitism Armed with two decades of research and in depth interviews with scholars community leaders and laity in Poland and the U S Stark Blumenthal dispels myths and considers new approaches to this relationship

Poles,

Jews, and the Politics of Nationality Joshua D. Zimmerman, 2004-01-26 The Jewish experience on Polish lands is often viewed backwards through the lens of the Holocaust and the ethnic rivalries that escalated in the period between the two world wars. Critical to the history of Polish Jewish relations however is the period prior to World War I when the emergence of mass electoral politics in Czarist Russia led to the consolidation of modern political parties. Using sources published in Polish, Yiddish, Hebrew and Russian, Joshua D. Zimmerman has compiled a full length English language study of the relations between the two dominant progressive movements in Russian Poland. He examines the Polish Socialist Party (PPS) which sought social emancipation and equal civil rights for minority nationalities including Jews under a democratic Polish republic and the Jewish Labor Bund which declared that Jews were a nation distinct from Poles and Russians and advocated cultural autonomy. By 1905 the PPS abandoned its call for Jewish assimilation and recognized Jews as a separate nationality. Zimmerman demonstrates persuasively that Polish history in Czarist Russia cannot be fully understood without studying the Jewish influence and that Jewish history was equally infused with the Polish influence.

Contested Memories Joshua D. Zimmerman, 2003 This collection of essays representing three generations of Polish and Jewish scholars is the first attempt since the fall of Communism to reassess the existing historiography of Polish Jewish relations just before, during and after the Second World War. In the spirit of detached scholarly inquiry, these essays fearlessly challenge commonly held views on both sides of the debates.

Proceedings of the Conference on Poles and Jews--Myth and Reality in the Historical Context, Held at Columbia University, March 6-10, 1983 John Micgiel, John S. Micgiel, 1986

The Polish Underground and the Jews, 1939-1945 Joshua D. Zimmerman, 2015-06-05 The Polish Underground and the Jews 1939-1945 examines one of the central problems in the history of Polish Jewish relations: the attitude and the behavior of the Polish Underground, the resistance organization loyal to the Polish government in exile toward the Jews during World War II. Using a variety of archival documents, testimonies and memoirs, Zimmerman offers a careful, dispassionate narrative arguing that the reaction of the Polish Underground to the catastrophe that befell European Jewry was immensely varied, ranging from aggressive aid to acts of murder. By analyzing the military, civilian and political wings of the Polish Underground and offering portraits of the organization's main leaders, this book is the first full length scholarly monograph in any language to provide a thorough examination of the Polish Underground's attitude and behavior towards the Jews during the entire period of World War II.

Rethinking Poles and Jews Robert Cherry, Annamaria Orla-Bukowska, 2007-06-07 Since Polish Catholics embraced some anti-Jewish notions and actions prior to WWII, many intertwined the Nazi death camps in Poland with Polish anti-Semitism. As a result, more so than local non-Jewish population in other Nazi occupied countries, Polish Catholics were considered active collaborators in the destruction of European Jewry. Through the presentation of these negative images in Holocaust literature, documentaries and teaching, these stereotypes have been sustained and infect attitudes toward contemporary Poland, impacting on Jewish youth.

trips there from Israel and the United States This book focuses on the role of Holocaust related material in perpetuating anti Polish images and describes organizational efforts to combat them Without minimizing contemporary Polish anti Semitism it also presents more positive material on contemporary Polish American organizations and Jewish life in Poland To our knowledge this will be the first book to document systematically the anti Polish images in Holocaust material to describe ongoing efforts to combat these negative stereotypes and to emphasize the positive role of the Polish Catholic community in the resurgence of Jewish life in Poland Thus this book will present new information that will be of value to Holocaust Studies and the 100 000 annual foreign visitors to the German death camps in Poland
