Thomas Slavens

Political And Economic Encyclopedia Of The Pacific:

Historical Dictionary of Polynesia Robert D. Craig, 2011 The term Polynesia refers to a cultural and geographical area in the Pacific Ocean bound by what is commonly referred to as the Polynesian Triangle which consists of Hawai i in the north New Zealand in the southwest and Easter Island in the southeast Thousands of islands are scattered throughout this area most of which are currently included in one of the modern island states of American Samoa Cook Islands French Polynesia Hawai i New Zealand Samoa Tonga Tokelau Tuvalu and Wallis and Futuna The third edition of the Historical Dictionary of Polynesia greatly expands on the previous editions through a chronology an introductory essay an expansive bibliography and over 400 cross referenced dictionary entries on significant persons events places organizations and other aspects of Polynesian history from the earliest times to the present Appendixes of the major islands and atolls within Polynesia the rulers and administrators of the 13 major island states and basic demographic information of those states are also included

Political and Economic Encyclopaedia of the Pacific Gerald Segal, 1989 Using the Financial and Business Literature Thomas Slavens, 2004-03-11 Description *Walford's Guide to Reference Material: Social and historical sciences, philosophy and religion* Albert John Walford, Marilyn Mullay, Priscilla Schlicke, Library Association, 1996 This new edition of Volume II last published in 1994 has been extensively expanded and revised in all areas Fully updated the new edition includes major changes and covers a span of topics from archaeology through medieval history to statistics It includes philosophy psychology religion social sciences geography biology and history All areas have been completely updated with additional material in economics business and management **Pacific Studies**, 1992 **Pacific Islands and Trust Territories** Army Library (U.S.), 1971 *Politics of Economic Cooperation in the Asia-Pacific Region* Guangsheng Liao, 1993

Global Political Economy and the Wealth of Nations Phillip Anthony O'Hara, 2004 Documents the major processes performance institutions problems and policies associated with global political economy This book present an analysis of the changing distribution and production of wealth throughout the world the global technological revolution and a special study of Asia and Eastern Europe in the world system Pacific Islands and Trust Territories United States. Department of the Army, 1971 **Tonga** Martin Daly, 2009-02-04 Praise for the first edition Tonga is unique among bibliographies in its perception and understanding and in its affection for Tonga and its people Daly s work stands on exceptionally sound foundations His summaries are excellent indeed but Daly writes always with the authority of first hand knowledge with a keen eye for the essential and the ability to interpret and clarify obscurities A trustworthy introduction to Tonga in all its diversity a splendid point de d part for all layman or scholar needing a reliable guide to the essential literature about this remarkable Polynesian kingdom Bulletin of the School of Oriental and African Studies The book is so arranged that it is easy to locate any of the items listed I found myself spending pleasant hours perusing Daly s comments on the different publications I hope the rumor of a second revised edition of this bibliography is true Journal of the Polynesian Society Tonga

is a fascinating and subtle combination of a traditional Polynesian kingdom the only one to survive the impact of colonization in the nineteenth century and remain independent and a thoroughly Christian country This comprehensive bibliography is a selective guide to the most significant and accessible English language books papers and articles on every aspect of the kingdom s history culture arts politics environment and economy It is a much updated and expanded edition of the original version that was published in 1999 as part of the World Bibliographical Series with the addition of more than 200 new entries Each of the approximately 600 described and annotated items is organized under broad subject headings and indexed by author title and subject In addition and new to this edition all known Ph D theses although not annotated are shown within their appropriate subject categories and indexed Also new is a section on the most important Tonga related websites A general introduction describes the Tongan kingdom its history and society and its current situation Tonga A New Bibliography will be an invaluable resource for anyone with a serious interest in Tonga and an indispensable volume for academic libraries reference collections and policy makers focused on the Pacific islands
