Margaret L. King

Polish Romantic Literatureanthology:

Polish Romantic Literature Michael J. Mikoś, 2002 **The Oxford Handbook of European Romanticism** Paul Hamilton, 2016-01-14

The Oxford Handbook to European Romanticism brings together leading scholars in the field to examine the intellectual literary philosophical and political elements of European Romanticism The book focuses on the cultural history of the period extending from the French Revolution to the uprisings of 1848 It begins with a series of chapters examining key texts written by major writers in languages including French German Italian Spanish Russian Hungarian Greek and Polish amongst others A second section then explores the naturally inter disciplinary quality of Romanticism exemplified by the different discourses with which writers of the time set up an internal comparative dynamic These chapters highlight the sense a discourse gives of being written knowledgeably against other pretenders to completeness or comprehensiveness of self understanding of the time Discourses typically advance their own claims to resume European culture collaborating with and at the same time trying to assimilate each other in the process The main examples featured here are history geography drama theology language philosophy political theory the sciences and the media Each chapter offers an original and individual interpretation of an inherently comparative world of individual writers and the discursive idioms to which they are historically subject Together the forty one chapters provide a comprehensive and provocative overview of European Romanticism

[Przekładaniec, 2 \(2010\) vol 24 - English Version](#) , **Polish, Hybrid, and Otherwise** George Z. Gasyna, 2011-05-05

Polish Hybrid and Otherwise examines the triple compact made by displaced authors with language their host country and the homeland left behind It considers the entwined phenomena of expatriation and homelessness and the artistic responses to these conditions including reconstructions of identity and the creation of idealized new homelands Conrad and Gombrowicz writers who lived with the condition of exile were in the vanguard of what today has become a thriving intellectual community of transnationals whose calling card is precisely their hybridity and fluency in multiple cultural traditions Conrad and Gombrowicz s Polish childhoods emerge as cultural touchstones against which they formulated their writing philosophies Gasyna claims that in both cases negotiating exile involved processes of working through a traumatic past through the construction of narrative personae that served as strategic doubles Both authors engaged in extensive manipulation of their public image Above all Conrad and Gombrowicz s narratives are united by a desire for a linguistic refuge a proposed home in language and a set of techniques deployed in the representation of their predicament as subjects caught in between

The Polish American Encyclopedia James S. Pula, 2010-12-22

At least nine million Americans trace their roots to Poland and Polish Americans have contributed greatly to American history and society During the largest period of immigration to the United States between 1870 and 1920 more Poles came to the United States than any other national group except Italians Additional large scale Polish migration occurred in the wake of World War II and during the period of Solidarity s rise to prominence This encyclopedia features three types of entries thematic essays

topical entries and biographical profiles The essays synthesize existing work to provide interpretations of and insight into important aspects of the Polish American experience The topical entries discuss in detail specific places events or organizations such as the Polish National Alliance Polish American Saturday Schools and the Latimer Massacre among others The biographical entries identify Polish Americans who have made significant contributions at the regional or national level either to the history and culture of the United States or to the development of American Polonia

Queer Transgressions in Twentieth-Century Polish Fiction Jack J. B. Hutchens, 2020-07-22 Throughout the twentieth century in Poland various ideologies attempted to keep queer voices silent whether those ideologies were fascist communist Catholic or neo liberal Despite these pressures there existed a vibrant transgressive trend within Polish literature that subverted such silencing This book provides in depth textual analyses of several of those texts covering nearly every decade of the last century and includes authors such as Witold Gombrowicz Marian Pankowski and Olga Tokarczuk winner of the 2018 Nobel Prize in Literature Jack J B Hutchens demonstrates the subversive power of each work showing that through their transgressions they help to undermine nationalist and homophobic ideologies that are still at play in Poland today Hutchens argues that the transgressive reading of Polish literature can challenge the many binaries on which conservative heteronormative ideology depends in order to maintain its cultural hegemony

The Post-traumatic Theatre of Grotowski and Kantor Magda Romanska, 2014-10-01 Despite its international influence Polish theatre remains a mystery to many Westerners This volume attempts to fill in current gaps in English language scholarship by offering a historical and critical analysis of two of the most influential works of Polish theatre Jerzy Grotowski's *Akropolis* and Tadeusz Kantor's *Dead Class* By examining each director's representation of Auschwitz this study provides a new understanding of how translating national trauma through the prism of performance can alter and deflect the meaning and reception of theatrical works both inside and outside of their cultural and historical contexts

Taking Liberties Halina Filipowicz, 2015-01-01 As narrow nationalist views of patriotic allegiance have become widespread and are routinely invoked to justify everything from flag waving triumphalism to xenophobic bigotry the concept of a nonnationalist patriotism has vanished from public conversation *Taking Liberties* is a study of what may be called patriotism without borders a nonnational form of loyalty compatible with the universal principles and practices of democracy and human rights respectful of ethnic and cultural diversity and overall open minded and inclusive Moving beyond a traditional study of Polish dramatic literature Halina Filipowicz turns to the plays themselves and to archival materials ranging from parliamentary speeches to polemical pamphlets and verse broadsides to explore the cultural phenomenon of transgressive patriotism and its implications for society in the twenty first century In addition to recovering lost or forgotten materials the author builds an innovative conceptual and methodological framework to make sense of those materials The result is not only a significant contribution to the debate over the meaning and practice of patriotism but a masterful intellectual history

The Western Literary Tradition: Volume 2 Margaret L. King, 2022-03-01 This compact

anthology the second volume in Margaret L King s masterful introduction to the Western literary tradition offers in whole or in part eighty key literary works of the eighteenth nineteenth and twentieth centuries The texts provided here represent an unusually broad array of languages and traditions ranging across a variety of genres such as verse drama philosophy short and long form fiction and non fiction including autobiography speech journalism and essay This second volume shares with the first a focus on works by women numerous texts by Latin American writers are included here as well King s clear engaging introductions and notes support an informed reading of the texts while extending students knowledge of particular authors and problems of interest The Western Literary Tradition s modest length and cost allow for the use of full length works many of which are available in Hackett Publishing s own well regarded and inexpensive translations and editions alongside the anthology without adding undue cost to a student s total textbook fees

Information Resources in the Humanities and the Arts Anna H. Perrault Ph.D., Elizabeth S. Aversa, Sonia Ramírez Wohlmuth, Cynthia J. Miller, Cynthia F. Miller, 2012-12-10 This familiar guide to information resources in the humanities and the arts organized by subjects and emphasizing electronic resources enables librarians teachers and students to quickly find the best resources for their diverse needs Authoritative trusted and timely Information Resources in the Humanities and the Arts Sixth Edition introduces new librarians to the breadth of humanities collections experienced librarians to the nature of humanities scholarship and the scholars themselves to a wealth of information they might otherwise have missed This new version of a classic resource the first update in over a decade has been refreshed to account for the myriad of digital resources that have rewritten the rules of the reference and research world and been expanded to include significantly increased coverage of world literature and languages This book is invaluable for a wide variety of users librarians in academic public school and special library settings researchers in religion philosophy literature and the performing and visual arts graduate students in library and information science and teachers and students in humanities the arts and interdisciplinary degree programs

FAQs About Polish Romantic Literatureanthology Books

What is a Polish Romantic Literatureanthology PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Polish Romantic Literatureanthology PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Polish Romantic Literatureanthology PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Polish Romantic Literatureanthology PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Polish Romantic Literatureanthology PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
