Political Culture In Israel Cleavage And Integration Among Israeli Jews:

Political Culture in Israel Eva Etzioni-Halevy, Rina Shapira, 1977-02 Cross-Currents in Israeli Culture and Politics Myron Joel Aronoff, 1984-01-01 This fourth volume of Political Anthropology is the first in the series to be devoted entirely to a single country Israel is currently undergoing a critical stage of transition in its development The election of the first Likud government in 1977 ended fifty years of Labor dominance of the political system It introduced new personalities policies symbols and myths as it attempted to establish the legitimacy of the new regime The 1981 election which maintained the Likud rule was the closest and one of the most violent in Israeli history and one in which political and ethnic tensions reached an unprecedented peak The election in 1984 will determine considerably more than just which part will rule the country The very character of the nation is at stake In this volume the most timely and pressing problems confronting Israeli society are analyzed by leading Israeli and American experts utilizing the unique interdisciplinary focus of political anthropology Aronoff analyzes the resurgence of political polarization after almost two decades of relative political quietude Lewis astutely explains the role of ethnicity in Israeli politics and how it relates to foreign policy of the Likud government Shokeid critically analyzes a case study exemplifying collective redefinition of status Weissbrod sees the war in Lebanon as particularly noteworthy because it was the first time that a significant part of the Israeli public questioned the justice of an Israeli war especially during the initial victorious stages Weisburd and Vinitzky demonstrate that the settlers of Gush Emunim have developed a rational ideological legitimization for their vigilante activities against the Arabs in the territories Dominguez analyzes the meanings of left and right as multivocal and multifunctional terms in Israeli politics This volume is the one book that will give you insight into and understanding of the most pressing problems facing Israeli society **New Zionism and the Foreign Policy System of Israel (RLE Israel and Palestine)** Ofira Seliktar, 2015-05-22 The invasion of Lebanon was the culmination of an extraordinary change which New Zionism created in Israel's foreign policy system This book first published in 1986 examines how New Zionism came to dominate Israeli politics and it investigates the implications of this new ideology for the future of the Middle East The author agrees that after the creation of the State of Israel the belief system of the evolving society gradually changed After the Six Day War the ideology of Socialist Zionism became increasingly discredited and replaced by the New Zionist quest for Eretz Israel Hardened by the harsh experience of the continuing Arab Israeli conflict and enhanced by the threatening image of the enemy the political culture in Israel became less tolerant and more receptive to the language of New Zionism As a result Begin's Likud came to power in 1977 and quickly changed the whole basis of Israel's foreign policy Instead of the cautious pragmatism of Socialist Zionism the Begin government pursued the grand design that had enjoyed a long tradition in Revisionist thinking Although General Sharon was responsible for the actual conduct of the war it was the New Zionist propensity to use military force to introduce a new order in the Middle East which was responsible for the invasion The book suggests that it is still too early to assess the full impact of the war in

Lebanon on New Zionism Although the war failed to validate any of the grand design tenets of New Zionism the violent Shiite response in Southern Lebanon may serve to strengthen the New Zionist hard line This could hasten the annexation of the occupied territories as the final stage of turning the State of Israel into the Land of Israel

Interest Groups and Political Change in Israel Marcia Drezon-Tepler,2012-02-01 This book challenges the conventional view of Israeli politics as an ideological stron party system Focusing on three important and influential interest groups the Gush Emunim the Ihud kibbutz federation and the Manufacturers Association Drezon Tepler presents a comprehensive view of Israel s society and politics Integrated here are unpublished sources and material from personal interviews with prominent personalities including Prime Ministers Menachem Begin Yitzhak Rabin and Shimon Peres and Minister Ariel Sharon The book illuminates such current controversial topics in Israel as the influence of the volatile Gush Emunim the country s chronically unstable economy and the continued vitality of the kibbutz movement Relevant beyond Israel s borders this book enhances understanding of systems groups and change presenting an original analytical framework of three models for group and party decision making within democracies

Envisioning Israel Allon Gal,1996 Explores how North American Jews have envisioned Israel From the late 19th century to the present

The Transformation Of Israeli Society S. N. Eisenstadt,S N Eisenstadt,2019-07-09 This book discusses the development and organization of the major spheres of life of Israeli society It analyses major aspects and trends of development of Israeli society which have been taking place continuously since its beginning from the early period of Zionist settlement in Eretz Israel

Israeli Identity Lilly Weissbrod,2014-05-22 This thoroughly researched book reveals the true identity of the modern Israeli Israelis are unique in having changed their identity three times in only one hundred years Written in a user friendly style the book will appeal to scholars and students of the Middle East

Jewish Civilization Shmuel Noah Eisenstadt,Shemuel Noa? Aizens?ad?,1992-01-01 This book explains why the best way to understand the Jewish historical experience is to look at Jewish people not just as a religious or ethnic group or a nation or people but as bearers of civilization This approach helps to explain the greatest riddle of Jewish civilization namely its continuity despite destruction exile and loss of political independence In the first part of the book Eisenstadt compares Jewish life and religious orientations and practices with Hellenistic and Roman civilizations as well as with Christian and Islamic civilizations In the second part of the book he analyzes the modern period with its different patterns of incorporation of Jewish communities into European and American societies national movements that developed among Jews toward the end of the nineteenth century especially the Zionist movement and specific characteristics of Israeli society The major question Eisenstadt poses is to what extent the characteristics of the Jewish experience are distinctive in comparison to other ethnic and religious minorities incorporated into modern nation states or other revolutionary ideological settler societies He demonstrates through his case studies the continuous creativity of Jewish civilization

Israeli Politics and the Middle East Peace Process, 1988-2002 Hassan A. Barari,2004-07-31 The book is a fresh interpretation of Israeli foreign policy vis

vis the peace process one that deems domestic political factors as the key to explain the shift within Israel from war to peace. The main assumption is that peacemaking that entails territorial compromise is an issue that can only be completely comprehended by understanding the interaction of domestic factors such as inter party politics, ideology, personality and the politics of coalition. Although the bulk of the book focuses on how internal inputs informed the peace process, the book takes into account the external factors and how they impacted on the internal constellation of political forces in Israel.

The Invention and Decline of Israeliness Baruch Kimmerling, 2005-12-13. This work reexamines Israel in terms of its origins as a haven for a persecuted people and its evolution into a multi cultural society. The author suggests that the Israeli State has divided into seven major cultures.

Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Political Culture In Israel Cleavage And Integration Among Israeli Jews. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Political Culture In Israel Cleavage And Integration Among Israeli Jews, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to

distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Political Culture In Israel Cleavage And Integration Among Israeli Jews has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
