Political Thought in England From Locke to Bentham Harold Joseph Laski, 2015-06-26 Excerpt from Political Thought in England From Locke to Bentham It is impossible for me to publish this book without some expression of the debt it owes to Leslie Stephen s History of the English Thought in the Eighteenth Century It is almost insolent to praise such work but I may be permitted to say that no one can fully appreciate either its wisdom or its knowledge who has not had to dig among the original texts Were so small a volume worthy to bear a dedication I should associate it with the name of my friend Walter Lippmann He and I have so often discussed the substance of its problems that I am certain a good deal of what I feel to be my own is where it has merit really his This volume is thus in great part a tribute to him though there is little that can repay such friendship as he gives About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction
