Political Islam:

Political Islam in the Global World Aini Linjakumpu, 2008 Develops an approach with which one can study the politicization of Islam in different circumstances and contexts This book uses three case studies to analyze the political dimension of Islam It also examines political identity and discusses the role of language Political Islam Nazih Ayubi, 2003-09-02 Studying six Islamic states in detail Ayubi encompasses innovative material on sex and the family and on the emerging alternative economic and social networks of Islamic banks schools and hospitals in those states *What is Political Islam?* Jocelyne Cesari, 2018 Presentation de l'auteur The debate continues unabated Is political Islam decipherable through the tenets of the Islamic tradition or is it a tool of secular actors who shrewdly misuse religious references Is it an expression of modernity or a return to the past Eschewing these dichotomies Jocelyne Cesari demystifies the continuous process of interaction between secular and religious actors and institutions that is at the core of political mobilization in the name of Islam Cesari traces the origins of political Islam to the inception of the modern nation state revealing the decisive role of secular nationalist rulers in its creation In the process she puts to rest the myth that there has been a lack of modernization in the Muslim world and shows how that myth has proven dangerous Ranging from Senegal to Egypt from Indonesia to Iraq her analysis provides a much needed corrective to the conventional wisdom **The Future of Political Islam** Graham E. Fuller, 2003-05-12 September 11 vitriolic rhetoric against the United States by prominent Muslims the war against terrorism shifts from Afghanistan to the Philippines and Indonesia It is easy to believe Islam and Muslims are enemies of the West it is also wrong This sweeping survey of trends in the Muslim world contends that the issue is not whether Islam plays a central role in politics but what Muslims want To focus on radicalism and extremism blinds us from another trend liberal political Islam Proponents of liberal political Islam emphasize human rights and democracy tolerance and cooperation They face an uphill struggle as authoritarian regimes oppress opposition and use Islam to justify their undemocratic rule As people are denied avenues to participate and criticize as secular ideologies have failed religion has come to play a central role in politics The outcome of the struggle between extremists and liberals will determine the future of political Islam The Many Faces of Political Islam Mohammed Ayoob, 2009-12-21 Analysts and pundits from across the American political spectrum describe Islamic fundamentalism as one of the greatest threats to modern Western style democracy Yet very few non Muslims would be able to venture an accurate definition of political Islam Mohammed Ayoob's *The Many Faces of Political Islam* thoroughly describes the myriad manifestations of this rising ideology and analyzes its impact on global relations In this beautifully crafted and utterly compelling book Mohammed Ayoob accomplishes admirably the difficult task of offering a readily accessible yet nuanced and comprehensive analysis of an issue of enormous political importance Both students and specialists will learn a great deal from this absolutely first rate book Peter J Katzenstein Walter S Carpenter Jr Professor of International Studies and Stephen H Weiss Presidential Teaching Fellow Cornell

University Dr Ayoob addresses the nuances and complexities of political Islam be it mainstream radical or militant and offers a road map of the pivotal players and issues that define the movement There is no one as qualified as Mohammed Ayoob to write a synthesis of various manifestations of political Islam His complex narrative highlights the changes and shifts that have taken place within the Islamist universe and their implications for internal Muslim politics and relations between the world of Islam and the Christian world Fawaz A Gerges Carnegie Scholar and holds the Christian A Johnson Chair in International Affairs and Middle Eastern Studies Sarah Lawrence College Let s hope that many readers not only academics but policymakers as well will use this invaluable book Fran ois Burgat Director French National Centre for Scientific Research CNRS and the Institute for Research and Study on the Arab and Muslim World IREMAM Aix en Provence France This is a wonderful concise book by an accomplished and sophisticated political scientist who nonetheless manages to convey his interpretation of complex issues and movements to even those who have little background on the subject It is impressive in its clarity providing a badly needed text on political Islam that s accessible to college students and the general public alike Shibley Telhami Anwar Sadat Professor for Peace and Development University of Maryland and Senior Fellow Brookings Institution Mohammed Ayoob is University Distinguished Professor of International Relations with a joint appointment in James Madison College and the Department of Political Science at Michigan State University He is also Coordinator of the Muslim Studies Program at Michigan State University
