Polin: Studies in Polish Jewry Volume 1 Antony Polonsky, 2004-07-01 In this volume of Polin scholars from the fields of history sociology politics anthropology linguistics literature and folklore explore central themes in Jewish and European history

Poles and Jews Jennifer Stark-Blumenthal, 2024-10-15 Nationalism's global resurgence has upended societies With the rise of the Polish nationalist Law and Justice PiS party and American Jewry's swift reaction to its law punishing people who allege Polish complicity in Holocaust crimes both sides have revived old stereotypes Stark Blumenthal argues that American Jews' disgust with Polish nationalism ought to be checked by America's centuries-old embrace of white supremacy Poles and Jews A Call for Myth Reconstruction confronts both the anti-Polonism deeply embedded in the American Jewish community and Poland's enduring relationship with antisemitism Armed with two decades of research and in-depth interviews with scholars community leaders and laity in Poland and the U.S. Stark Blumenthal dispels myths and considers new approaches to this relationship

Polish Jewish Culture Beyond the Capital Halina Goldberg, Nancy Sinkoff, 2023-09-15 Polish Jewish Culture beyond the Capital Centering the Periphery is a path-breaking exploration of the diversity and vitality of urban Jewish identity and culture in Polish lands from the second half of the nineteenth century to the outbreak of the Second World War 1899-1939 In this multidisciplinary essay collection a cohort of international scholars provides an integrated history of the arts and humanities in Poland by illuminating the complex roles Jews in urban centers other than Warsaw played in the creation of Polish and Polish Jewish culture Each essay presents readers with the extraordinary production and consumption of culture by Polish Jews in literature film cabaret theater the visual arts architecture and music They show how this process was defined by a reciprocal cultural exchange that flourished between cities at the periphery from Lwów and Wilno to Kraków and international centers like Warsaw thereby illuminating the place of Polish Jews within urban European cultures Companion website <https://polishjewishmusic.iu.edu>

Hasidic Studies Ada Rapoport-Albert, 2018-01-16 Ada Rapoport-Albert has been a key partner in the profound transformation of the history of Hasidism that has taken shape over the past few decades The essays in this volume show the erudition and creativity of her contribution Written over a period of forty years they have been updated with regard to significant detail and to take account of important works of scholarship written after they were originally published

Categorically Jewish, Distinctly Polish Moshe Rosman, 2022-03-16 Moshe Rosman's revolutionary approach has become a cornerstone of Polish Jewish historiography Challenging conventions he asserts that the marriage of convenience between the Jews and the Polish Lithuanian Commonwealth was a dynamic relationship that though punctuated by crisis and persecution developed into a saga of overall achievement and stability With that fundamental message this book forges a thematic survey of Jewish history in early modern Poland These essays written by Rosman over the course of a distinguished career have all been updated and enhanced with new detail and nuanced arguments taking account not only of new archival material and research but also of

the ongoing evolution of the author's own knowledge and perspectives. Some appear here in English for the first time. The volume's structure highlights key topics for understanding the Polish Jewish past: relations between Jews and other Poles, Jewish communal life, Polish Jewish women and Hasidism. One section analyses how this past has been presented in both scholarly and popular modes. The essays are crafted to place them in dialogue with each other. Analytical introductions weigh their significance in the light of modern and postmodern Jewish and Polish historiography. An extensive general introduction sets the context of the history portrayed here while a thoughtful conclusion elucidates the larger motifs that emerge.

Displays of Belonging Sarah Ellen Zarrow, 2025-06-15. *Displays of Belonging* illuminates the lives and work of Polish Jewish collectors and museologists who sought to preserve the treasures of the Jewish past while demonstrating Jewish belonging on Polish soil. As Jews comfortable in the Polish language and within Polish artistic and academic society, they saw themselves as intermediaries between less integrated Jews and the Polish cultural elite. At the turn of the century, Jewish ethnographers and museum creators staked their claim to belonging to the civic nation, though the display of Jewish folk art, fine art, and Judaica. After the First World War, the nearly three million Jews in the Second Polish Republic were suddenly challenged with finding a place for themselves in a state that increasingly defined itself as a creation of the ethnic Polish nation to which Jews, by many accounts, did not belong. By tracing emergent documentation and display practices in partitioned Poland and in the interwar Second Polish Republic, Sarah Ellen Zarrow offers a better understanding of how integrated Jews identified with Polish culture and history and with non-Jewish Poles and how they conceived of, negotiated, and argued their collective place within Poland. This is not a case of assimilation nor of acculturation but rather of displaying a parallel culture that was at once similar and yet distinctive. *Displays of Belonging* offers a nuanced understanding of the multiplicity of ways in which Jews in Poland saw their present and dreamed of their future. It places Jewish ethnographic practice and art collection within a Polish context and sheds light on ways in which ideas about belonging and national identity were negotiated in the space of museums.

Rediscovering Traces of Memory Jonathan Webber, 2018-06-20. This much updated edition of a ground-breaking book expands the broad coverage of its stimulating approach. With forty-five new photographs and accompanying essays, it convincingly demonstrates the complexity of the Jewish past in Polish Galicia and the attempts to memorialize its heritage as well as the unexpected revival of Jewish life.

Where Sound the Cries of Race and Clan Carl Abbott, 2019-04-25. It is 1935 and Psychiatrist Charles Flemming has other concerns on his mind: the unfair nature of Canadian Government immigration regulations for Chinese Jews and other minorities. He meets a Jewish medical student and, by chance, meets his older sister Rebekah, who is a widow. As a result, he is determined to search out the immigration decisions in Ottawa. He goes to Ottawa with Rebekah. They fall in love despite the religious differences. The other issues on his mind are the poor status of social justice in Canada and his own dilemma of deception from a relative of his previous fiancée in Poland. He eventually sails to Poland with Rebekah and resolves the deception by granting forgiveness to

the mother of his dead fianc e Rebekah stays in Lotz continuing her research on the history of the Russian rulers treatment of the Jews in Poland 1968, Forty Years After Leszek W. Głuchowski, Antony Polonsky, 2009 In the mid 1960s Gomulka s government adopted an antisemitic stance in consequence of which nearly 15 000 Jews left the country effectively ending Jewish life in the country for over a decade These events long ignored by scholars are now increasingly seen as an important step in the process that led to the collapse of communism This volume illuminates the events that triggered the crisis the crisis itself and its consequences **The Polish Studies Newsletter** ,2003
