Political Dictionary of the State of Israel Susan Hattis Rolef,1993 Political Dictionary of the State of Israel Susan Hattis Rolef,1987 *Political Dictionary of the State of Israel* ,1993 *Political Dictionary of the State of Israel* Susan Hattis Rolef,1993 This guide to the political world of Israel covers its leading figures political parties major events and the basic terms concepts ideologies and institutions that make up its political structure Political Dictionary of Israel Bernard Reich,David Howard Goldberg,2000-06-07 Few countries of its size have attracted more attention and aroused more controversy than Israel It is a country beset by conflict in its region and faced with the need to integrate immigrants and to weld individuals of disparate backgrounds and ethnicity into a modern and advanced state And although small in size and population it has played a significant role in international relations This companion book to the Historical Dictionary of Israel provides in a single source a comprehensive and up to date reference volume with detailed information about every aspect of the political life of contemporary Israel as well as serving as a guide to the complexities and nuances of contemporary Israeli politics It fills a gap in the literature by providing comprehensive information about the various diplomatic and political personalities institutions organizations events concepts and documents that together define the political life of the Jewish state The Political Dictionary of Israel will provide both students and scholars with extensive information and serve as a starting point for further research on the topic through its detailed bibliographical references *Captain America and the Crusade Against Evil* Robert Jewett,John Shelton Lawrence,2004-06-14 Grasping this vision honored by Judaism Christianity and Islam alike includes recognizing the dangers of zealous violence the illusions of current crusading and the promise of peaceful coexistence under international law Information Sources of Political Science Stephen W. Green,Douglas J. Ernest,2005-07-15 A thoroughly revised and updated new edition of the world s leading comprehensive bibliography of American and international politics The eagerly anticipated new edition of the widely acclaimed Information Sources of Political Science is the most comprehensive English language political bibliography available offering the surest way for students and researchers to get straight to the information they need Like no other volume it provides a fully rounded view of the field both in the United States and internationally including relevant works in history economics sociology and education Its 2 500 entries cover a wide variety of source types indexing and abstracting services major bibliographical tools encyclopedias dictionaries handbooks directories statistical compilations and more In addition this edition is the first to feature substantial coverage of electronic resources both databases and Internet sites Each source receives its own annotation with entries grouped in categories to bring together like works for easy comparison This work is a cornerstone reference for academic and public libraries **Israel** S. Ilan Troen,Noah Lucas,2012-02-01 Israel presents a panoramic display of fresh interpretations and new research findings related to Israel s first decade of independence Those years of rapid change are widely regarded as a formative period in the development of the state and the society As new archival

materials have become available for scrutiny a new generation of historians and social scientists has begun to re examine old issues and to raise new questions In this context of academic ferment scholars in diverse disciplines of different generations and of opposing ideological orientations have collaborated in this book in examining the period anew Thirty two authoritative essays offer new understandings from the diverse perspectives of history political science sociology literary criticism geography anthropology and law The intention is to provide a wide ranging reconsideration of post independence Israel that will serve as a benchmark for future study and research

The Jewish State Alan Dowty, 2001-06 The one intelligent overview of Israeli politics that addresses the paradox at the heart of Israeli statehood How can Israel be both a Jewish state and a democratic state

Israel Martin Gilbert, 2018-09-01 The most comprehensive account of Israeli history yet published Efraim Karsh The Sunday Telegraph Fleeing persecution in Europe thousands of Jewish immigrants settled in Palestine after World War II Renowned historian Martin Gilbert crafts a riveting account of Israel s turbulent history from the birth of the Zionist movement under Theodor Herzl to the unexpected declaration of its statehood in 1948 and through the many wars conflicts treaties negotiations and events that have shaped its past six decades including the Six Day War the Intifada Suez and the Yom Kippur War Drawing on a wealth of first hand source materials eyewitness accounts and his own personal and intimate knowledge of the country Gilbert weaves a complex narrative that s both gripping and informative and probes both the ideals and realities of modern statehood Martin Gilbert has left us in his debt not only for a superlative history of Israel but also for a restatement of the classic vision of Zion in which a Middle East without guns is not a bedtime story but an imperative long overdue This is the vision for which Yitzhak Rabin gave his life This book is tribute to his memory Jonathan Sacks The Times London
