Biskupski, 2010-01-08 This passionate carefully researched richly detailed well written study reveals the political motives behind WWII Hollywood s portrayal of Poles Choice During World War II Hollywood studios supported the war effort by making patriotic movies designed to raise the nation s morale Often the characterizations were as black and white as the movies themselves Americans and their allies were heroes while everyone else was a villain The peoples of Norway France Czechoslovakia and England were all good because they had been invaded or victimized by Nazi Germany Yet Poland the first country to be invaded by the Third Reich was repeatedly represented in a negative light In this prize winning study Polish historian M B B Biskupski explores why Biskupski presents a close critical study of prewar and wartime films such as *To Be or Not to Be* *In Our Time* and *None Shall Escape* Through memoirs letters diaries and memoranda written by screenwriters directors studio heads and actors Biskupski examines how the political climate and especially pro Soviet sentiment influenced Hollywood films of the time Winner of the Oscar Halecki Prize A Choice Outstanding Academic Title **The German Campaign in Poland, 1939** Robert M. Kennedy, 1956 The German attack on Poland precipitated World War II making the Polish campaign one of particular significance to the student of the 1939 45 conflict The lessons learned by the German Army in its operations in Poland were put to use in the later campaigns against the western Allies the Balkan states

and the Soviet Union Poland also formed the testing ground for new theories on the use of armored forces and close air support of ground troops The complete destruction of the Polish state and the removal of Poland from the map of eastern Europe were grim portents of the fate of the vanquished in the new concept of total war The purpose of this campaign study is to provide the United States Army with a factual account of German military operations against Poland based on source material from captured records currently in the custody of The Adjutant General Department of the Army monographs prepared by a number of former German officers for the Historical Division United States Army Europe and such Polish accounts as were available Abstract     Red Eagle: The Army in Polish Politics, 1944 - 1988 Andrew A. Michta, 1990 The rise of the Polish army elite had a profound effect on the Communist Party Many current changes stem from the tougher attitudes the Polish military under Jaruzelski took toward Solidarity Annotation copyrighted by Book News Inc Portland OR     The German Campaign in Poland (1939) Robert M. Kennedy, 2015 Originally published Washington D C Dept of the Army 1956 German report series     Long-Range Ballistic Missile Defense in Europe Steven A. Hildreth, 2007 Successive U S administrations have urged the creation of an anti missile system to protect against threats from rogue states The Bush Administration believes that North Korea and Iran are strategic threats and questions whether they can be deterred by conventional means The Administration has built long range missile defense bases in Alaska and California to protect against North Korean missiles The system has been tested with mixed results and questions have been raised about its effectiveness The Administration has proposed deploying a ground based mid course defense GMD element of the larger Ballistic Missile Defense System BMDS in Europe to defend against the threat of long range missiles from Iran The system would include 10 interceptors in Poland a fixed radar installation in the Czech Republic and another forward deployed radar elsewhere in the region but closer to Iran Deployment of the European GMD capability is scheduled to be completed by 2013 at a cost of 4 04 billion     **Poland Labor Laws and Regulations Handbook: Strategic Information and Basic Laws** IBP, Inc., 2014-09-17 Poland Labor Laws and Regulations Handbook Strategic Information and Basic Laws     **Poland's Security Policy** Justyna Zajac, 2016-11-02 This book examines how the changing post Cold War order affected Poland s security policy and particularly how the West s weakening position and Russia s revisionist policy reinforced the traditional view of security in Poland It addresses the reasons why Poland a middle power in Central Europe adopted a bridging strategy in the early 1990s how this strategy changed along with the redistribution of power in the international system why after the 2008 Georgian Russian War Poland took steps to support NATO consolidation strengthen relations with the USA and expand its own military capabilities and how the Ukraine crisis affected Poland s security This overview is an invaluable resource for students of international and European studies security studies political science as well as for decision makers politicians EU staff and anyone interested in international politics in Central Europe     Folk Law Alison Dundes Renteln, Alan Dundes, 1995 Folk Law a comprehensive two volume collection of essays examines the meeting place of folklore the unwritten law of

obligations and prohibitions that are understood and passed on and jurisprudence The contributors explore the historical significance and implications of folk law its continuing influence around the globe and the conflicts that arise when folk law diverges from official law Taken from publisher s site
