Patricia F. Claire, Marjorie Kilbane

Police The Ghetto:

Judenrat Isaiah Trunk, 1996-01-01 During World War II more than five million Jews lived under Nazi rule in Eastern Europe In occupied Poland the Baltic countries Byelorussia and Ukraine they were stripped of property and resettled in ghettos The German authorities established in each ghetto a Jewish Council or Judenrat to maintain minimal living standards The Judenrat was required to carry out Nazi directives against other Jews to supply forced labor and eventually to cooperate in the Final Solution Did the Jewish leaders of the ghettos who were also victims assist their murderers If cooperation with the Nazi oppressors was morally defensible during the first stage in organizing the ghettos what about later when deportations to death camps began Trunk analyzes situations where the Councils and ghetto police were forced to send their own communities to death Some Council members chose suicide rather than supply lists to the Nazis others used delaying tactics Some handed over the lists Some joined their families in the gas chamber In assessing guilt and innocence Trunk never allows the reader to forget that the impossible choices facing the Jewish leaders were created by the Nazis The Police and the Ghetto John Cooper, 2000-12 The Black Ghettos are no descendents They are political statements forced upon the minorities by the majority The ghettos are to house throwaway people and keep them out of the mainstream In this the guard the police are not there to catch wrong doers but rather they are there in the ghetto to help maintain the status quo and social order Police, Courts, and the Ghetto Patricia F. Claire, Marjorie Kilbane, 1969 **The United States**

circumstances tried to make sense of everyday lives that had been turned upside down bringing with them pre war notions of justice and morality and she considers the extent to which this rupture led to new judgments on human behaviour In doing so Bethke aims to understand how people attempted to use their very limited scope for action in order to survive Set against the background of a Holocaust historiography that often still seeks for clear categories of good and bad behaviours *Dance on the Razor's Edge* calls for a new understanding of the ghettos as complex communities in an unprecedented emergency situation
