Political Economy Of Agrarian Reform In:

India's Persistent Dilemma F. Tomasson Jannuzi, 2019-03-07 This book shows that the failure of successive Indian governments to effect meaningful agrarian reforms has led to a political economy in rural India that is shaped as it was prior to independence largely by the interests of an elite minority of landholders

Political Economy of Agrarian Reform in Central and Eastern Europe Johan F.M Swinnen, 2018-08-10 First published in 1997 this volume responds to the challenges faced in post Communist Eastern Europe in the privatization and decollectivisation of agriculture The contributors feature specialists in agriculture finance economics and political science They begin with discussions on the political economy of privatization and a historical overview and continue with thoughts on agricultural decollectivization in twelve countries across Eastern Europe including Albania the Baltic countries Bulgaria Slovakia and Hungary The project reflects the basic framework of endogenous institutional change and policy analysis and uses a political economy framework to explain and interpret these agricultural trends

Land to the Tiller Ronald J. Herring, 1983

The Farmer Threat Don Van Atta, 1993-05-26 Exploring the origins and progress of the current agrarian reforms contributing authors analyze the significance of contemporary Russian evaluations of pre revolutionary rural reform and many other agrarian issues

The Political Economy of Agrarian Reform in Iran Nadia Sadeghian, 1992

Political Economy of Agrarian Reforms in India Ritu Dewan, 1990

The Political Economy of Agrarian Reform in Prussia, C. 1750-1821 Sean Andrew Eddie, 2008

The Political Economy of Agricultural and Food Policies Johan Swinnen, 2018-05-24 Winner of the European Association of Agricultural Economists Book Award Food and agriculture have been subject to heavy handed government interventions throughout much of history and across the globe both in developing and in developed countries Today more than half a trillion US dollars are spent by some governments to support farmers while other governments impose regulations and taxes that hurt farmers Some policies such as price regulations and tariffs distribute income but reduce total welfare by introducing economic distortions Other policies such as public investments in research food standards or land reforms may increase total welfare but these policies come also with distributional effects These distributional effects influence the preferences of interest groups and in turn influence policy decisions Political considerations are therefore crucial to understand how agricultural and food policies are determined to identify the constraints within which welfare enhancing reforms are possible or not and finally to understand how coalitions can be created to stimulate growth and reduce poverty

The Political Economy of Rural Poverty Mohamad Riad El Ghonemy, 1990 With the use of wide ranging case studies the author clearly illustrates the impact of schemes intended to re allocate land in developing countries Concluding that land reform can play a major part in stimulating rural economies this book explores the extent to which such policies can successfully reduce poverty and increase agricultural growth

The Farmer Threat DAVID A J. LIEFERT MACEY (BILL. HAHN, WERNER.), 2020-03-31 This volume examines the agrarian crisis primarily in Russia but also in other states of former

USSR from a variety of perspectives and disciplines surveying the context of agrarian reforms in recent years and examining the specifics of individual farming development in post Soviet Russia
