## **Political Risk Analysis Around The North Atlantic:**

*Political Risk Analysis around the North Atlantic* Frederick Stapenhurst, 1992-06-18 Examines the emergence of the corporate political risk assessment function highlighting its evolution as an integral component of strategic decision making Numerous country specific and company specific examples of political risk analysis are included **Political Risk Analysis Around the North Atlantic** Frederick Stapenhurst, 1992-01-01 **The Oxford Handbook of International Business** Alan M. Rugman, 2003 This handbook synthesises some literature of the last 40 years in 28 chapters The coverage is split into the following areas the history and theory of the multinational enterprise the political and policy environment of international business **The Internationalization of US Franchising Systems** Ilan Alon, 2014-06-03 This book reviews both the environmental and organizational factors of international franchising but focuses on the latter because environmental factors can not adequately explain why some franchisers within a particular industry internationalize This study finds that organizational factors such as the size age growth rate pricing strategies and the geographical dispersion of the firm collectively affect the franchising firm s decision to internationalize However the individual variables are different in significance and magnitude for the retailing hotel and motel and professional business service industries **Canada's Corruption at Home and Abroad** Robert I. Rotberg, David Carment, 2018-10-19 Although Canada is regarded as one of the least corrupt countries this volume draws on wide ranging evidence and innovative research from scholars around the world to challenge this assumption Corruption defined as the abuse of entrusted power for private gain is often understood as being caused by internally motivated greed leading to prohibited acts in contravention of laws rules and regulations It can also be defined as dishonest action that destroys people s trust These traditional forms of corruption pose problems for Canada in a variety of policy domains as well as institutional corruption evidenced by deception and financial inconsistency that undermine the effectiveness and transparency of policy objectives This volume contains chapters that investigate various areas of corruption in Canada ranging from corruption amongst the First Nations to the armed forces to the delivery of foreign assistance It also offers suggestions to reduce future outbreaks of corruption Each chapter provides detailed empirical analysis evidenced through real world examples that highlight key lessons amidst the numerous challenges posed by corruption This book was originally published as a special issue of the Canadian Foreign Policy Journal Managing International Trade And Investment: Casebook Debora L Spar, 2003-07-14 Despite the ease with which it is often conducted doing business across borders is not the same as doing it at home Rather it entails a whole new set of managerial challenges re assessing competitive advantage evaluating diverse political environments and legal structures considering the impact of currency fluctuations and trading regimes and understanding widely disparate cultures and business norms Using the cases presented in this book instructors can help their students build a framework of analysis that will enable them to understand the challenges of international trade and investment and master the opportunities these represent a **The Routledge**

**Handbook of Political Risk** Cecilia Emma Sotttilotta, Julian Campisi, Johannes Leitner, Hannes Meissner, 2025-03-24 The Routledge Handbook of Political Risk explores the context analysis and management of political risk arising from recent tectonic geopolitical challenges to the world order posed by pandemics nationalist policy interventions changing supply chains technological transformation and the climate crisis Seasoned and emerging academics from the Global North and South alongside risk practitioners and business professionals from multiple continents and industries reconsider and address policy oriented questions in relation to social political democratic environmental economic security technological and geopolitical challenges Across five distinctive parts this Handbook considers ethical risks populism weaponised interdependence protectionism the disruptive effects of AI company case studies industries and political risk management while also reconsidering the future of political risk The volume will appeal to scholars and students of international business and management studies political science area studies security studies geography history and sociology In the absence of functioning global governance to mitigate such risks it will also be of great use to a range of consultants investors business practitioners and corporations

**The Internationalization of the German Political Economy** William D. Graf, 2016-07-27 The internationalization of the German political economy in the postwar era has produced a special socio economic and political formation which this anthology views as a hegemonic project Based upon a virtually total West German integration into the West this project has evolved within a new international division of labour and a global political system in which the German state with its extreme level of export dependency and need for stability has become a guardian and champion of the global status quo

**The Political Economy of the Southern African Periphery** Betty J. Harris, 1992-12-09

**The Political Economy of Evaluation** Jerker Carlsson, Gunnar Koehlin, Anders Ekbohm, 2016-07-27 Examines the economic impact of aid but not in the sense that it questions the relevance of this objective or tries to measure whether aid works or not The focus of this book is on the evaluation process itself Can aid evaluation be improved in order to increase the effectiveness of aid
