

POLITICAL ORGANIZATIONS

At the end of this lesson, you should be able to:

- discuss how political organizations operate as an entity which maintains societal functions,
- recognize the differences among different types of political organizations, and
- analyze social and political structures.
- In a classroom setting, what are the functions of the elected class officers?
- Do you believe that their existence is needed for the maintenance of order in the class?

Social and Political Structures

Social and political structures are both constructs formed as a result of large-scale ties and relations in society.

Social structure, in a general sense, refers to patterned institutions or groups in society where people work, act, and live together.

Examples: Social class and social institutions like the government and legal community, LGBT community, and professional community

The **political structure**, on the other hand, is used to call on the institutions and political entity organized in agreement with regulations, laws, and norms of society or of the entity itself. A society based on political structure may follow totalitarianism, authoritarianism, or democracy.

The Need for Political Organizations

The need for social order, public affairs and functions, and conflict resolution are perennial or inevitable. In this premise, the foundation goals of political organizations are required.

Political organizations are entities in a society formed for administrative or political functions. They refer to the scheme or design of power and authority in society. Political organizations define the scope and limits of power.

Society, to achieve and maintain its goals and functions, needs an authority figure to set social control and lead people. Issues like allocation of social and political roles, the exercise of political power and authority, and resolutions for conflict and clash are among the recurring problems every society faces.

The questions rest on who takes the lead in addressing such problems. On this ground lies the need for political organizations. Serving as the authority, they set rules and roles and direct actions to take.

Special interests of a particular group may also be addressed through political organizations such as labor unions, political parties, interest, or advocacy groups.

- **Labor unions** collaborate or negotiate with the company administration to raise employee concerns regarding salary increase, benefits, and labor rights.
- **Political parties** are formed for staging interest in the government seat.
- **Advocacy and interest groups** are designed for campaigning the rights, privileges, and concerns of a particular group of people in society. Such group of people may not be represented in government.

Types of Political Organization

There are four recognized types of political organizations. They are bands, tribes, chiefdoms, and states.

Band

The **band** is the most traditional and smallest type of political organization. Familial ties connect a band. Politically independent, a band usually does not recognize the formal government. There are no written codes or laws. There is no organized group of leaders. This is the result of their tendency and nature of moving from one place to another in search of food or shelter.

Tribes

Political Organizations

Bruce R. Hopkins

Political Organizations:

Armed Political Organizations Benedetta Berti, 2013-08 Many armed political movements such as Hezbollah Hamas and the Irish Republican Army IRA have their roots in insurrection and rebellion The author seeks to understand when and why violent actors in a political organization choose to vote rather than bomb their way to legitimacy *Guide to U.S. Political Parties* Marjorie R. Hershey, 2014-04-01 This one volume reference presents the major conceptual approaches to the study of U S political parties and the national party system describing the organization and behavior of U S political parties in thematic narrative chapters that help undergraduate students better understand party origins historical development and current operations Further it provides researchers with in depth analysis of important subtopics and connections to other aspects of politics Key Features Thematic narrative chapters organized into six major parts provide the context as well as in depth analysis of the unique system of party politics in the United States Top analysts of party politics provide insightful chapters that explore how and why the U S parties have changed over time including major organizational transformations by the parties behavioral changes among candidates and party activists and attitudinal changes among their partisans in the electorate The authors discuss the way the traditional concept of formal party organizations gave way over time to a candidate centered model fueled in part by changes in campaign finance the rise of new communication technologies and fragmentation of the electorate This book is an ideal reference for students and researchers who want to develop a deeper understanding of the current challenges faced by citizens of republican government in the United States **Organizing for Policy Influence** Benjamin Farrer, 2017-08-09 In this book Benjamin Farrer explains how activists can influence the policies they care about even when they are outnumbered and their issues are ignored The solution lies in a surprising place organizational choice Different types of organizations will be more influential under particular democratic institutions If they choose the optimal type of organization given their institutional context then even minority groups can be influential Environmentalists are a key example of how small groups can sometimes punch above their weight Environmentalists in different countries have made different organizational choices These choices explain whether or not they succeeded in influencing policy In the empirical chapters that follow Farrer shows that environmentalists can sometimes be more influential if they form interest groups but under other institutions political parties are the optimal organizational choice Although interest groups are often easier to create national institutions can sometimes insulate mainstream politicians from niche interest groups When institutions deny access to interest groups activists are forced to send the stronger signal of party entry Using a variety of methods including a formal model an experiment and a wealth of empirical data from a variety of settings Farrer proves that this theory of organizational choice adds to our understanding of several crucial phenomena First it helps explain patterns of political participation by showing the importance of instrumental rather than purely expressive motivations for activism Second it provides an important modification to Duverger s 1954 law by showing that

new party entry is a function not only of electoral rules but also of the rules that govern interest groups Third it extends research on the role of institutions in determining policy outputs by showing that policy outcomes are a function of the interaction between organizational choices and institutional context

