Political Mythology And Popular Fiction:

Political Mythology and Popular Fiction Ernest J. Yanarella, Lee Sigelman, 1988-01-13 A fascinating contribution to the scholarship of both political science and literature this book explores eight major genres of contemporary popular fiction generally assumed to be essentially devoid of political content children s novels Westerns middle class fiction historical novels small town Americana sports novels American war fiction and science fiction By uncovering the often covert mythical themes and cultural symbols hidden in the plot formulas of these works many of them bestsellers the essays illustrate the debt of mass market authors to cultural and political traditions that reach back to the origins of the American Republic

Political Mythology and Popular Fiction Ernest J. Yanarella, Lee Sigelman, 1988-01-13 A fascinating contribution to the scholarship of both political science and literature this book explores eight major genres of contemporary popular fiction generally assumed to be essentially devoid of political content children s novels Westerns middle class fiction historical novels small town Americana sports novels American war fiction and science fiction By uncovering the often covert mythical themes and cultural symbols hidden in the plot formulas of these works many of them bestsellers the essays illustrate the debt of mass market authors to cultural and political traditions that reach back to the origins of the American Republic A Philosophy of Political Myth Chiara Bottici, 2007-07-09 In this book originally published in 2007 Chiara Bottici argues for a philosophical understanding of political myth Bottici demonstrates that myth is a process one of continuous work on a basic narrative pattern that responds to a need for significance Human beings need meaning in order to master the world they live in but they also need significance in order to live in a world that is less indifferent to them This is particularly true in the realm of politics Political myths are narratives through which we orient ourselves and act and feel about our political world Bottici shows that in order to come to terms with contemporary phenomena such as the clash between civilizations we need a Copernican revolution in political philosophy If we want to save reason we need to look at it from the standpoint of myth

Political Myth Christopher Flood, 2013-12-02 First Published in 2002 Myth theorists characterize myths as stories that possess the status of sacred truth within one or more social groups Flood discusses how political myth is an ideologically marked narrative that purports to give a true account of a set of past present or predicted political events widely accepted as valid in its essentials Among the topics explored are the historical line of political myth in nineteenth and twentieth century Western political discourse the characteristics of political myths and the forms they take in political life and the ends they serve and the features of political ideologies that are most useful for understanding the nature of political myth **Minor**

Mythologies as Popular Literature Richard Pine, 2018-10-01 This is the first single author study of the genres and roots of popular literature in its relation to film and television exploring the effects of academic snobbery on the teaching of popular literature Designed for classroom use by students of literature and film and their teachers it offers case studies in quest literature detective fiction the status of the outlaw and outsider and the interdependence of self other and the uncanny It

challenges perceived notions of and prejudices against popular literature and affirms its connection with the deepest human experiences **The Presence of the Past in Children's Literature** Ann Lucas, 2003-09-30 Time is one of the most prominent themes in the relatively young genre of children's literature for the young like adults want to know about the past This book explores how children's writers have treated the theme and concept of time The volume starts with the application of literary theory and additionally analyzes examples of the juvenile historical novel In doing so it also examines changing fashions in criticism and publishing and the pressure they exert on writers It then considers literary adaptations of myths and archetypes constructions of history in children's literature colonial and postcolonial children's fiction and the treatment of the past in the postmodern era The book looks at literature from around the world and the expert contributors are from diverse countries and backgrounds While the book looks primarily at literature of the 19th and 20th centuries it considers a broad range of historical material treated in works from that period Included are discussions of such topics as Joan of Arc in children's literature the legacy of Robinson Crusoe colonial and postcolonial children's literature the Holocaust and the supernatural International in scope the volume examines history and collective memory in Portuguese children's fiction Australian history in picture books Norwegian children's literature and literary treatments of the great Irish famine

American Studies Jack Salzman, 1990-05-25 This volume supplements the acclaimed three volume set published in 1986 and consists of an annotated listing of American Studies monographs published between 1984 and 1988 There are more than 6 000 descriptive entries in a wide range of categories anthropology and folklore art and architecture history literature music political science popular culture psychology religion science and technology and sociology The Myth of the Clash of Civilizations Chiara Bottici, Benoît Challand, 2013-01-11 While globalization unifies the world divisions re emerge within it in the form of a spectacular separation between Islam and the West How can it be that Huntington's contested idea of a clash of civilizations became such a powerful political myth through which so many people look at the world Bottici and Challand disentangle such a process of myth making both in the West and in Muslim majority countries and call for a renewed critical attitude towards it By analysing a process of elaboration of this myth that took place in academic books arts and media comics and Hollywood films they show that the clash of civilizations has become a cognitive scheme through which people look at the world a practical image on the basis of which they act on it as well as a drama which mobilizes passions and emotions Written in a concise and accessible way this book is a timely and valuable contribution to the academic literature and more generally to the public debate As such it will be an important reference for scholars and students of political science sociology philosophy cultural studies Middle Eastern politics and Islam Geography of Time, Place, Movement and Networks, Volume 1 Stanley D. Brunn, 2024-05-23 This book describes the journey concept relating to cultural and social history of Western and non Western worlds By including time journeys negotiated by women racial minorities artists and scholars from the humanities and social natural and physical scientists the book explores time space journeys in personal

professional and cultural life and place experiences The sixteen chapters in this book offer new insights into time place worlds in different contexts including history culture astronomy and science fiction The concept is one where science and art worlds intersect in the emerging worlds of the unknown With contributors from different disciplines and countries expanding our understanding of this concept this volume provides a valuable source for disciplinary and interdisciplinary classes and seminars exploring these scholarly frontiers

Literature For Children Peter Hunt, 2003-09-02 Children's literature has recently produced a body of criticism with a highly distinctive voice The book consolidates understanding of this area by including some of the most important essays published in the field in the last five years demonstrating the links between literary criticism education psychology history and scientific theory It includes Peter Hollindale's award winning essay on Ideology and Children's Literature topics from metafiction and post modernism to fractal geometry and the examination of texts ranging from picture books to The Wizard of Oz and the Australian classic Midnite Sources are as disparate as Signal and the Children's Literature Association Quarterly and the international community is represented by writers from Britain the USA Canada Australia and Germany Each essay is set in its critical context by extensive quotation from authoritative articles
