Rediscovering Republicanism John Nantz, 2021-10-19 When well designed institutions function properly people thrive Few institutions have been more ingeniously designed than the U S federal government via the Constitution in 1787 This auspicious beginning more than two centuries ago helps explain why the U S remains a magnet for opportunity seekers students entrepreneurs dissidents and persecuted believers Yet for decades now America s federal government has been underperforming Social Security and Medicare face looming insolvency The federal government s war on poverty has failed to end poverty and arguably made it worse In 2012 the United States Postal Service lost more money than the nation
