Policy-making in Elementary Education, 1870-1895 Gillian Sutherland, 1973

Education, Change, and the Policy

Process Harold Silver, 1990 The aim of this book is to track the historical elements of change in educational policy formation and implementation in relation to the specifics of responses to change the possibilities of change and attempts to achieve it Chapter 1 assess whether the future is in past historical change or is simply illuminated by it The notion of an explicit relationship between history and policy analysis is expounded in chapter 2 The answer for successful policy making in British higher education is looked for in chapter 3 Chapter 4 describes versions of accountability in public sectors of higher education Chapter 5 delineates the decline in the reputation of British higher education from the mid 1960s to the 1980s Chapter 6 places vocationalism in the context of further education describing its intentions and outcomes Chapter 7 contains a history of periods in British education from 1780 until now Chapter 8 examines the American zeal for change in education as a historical process beginning in the 1980s Chapter 9 describes the plight of socially disadvantaged children in school from 1920 80 Chapter 10 reinforces the general thrust of the book as a concern for using historical policy analysis as a point of entry into considerations for educational change Notes at the end of each chapter and an index are provided EJS

Education and Policy in England in the Twentieth Century Richard Aldrich, Dennis Dean, Peter Gordon, 2013-05-13

In the 1990s education has become one of the major social and political questions of the day This book has been written to provide an authoritative guide to the issues which underlie the formulation of educational policy It stands both as a substantial historical study in its own right and as an essential background and introduction to the current educational debate *Education in Britain, 1750-1914* W B Stephens, 1999-01-18 This concise study covers the development of

education throughout Great Britain from the Industrial Revolution to the Great War a period in which urbanization industrialization and population growth posed huge social and political problems and education became one of the fiercest areas of conflict in society Dr. Macnamara, 1861-1931 Robin Betts, 1999-01-01 This well researched historical biography is the first on Dr T J Macnamara the first ex elementary teacher to win a government post Colleague and close friend of Lloyd George and praised by Winston Churchill Macnamara was an educationist journalist and Cabinet Minister This study of his life and career makes a major contribution to educational history as well as to the history of the Liberal Party the National Union of Teachers NUT and British political history generally Fascinating details of Macnamara s pre Parliamentary career are provided and alongside the biographical account the book deals with a range of major issues with which Macnamara was involved In education government control of school funding and the curriculum in the 1890s is considered together with the emergence of elementary school teachers as powerful public figures the operation and decline of London s first education system the London School Board 1870 1904 and resistance especially in Wales to Balfour s 1902 Education Act Defense issues feature a view of the First World War arms race from inside the Admiralty the Admiralty during the First World War

from the standpoint of the only government minister who held the same office throughout the hostilities working with among others Churchill and Balfour Macnamara s establishment of the dole on response to the post war economic slump 1920 22 is also considered Important analysis is included of the fragmentation of the Liberal Party in the 1920s leaving Macnamara as one of the last of Lloyd George s supporters *The City and Education in Four Nations* Ronald K. Goodenow, William E. Marsden, Peter Clark, 2003-12-04 *The City and Education in Four Nations* is a response to a long standing need for the placing of urban educational study in broader comparative contexts both historical and international This volume offers an account of the historical educational experiences of four major English speaking countries opening up new research agendas in a variety of fields An international team of contributors has been assembled combining historical and educational expertise and the work should interest scholars in a number of disciplines including urban history urban and comparative education social and public policy social and cultural history and the history of education *1974 Annual Supplement* Joan Schmitz Bergholt, 2013-12-21 **Victorian Britain (Routledge Revivals)** Sally Mitchell, 2012-08-06 First published in 1988 this encyclopedia serves as an overview and point of entry to the complex interdisciplinary field of Victorian studies The signed articles which cover persons events institutions topics groups and artefacts in Great Britain between 1837 and 1901 have been written by authorities in the field and contain bibliographies to provide guidelines for further research The work is intended for undergraduates and the general reader and also as a starting point for graduates who wish to explore new fields
