Policymaking In Japan Defining The Role Of Politicians

Muhammad Sayadur Rahman

Policymaking In Japan Defining The Role Of Politicians:

Policymaking in Japan; Defining the Role of Politicians Nihon Kokusai Kōryū Sentā, 2002-06 A major evolution in Japan's system of governance has been taking place in recent years as politicians have increasingly begun to participate in the policymaking process where bureaucrats used to play the predominant role. The six chapters in this volume are written by members of the Diet from the Liberal Democratic Party and New Komeito parties. These members of the new generation of politicians in Japan are concerned about designing a new architecture for policymaking. Relations between politicians and bureaucrats and how those relations should be restructured are discussed. Restructuring the policymaking process also involves questions of the relationships between the prime minister and the governing party organizations, the role of Diet committees and the issue of staff support for politicians. Each chapter explores these and other policymaking matters in the context of a specific policy issue such as finance, information technology, public works, education and corporate policy. Chapters provide important insights into the substantive issue at hand and the policy process relating to it. Contributors include Japanese House of Representatives members Nemoto Takumi, Furukawa Motohisa, Ito Tatsuya, Maehara Seiji, Hase Hiroshi and Ueda Isamu.

The Subversive Activities Prevention Law of Japan Cecil H. Uyehara, 2010 The Subversive Activities Prevention Law (SAPL) was the last major controversial law to be drafted at the end of the Allied Occupation of Japan (1945-1952) which was managed and controlled by General Headquarters (GHQ) under U.S. General MacArthur and was enacted into law after Japan had regained its formal independence in 1952. Soon after the Occupation began, prewar Japanese internal security laws were ordered abolished by the Occupation. Now that Japan would be regaining its independence in 1952, there was urgency to creating a new integrated national internal security law to fill the vacuum created by the Occupation (1945-1952). The Subversive Activities Prevention Law was to be the centerpiece for maintaining internal security in the new independent Japan. It turned out to be an extremely controversial law that was vociferously opposed by the political opposition in and out of the Diet in light of the prewar history surrounding how such internal security laws were implemented by the state security apparatus. The demonstrations in 1951-52 against the proposed law, organized by the labor unions, were the largest, loudest and most determined since the end of the war. This publication is the first analysis in English on how this law was drafted and debated, supported and opposed, using the 20 drafts of the law and the subsequent deliberations concerning the proposed law in the Houses of Representatives and Councillors. A short epilogue, since over 50 years have elapsed since the law was initially enacted in 1952, analyzes the implementation of the law during these years. The Subversive Activities Prevention Law of Japan: Its Creation (1951-1952) will be of particular interest to those studying the Allied Occupation of Japan, the Japanese political and legislative process and its internal security laws.

The Routledge Handbook of Japanese Politics Alisa Gaunder, 2011-02-25 The Routledge Handbook of Japanese Politics is an advanced level reference guide which surveys the current state of Japanese politics featuring both traditional topics and

cutting edge research The volume is divided into five sections covering domestic politics civil society social policy political economy and international relations security The first four sections begin with an overview chapter that provides historical background information on the section s overarching topic The chapters that follow explore more specific topics in the sub area In the final section historical background information is contained in the individual chapters which cover the diverse areas of international political economy security and foreign policy Offering a complete overview of the full spectrum of Japanese politics the Handbook is an invaluable resource for academics researchers policy analysts graduate and undergraduate students studying this ever evolving field *Handbook of Japanese Public Administration and Bureaucracy* Mieko Nakabayashi,Hideaki Tanaka,2025-10-01 This Handbook focuses on Japan s public administration and bureaucracy at its national level and the effects of national politics on administrative decision making and outcomes It also provides in depth analysis and description of the Japanese politics civil service relationship As the Japanese government is relatively centralized an understanding of its national level public administration is vital to comprehending the nature of Japanese bureaucracy This handbook is divided into four parts the history of Japanese bureaucracy the bureaucratic system and underlining laws rules and regulations the relationship between politics and the legislative process and bureaucracy in practice in the 12 major ministries It will make an important contribution to studies on politics and governance in Japan and will become essential reading for scholars in both their research and teaching *Malfunctioning Democracy in Japan* Yoshiaki Kobayashi,2012-01-01 Many advanced countries are facing a shared problem that democracy is not functioning as well as it should *Malfunctioning Democracy in Japan Quantitative Analysis in a Civil Society* by Yoshiaki Kobayashi investigates the causes of these problems using Japan as a particular case study Kobayashi begins with a discussion of the current functionality of democracy in Japan These first chapters examine whether pledges given by political parties are ever fulfilled which factors affect campaign pledges given by candidates at each election and if there are discrepancies between public opinion and party policies The next sections focus on the behavior of politicians and the behavior of voters Kobayashi conducts a macro analysis using aggregate data such as demographic and economic data and then moves to micro analysis using individual level data to clarify precisely which factors determine voting behavior Part Five approaches the elections which were held after Japan s political reform inclusive of the 2009 lower house election which caused significant changes Kobayashi considers point of view of issue voting voting on the basis of the preference of party policies and point of view of retrospective voting voting on the basis of the evaluation of government performance Finally *Malfunctioning Democracy in Japan* makes proposals for political reform Kobayashi s last chapter turns to the future and discusses both positive and possible changes to electoral systems the registration of campaign pledges the control over political influence on the public sector and the eventual eradication of political corruption **The Post-war Roots of Japanese Political Malaise** Dagfinn Gatu,2015-06-12 Writings on post war Japanese politics have tended to take for granted the dominance of the Liberal

