

THE BIG ISSUES

A political cartoon titled "THE BIG ISSUES". It depicts a chaotic pile of men, some in suits and some in military uniforms, falling or being pushed around. A yellow barrel with a radiation symbol is leaking yellow liquid. A man in a hard hat is using a chainsaw on a globe. Money and a gun are scattered on the ground. A speech bubble from a man at the top says "Go!!".

Political Issues In Lukeacts:

Political Issues in Luke-Acts Richard J. Cassidy, Philip J. Scharper, 2015-02-25 The contributors represent varying outlooks in New Testament study so that the book offers a continuation of the current debate rather than a set of agreed conclusions The editors of this symposium deserve our thanks for bringing together this series of useful essays which no student of the social teaching in the New Testament and of Luke's writings in particular ought to miss I Howard Marshall Professor of New Testament Exegesis University of Aberdeen Various phases of Luke's challenge to the powers of his day are discussed in some detail by the contributors to this symposium and in consequence much light is thrown on Luke's purpose in writing I am happy to commend this new volume of studies to the serious attention of students and teachers of the New Testament and early Christian history F F Bruce Rylands Professor of Biblical Criticism and Exegesis University of Manchester These lively provocative and well informed essays center around the thesis of Dr Richard J Cassidy in his Jesus Politics and Society in which he challenges the notion that Luke Acts was written as a political apologetic The result is a stimulating debate as though one were participating in a discussion at once learned and relevant on the exegetical issue of Lukan redaction and of course on the moral question of Jesus attitude toward civil authority Howard Clark Kee William Goodwin Aurelio Professor of Biblical Studies Boston University Here we have ten studies which sharply probe aspects of the political Luke and or Luke's political Jesus including a study by Cassidy himself as well as studies which take him to task on various counts All told Political Issues in Luke Acts is an extremely valuable showcase of the most current research in Luke Acts and its societal concerns Edward C Hobbs Professor of Religion Wellesley College Visiting Professor of New Testament Harvard University Richard J Cassidy serves as Professor of Sacred Scripture at Sacred Heart Major Seminary in Detroit Michigan His most recent books are Paul in Chains Roman Imprisonment and the Letters of Paul and Four Times Peter Portrayals of Peter in the Four Gospels and at Philippi He is currently completing a commentary on St Paul's Letter to the Philippians Prior to his death Philip J Scharper served as an editor of Commonweal was the American editor of Sheed and Ward and was the founding editor of Orbis Books He received seven honorary degrees and numerous awards for his contribution to religious publishing With his wife Sally he authored more than thirty nationally televised religious documentaries which have received twenty international and national awards including several Emmys A Theology of the New Testament George Eldon Ladd, 1993-09-02 Ladd's magisterial work on New Testament theology has well served scores of seminary students since 1974 Now this comprehensive standard evangelical text has been carefully revised by Hagner to include an update of Ladd's survey of the history of the field of New Testament theology an augmented bibliography and an entirely new subject index Aspects of Coherency in Luke's Composite Christology Daniel Gustafsson, 2022-03-18 Luke has often been understood to transmit a variety of Christological traditions without reflecting on them in relation to each other In this study Daniel Gustafsson challenges such positions and demonstrates that when the Gospel of Luke is approached as a

narrative a different picture emerges Presentations of Jesus as Messiah Son of God prophet and Son of Man are shown to conform to Luke s overall plot and significantly overlap each other The voices of characters with high authority the use of Scripture and Jesus s relationship to the Holy Spirit are examples of other factors that contribute to coherency in Luke s Christology Peter and Cornelius vanThanh Nguyen SVD,2012-11-29 The mission to the Gentiles and their conversion into the church gave rise to conflict in the early Christian community Acts 11 1 18 indicates that there was clearly dissension over the issue of Peter going to the house of Cornelius and participating in table fellowship with him The issue was no small matter since it could have split the church How then does Luke portray the resolution of the conflict Instead of writing a long theological treatise the author employs the art of storytelling The study of Luke Acts has long been dominated by historical critical methods focusing on Luke as a historian and theologian This work however proposes a paradigm shift by looking at Luke as a storyteller Since narrative criticism is concerned with the work of the writer as author and not simply redactor and since it treats narrative precisely as narrative the time has come to apply the narrative critical approach to Acts 10 1 11 18 This approach explores a different set of questions What is the story of Peter and Cornelius about How is the story told What effect does the story have on the reader and why

The Trial of the Gospel Alexandru Neagoe,2002-05-16 For many years Luke Acts has been studied as a work of history and theology The Trial of the Gospel sets out to examine Luke s writings as an apologetic work by focusing on those parts of Luke s story where the apologetic overtones seem most prominent the trial narratives By analysing the trials of all major Lukan characters Jesus Peter Stephen and Paul Alexandru Neagoe argues that the narratives are best understood when viewed as part of Luke s apologia pro evangelio a purpose which is in keeping with the author s declared aim to give his readers assurance about the matters in which they had been instructed Luke 1 4 Neagoe concludes that the specific role of the trial narratives is to provide the framework within which important tenets of the Christian faith are themselves put on