Managing a Nonprofit Organization Bruce R. Hopkins,2017-07-05 Everything you need to start and manage a non profit Starting and Managing a Nonprofit Organization is written to help anyone who s just getting their toes wet in the sector get up to speed on the critical information needed to protect their nonprofit s tax exempt status and avoid the many legal traps out there that you probably didn t know exist Packed with checklists and step by step guidance Starting and Managing a Nonprofit Organization demystifies intricate legal issues with plain English language explanations for non legal professionals of the statutes regulations court opinions and other rules comprising nonprofit law Nonprofits must comply with stringent federal and state laws due to their special exempt status the government s ultimate threat is revocation of a nonprofit s tax exempt status which usually means the nonprofit s demise Written in plain English not legalese this all important guide provides essential guidance for those interested in starting nonprofits as well as valuable advice for leaders of established organizations Covers all aspects of federal and state nonprofit law Discusses significant contemporary issues including commerciality private benefit governance and unrelated business Provides summaries of current IRS ruling policies Includes procedures and a glossary of legal terms for fail safe compliance Written by the country s legal leading authority on tax exempt organizations Starting and Managing a Nonprofit Organization is the reference you ll want to keep close by as you navigate your way through the world of nonprofit and the law

The Proscription of Terrorist Organisations Lee Jarvis,Tim Legrand,2020-06-29 Powers to outlaw or proscribe terrorist organisations have become cornerstones of global counter terrorism regimes In this comprehensive volume an international group of leading scholars reflect on the array of proscription regimes found around the world using a range of methodological theoretical and disciplinary perspectives from Political Science International Relations Law Sociology and Criminology These perspectives consider how domestic political and legal institutions intersect with and transform the use of proscription in countering terrorism and beyond The chapters advance a range of critical perspectives on proscription laws processes and outcomes drawing from a global range of cases including Australia Canada the EU Spain Sri Lanka Turkey the UK and the USA Using single and comparative cases the authors emphasise the impacts of proscription on freedoms of speech and association dissent political action and reconciliation The chapters demonstrate the manifold consequences for diasporas and minorities especially those communities linked to struggles overseas against oppressive regimes and stress the significance of language and other symbolic practices in the justification and extension of proscription powers The volume concludes with an in depth interview

on the blacklisting of terror groups with the former U S Director of National Intelligence James Clapper This book was originally published as a special issue of the journal Terrorism and Political Violence

The Civic Organization and the Digital Citizen Chris Wells, 2015-06-16 The powerful potential of digital media to engage citizens in political actions has now crossed our news screens many times But scholarly focus has tended to be on networked anti institutional forms of collective action to the neglect of advocacy and service organizations This book investigates the changing fortunes of the citizen civil society relationship by exploring how social changes and innovations in communication technology are transforming the information expectations and preferences of many citizens especially young citizens In doing so it is the first work to bring together theories of civic identity change with research on civic organizations Specifically it argues that a shift in information styles may help to explain the disjuncture felt by many young people when it comes to institutional participation and politics The book theorizes two paradigms of information style a dutiful style which was rooted in the society communication system and citizen norms of the modern era and an actualizing style which constitutes the set of information practices and expectations of the young citizens of late modernity for whom interactive digital media are the norm Hypothesizing that civil society institutions have difficulty adapting to the norms and practices of the actualizing information style two empirical studies apply the dutiful actualizing framework to innovative content analyses of organizations online communications on their websites and through Facebook Results demonstrate that with intriguing exceptions most major civil society organizations use digital media more in line with dutiful information norms than actualizing ones they tend to broadcast strategic messages to an audience of receivers rather than encouraging participation or exchange among an active set of participants The book concludes with a discussion of the tensions inherent in bureaucratic organizations trying to adapt to an actualizing information style and recommendations for how they may more successfully do so

1977 Census of Service Industries: Subject statistics , 1981

The Oxford Handbook of American Political Parties and Interest Groups L. Sandy Maisel, Jeffrey M. Political Organizations Introduction

In today's digital age, the availability of Political Organizations books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Political Organizations books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Political Organizations books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Political Organizations versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Political Organizations books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Political Organizations books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Political Organizations books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Political Organizations books and manuals for download have transformed the way we access information. They provide a

cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Political Organizations books and manuals for download and embark on your journey of knowledge?

FAQs About Political Organizations Books

1. Where can I buy Political Organizations books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Political Organizations book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Political Organizations books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Political Organizations audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Political Organizations books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
