Political Organizations In Socialist Yugoslavia:

Political Organizations in Socialist Yugoslavia Jim Seroka, Radoš Smiljković, 1986 **Conflict and Cohesion in Socialist Yugoslavia** Steven L. Burg, 2014-07-14 Steven L. Burg views Yugoslav politics since 1966 in terms of the communist leadership's efforts to preserve political cohesion in the face of powerfully divisive domestic conflicts. He examines the bases of those conflicts, their suppression with the establishment of communist power, and their reemergence and escalation into crisis during the late 1960s and early 1970s, a period when the conflict between hostile nationalisms reinforced by regional economic differences directly challenged communist power. Originally published in 1983, The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Voices of Yugoslav Jewry Paul Benjamin Gordiejew, 2012-02-01 *Voices of Yugoslav Jewry* emphasizes the role of history in shaping Yugoslav Jewish identity. World War II imposed irreversible effects on this population of Jews, leaving them with an acute sense of disjuncture and fragmentation. This once unified Jewish community lost its secure place in the politico-symbolic order of a single multiethnic state, and the surviving local Jewish communities, which are now a part of new states, face the task of refashioning their identities once again. The process of creating the new Yugoslavia has allowed for the emergence of a new Jewish collective voice, one that blended harmoniously with the emerging voice of Tito. This collective voice manifested itself by using language, material culture, and dramaturgical performances in ways that exhibited high public integration with the symbolic order of the new state. In searching for the voices of individuals and listening to them closely, a wide range of diverse individual experiences and ways of constructing meaningful Jewish selves can be heard. It is these voices that constitute the core of the book.

The Institutions of Advanced Societies Arnold M. Rose, 1958

Yugoslav Communism United States. Congress. Senate. Committee on the Judiciary. Subcommittee to Investigate the Administration of the Internal Security Act and Other Internal Security Laws, 1961 *Area Handbook for Yugoslavia* Gordon C. McDonald, 1973 General study of Yugoslavia covers the historical setting, geographical aspects, the social structure and living conditions, ethnic groups, the political system, and the economic structure, culture, and education, agriculture, industry, trade, foreign policy, and defence, etc. Bibliography pp 553 to 630, glossary, maps, and statistical tables.

Nations and Citizens in Yugoslavia and the Post-Yugoslav States Igor Štiks, 2015-07-30 Between 1914 and the present day, the political makeup of the Balkans has relentlessly changed following unpredictable shifts of international and internal borders. Between and across these borders, various political communities were formed, co-existed, and disintegrated. By analysing one hundred years of modern citizenship in Yugoslavia and post-Yugoslav states, Igor Štiks shows that the concept and practice of citizenship is

necessary to understand how political communities are made un made and re made He argues that modern citizenship is a tool that can be used for different and opposing goals from integration and re unification to fragmentation and ethnic engineering The study of citizenship in the laboratory of the Balkands offers not only an original angle to narrate an alternative political history but also an insight into the fine mechanics and repeating glitches of modern politics applicable to multinational states in the European Union and beyond

Politics and Economic Policy in Yugoslavia, 1918-1929 Alan Fogelquist, 2011 This study based on the author s doctoral dissertation at UCLA examines Yugoslav economic policy from 1918 to 1929 how it was made and how it was affected by political developments of the time It studies the activities of Yugoslavia s regional political and business elites political groups and corporations their reactions to Yugoslav economic policy and their efforts to influence it The study contains a detailed analysis of party politics and the manner in which the political process affected economic policy The study uncovers and explains relationships between state elite class national confessional groups and territorial regions in the determination of social and economic policy in the Kingdom of Serbs Croats and Slovenes later renamed Yugoslavia and the relationship between these groups and the Yugoslav state