Democratic Party LDP as inevitable without questioning how this came about This book analyses the nature of Japanese party politics over the first four decades following the Second World War assessing how the chief contenders the conservative LDP and the socialists JSP Japan Socialist Party competed in terms of their strengths and weaknesses relative to the other Throughout it addresses the questions How effectively were the parties strengths harnessed How did they alter over time To what extent was the winning formula challenged Did the loser have access to strengths with a major potential and if so why did these remain underdeveloped It extends widely to include discussion of the political system the social and economic environment in which parties operated internal party matters especially factions personal support groups special interest groups and the role of government bureaucracy It shows why the Liberal Democratic Party was dominant why the Japan Socialist Party remained out of power and how successive prime ministers conducted policymaking in ways which often resulted in the bureaucracy taking the lead Overall the book shows how precedents for the political system and for policymaking were set in this important period precedents which continue and which have contributed significantly to the present conservative stance on many key issues **Ecological Modernisation and Japan** Brendan F.D. Barrett,2005-04-28

In the 1990s Japan gradually began to turn green and started to experiment with more participatory forms of environmental governance *Ecological Modernisation and Japan* explores this transformation and looks at Japan as a case for ecological modernisation while contextualising the discussion within its unique history and recent discussions about globalisation and sustainability It makes a significant contribution to the ecological modernisation debate by unpacking the Japanese environmental experience *Japan's Financial Crisis* Jennifer Amyx,2013-10-31 At the beginning of the 1990s a massive speculative asset bubble burst in Japan leaving the nation s banks with an enormous burden of nonperforming loans Banking crises have become increasingly common across the globe but what was distinctive about the Japanese case was the unusually long delay before the government intervened to aggressively address the bad debt problem The postponed response by Japanese authorities to the nation s banking crisis has had enormous political and economic consequences for Japan as well as for the rest of the world This book helps us understand the nature of the Japanese government s response while also providing important insights into why Japan seems unable to get its financial system back on track 13 years later The book focuses on the role of policy networks in Japanese finance showing with nuance and detail how Japan s Finance Ministry was embedded within the political and financial worlds how that structure was similar to and different from that of its counterparts in other countries and how the distinctive nature of Japan s institutional arrangements affected the capacity of the government to manage change The book focuses in particular on two intervening variables that bring about a functional shift in the Finance Ministry s policy networks domestic political change under coalition government and a dramatic rise in information requirements for effective regulation As a result of change in these variables networks that once enhanced policymaking capacity in Japanese finance became paralyzing networks with disastrous results Politics,

Governance and Development in Bangladesh Muhammad Sayadur Rahman, 2019-06-20 This book explores the relationship between bureaucrats and elected politicians in Bangladesh and discusses how this impacts governance and development in the country from an empirical perspective. It looks at the interplay of politics and bureaucracy in ancient societies, western democracies, and in the developing world while highlighting the uniqueness of the Bangladesh experience and its indigenous contexts of local governance. The author presents a historical overview of the nature of political development, shift of regimes in Bangladesh, and the role of various agents and stakeholders. Through a detailed study, the book provides an analytical and theoretical framework to understanding the linkages between politics and bureaucracy, governance and development in South Asia and Bangladesh with implications for geopolitics and economic growth. This book will be of interest to scholars, researchers, and students of political economy, development studies, public administration, comparative politics, as well as to policymakers, bureaucrats, government bodies, and especially those concerned with Bangladesh.

Medical Technology in Japan Christa Altenstetter, 2017-09-08 Japan is suffering from a device gap. Compared to its American and European counterparts, Japan lags in adopting innovative medical devices and making new treatments and procedures available to its patients. Many blame its government and bureaucracy for Japan's delayed access to modern medicine and new medical devices. Christa Altenstetter examines the contextual, social, historical, and political conditions of Japan's medical field to make sense of the state of the country's medical profession and its regulatory framework. She explores the development of regulatory frameworks and considers possibilities for eventual reform and modernization. More specifically, Altenstetter looks into how physicians and device companies connect to the government and bureaucracy, the relationships connecting Japanese patients to their medical system and governmental bureaucracy, and how the relationships between policymakers and the medical profession are changing. The issues addressed here are becoming increasingly relevant as numerous countries in Asia, Latin America, and Central and Eastern Europe are only now beginning to regulate medical technology following the lead of the US and the European Union. Those interested in global medicine and Asian studies will find this book both informative and compelling.

Policymaking In Japan Defining The Role Of Politicians Introduction

In today's digital age, the availability of Policymaking In Japan Defining The Role Of Politicians books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Policymaking In Japan Defining The Role Of Politicians books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Policymaking In Japan Defining The Role Of Politicians books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Policymaking In Japan Defining The Role Of Politicians versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Policymaking In Japan Defining The Role Of Politicians books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Policymaking In Japan Defining The Role Of Politicians books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Policymaking In Japan Defining The Role Of Politicians books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the

Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Policymaking In Japan Defining The Role Of Politicians books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Policymaking In Japan Defining The Role Of Politicians books and manuals for download and embark on your journey of knowledge?

FAQs About Policymaking In Japan Defining The Role Of Politicians Books

1. Where can I buy Policymaking In Japan Defining The Role Of Politicians books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
