Political Leaders And Peacemakers:

Navajo Nation Peacemaking Marianne O. Nielsen, James W. Zion, 2005-09-01 Navajo peacemaking is one of the most renowned restorative justice programs in the world Neither mediation nor alternative dispute resolution it has been called a horizontal system of justice because all participants are treated as equals with the purpose of preserving ongoing relationships and restoring harmony among involved parties In peacemaking there is no coercion and there are no sides No one is labeled the offender or the victim the plaintiff or the defendant This is a book about peacemaking as it exists in the Navajo Nation today describing its origins history context and contributions with an eye toward sharing knowledge between Navajo and European based criminal justice systems It provides practitioners with information about important aspects of peacemaking such as structure procedures and outcomes that will be useful for them as they work with the Navajo courts and the peacemakers It also offers outsiders the first one volume overview of this traditional form of justice The collection comprises insights of individuals who have served within the Navajo Judicial Branch voices that authoritatively reflect peacemaking from an insider's point of view It also features an article by Justice Sandra Day O'Connor and includes contributions from other scholars who with the cooperation of the Navajo Nation have worked to bring a comparative perspective to peacemaking research In addition some chapters describe the personal journey through which peacemaking takes the parties in a dispute demonstrating that its purpose is not to fulfill some abstract notion of Justice but to restore harmony so that the participants are returned to good relations Navajo Nation Peacemaking seeks to promote both peacemaking and Navajo common law development By establishing the foundations of the Navajo way of natural justice and offering a vision for its future it shows that there are many lessons offered by Navajo peacemaking for those who want to approach old problems in sensible new ways Elements of Peacemaking Revolutions Sapir Handelman, 2021-09-24 Intractable conflict is a protracted violent and long time struggle wherein generation after generation is socially conditioned to continue fighting To break the chain of destruction a revolutionary peacemaking process is required This book serves as an introduction to the study of peacemaking revolutions which are necessary to build a peaceful and well functioning society in desperate intractable conflict situations The challenge of peacemaking revolution is to turn opposing parties into a peacemaking community A peacemaking community offers political platforms to involve the different societal elements of the opposing parties in the struggle for change It offers a consensus building process that approaches the conflict from different sides dimensions and directions This book provides a fresh perspective to the study of destructive social conflicts their transformation and resolution It will serve to provoke a critical discussion among those who are interested in the new emerging study of peacemaking revolutions **The Political Economy of Regional Peacemaking** Steven E. Lobell, Norrin M. Ripsman, 2016-02-02 An expansive investigation of the efficacy of trade agreements economic sanctions and other economic strategies for promoting peace **Peacemaking by Democracies** Norrin M. Ripsman, 2010-11-01 Challenging

this assumption Peacemaking by Democracies breaks down the category of democracy to argue that differences in structural autonomy among democratic states have a lot to do with how foreign security policies are chosen and international negotiations are carried out The more structural autonomy the foreign security policy executive possesses the greater the policy independence from public and legislative opinion it is able to achieve Jacket *Peacemakers* Peter Dixon, 2020-06-11 What does Blessed are the peacemakers mean in practice When is war a just war Should outsiders intervene in civil wars and how How can Christians effectively engage in resolving conflict How do we achieve reconciliation Peter Dixon offers a moral framework on which to base our thinking about war and peace undergirded by a solid confidence in God's sovereignty as we face the uncertainty of the real world I don't think we need to take responsibility for righting all the wrongs of the world like Superman he says It is enough for us to do what we can when we can where we can *Peacemakers* evolves at another level too As the author takes us down an icy Kabul street or allows us to observe children celebrating a shaky peace in South Sudan we experience first hand the backcloth against which international peacebuilding takes place Some comments on *Peacemakers* A work of extraordinary relevance in today's troubled and volatile times Lord Richard Dannatt former head of the British Army A gentle wise and helpful companion as we try to make sense of the conflicts in our world Ram Gidoomal CBE Chairman of Traidcraft Stewardship and Cotton Connect Given the importance of peace in Christian priorities I hope this book will be given the attention it deserves Michael Schluter CBE Founder of the Jubilee Centre Relationships Foundation and Relationships Global A thought provoking and engaging book Air Commodore Mark Leakey former Director Armed Forces Christian Union *Peacemaking in International Conflict* I.
