Worlding Women Jan Jindy Pettman, 2005-12-20 In *Worlding Women* Jan Jindy Pettman asks Where are the women in international relations She develops a broad picture of women in colonial and post colonial relations racialized ethnic and national identity conflicts in wars liberation movements and peace movements and in the international political economy Bringing contemporary feminist theory together with women s experiences of the international Pettman shows how mainstream international relations is based on certain constructions of masculinity and femininity Her ground breaking analysis has implications for feminist politics as well as for the study of international relations **Austrian Women in the Nineteenth and Twentieth Centuries** David F. Good, Margarete Grandner, Mary Jo Maynes, 1996 This volume the first of its kind in English brings together scholars from different disciplines who address the history of women in Austria as well as their place in contemporary Austrian society from a variety of theoretical and methodological perspectives thus shedding new light on contemporary Austria and in the context of its rich and complicated history **Reversed Realities** Naila Kabeer, 1994-07-17 A dynamic reassessment of development theory with a focus on gender this book examines alternative frameworks for analyzing gender hierarchies identifies the household as the primary site for the construction of power relations assesses the inadequacy of the poverty line as a measuring tool and provides a critical overview of population control *Remaking Citizenship in Multicultural Europe* B. Halsaa, S. Roseneil, Sevil Sümer, 2012-08-21 This book offers a ground breaking analysis of how women s movements have been remaking citizenship in multicultural Europe Presenting the findings of a large scale multi disciplinary cross national feminist research project FEMCIT it develops an expanded multi dimensional understanding of citizenship as practice and experience *Different Voices* Elizabeth Van Acker, 1999

Confronting State, Capital and Patriarchy Amrita Chhachhi, Renée Ilene Pittin, 1996-04-12 *Confronting State Capital and Patriarchy* brings together documentation of women s struggles in the process of industrialisation within and outside traditional workers organizations With contributions from researchers and activists particularly in Asia Africa and Latin America the volume gives a broad display of both the constraints and the ingenuity and determination with which women workers strive to improve their situation Through both theory and rich empirical detail the volume demonstrates the integral linkages between the home workplace and the state and international arenas and between activists and academe in response to technological and industrial restructuring **Labour Worldwide in the Era of Globalization** Peter Waterman, 2016-07-27 This is an edited collection of items on unionism worldwide recognising the crisis that an informatised and globalised capitalism implies for work workers and the trade union movement It considers radical alternatives for labour organisation and action in the 21st century The book includes contributions by informed academics and unionists and proposes alternative union policies or models in relation to the working class es to women democracy ecology internationalism **Governing Women** Anne Marie Goetz, 2009-01-13 Using case studies from around the world this volume argues that good governance

from a gender perspective requires more than just additional women in politics it requires fundamental incentive changes to orient public action and policy to support gender equality

A Handbook of Comparative Social Policy Patricia Kennett, 2006-01-01 Kennett has made a major contribution to the comparative study of social policy The book will undoubtedly serve as a major resource for social policy scholars and the editor is to be commended for taking on what must have been a Herculean task It is to be hoped that the book will be available in many university libraries It deserves to be widely consulted not only by those interested in international issues but by anyone concerned with the challenges facing the academic field of social policy today Journal of Sociology and Social Welfare This volume makes a heroic effort to transform the abstractions floating around in the literature on comparative social policy research into a more grounded discussion of what the policy controversies are all about The contributions in the book climb down the ladder of abstraction which asserts that context institutions and globalization all count and that the public private discourse has changed The book attempts to specifically show how these abstractions matter in recent social policy practice and research Martin Rein Massachusetts Institute of Technology US The current context of social policy is one in which many of the old certainties of the past have been eroded The predominantly inward looking domestic preoccupation of social policy has made way for a more integrated international and outward approach to analysis which looks beyond the boundaries of the state It is in this context that this Handbook brings together the work of key commentators in the field of comparative analysis in order to provide comprehensive coverage of contemporary debates and issues in cross national social policy research Organized around five themes this impressive volume explores the contextual conceptual analytical and processual aspects of undertaking comparative social research In the first part the authors are concerned with de centring the state and extending the epistemological framework through which cross national analysis is explored In Parts II and III the focus is on the conceptual and theoretical frameworks for analysing social policy cross nationally while Part IV examines the day to day reality of preparing for and carrying out cross national analysis In the final section the authors highlight continuing and emerging themes and issues which are of particular relevance to understanding the contemporary social world International in scope this authoritative Handbook presents original cutting edge research from leading specialists and will become an indispensable source of reference for anyone interested in comparative social research It will also prove a valuable study aid for undergraduate and postgraduate students from a range of disciplines including social policy sociology politics urban studies and public policy

Elections, Parties and Representation in Post-Communist Europe F. Millard, 2016-01-08 Elections Parties and Representation in Post Communist Europe 1990 2002 stresses the ways in which the development of political parties affected the quality of democracy the nature of political representation and political accountability in the early stages of post communist politics It also analyzes the nature and consequences of the corpus of parliamentary candidates and deputies for the representation of social classes women and minorities In contrast with the wide social profile

of communist parliaments politics largely became the playground of new highly educated male elites
