Preaching The Cross:

Stumbling over the Cross Joni S. Sancken, 2016-04-21 It has never been easy to preach about the cross and resurrection of Jesus but difficulties today are particularly challenging Hearers ask tough questions of the church and the Christian faith and they are not satisfied by formulaic answers People are often suspicious of doctrine and are attracted to a broad but vague or pluralistic spirituality rather than the classical claims of Christianity In this climate preachers often see preaching on the central events of the Christian story the crucifixion and resurrection as more of a problem than a possibility more of a burden than a joy They wonder not only how to preach the old old story of cross and resurrection but whether they should preach these themes at all This book addresses these concerns and shows preachers how to preach the cross and resurrection in fresh culturally relevant ways that deepen Christian discipleship Each chapter shows the relevance of preaching the cross for addressing a particular congregational concern What has ironically become a stumbling block in the pulpit the stone that preachers often reject preaching on the cross and resurrection of Jesus can serve as the cornerstone for building up the congregation for discipleship in our world

The Apostolic Preaching of the Cross Leon Morris, 1965 To understand the significant terms used in New Testament teaching about Christ's death for example redemption covenant propitiation justification Morris sets these words against the background of the Greek Old Testament the papyri and the Rabbinic writings as a basis for an examination of them in their New Testament setting

The Cross and Christian Ministry D. A. Carson, 2004-02-01 In this exposition of 1 Corinthians D A Carson presents a comprehensive view of what the death of Christ means in preaching and ministering to God's people He explains the key biblical principles for dynamic cross centered ministry and how to put the cross at the center of Christian life

The Messenger of the Cross Watchman

Nee, 1980-12-01 Watchman Nee's thesis in this book is that Christ came to mankind by way of the cross and only by this same way can we know Him At the source of all spiritual things he says stands the cross

The Cross Martyn

Lloyd-Jones, 1986-02-01 Ever since his first sermon in 1925 Martyn Lloyd Jones consistently emphasized the significance of Christ's sacrifice for our sake This new collection of sermons reveals this theme in Lloyd Jones classic expository style showing his gift for combining a warm personal devotion to Jesus Christ with deep theological insight His grasp of Scripture still causes the maturest believer to ponder yet he brings a simplicity of thought to his preaching that even a child can understand and enjoy The Cross explains how Christ's crucifixion works for our redemption and why this even is the cornerstone of the Christian life

Let the Gospels Preach the Gospel Christopher J. H. Wright, 2017-01-14 Preaching

about the cross of Christ is one of the greatest privileges and responsibilities any preacher can have The four Gospel writers who wrote about the cross of Christ and the events leading up to it did so in their own unique way Each interpreting the events through the lens of different Old Testament Scriptures and each emphasising different themes Based on his own sermons preached over a number of years at All Souls Church in London Christopher Wright explores the rich variety and

lets the four Gospels preach the Gospel in their own way This is an excellent resource for preachers which is further enriched by the final chapter that provides a personal commentary on how Wright prepared each of the sermons Preaching the Cross Mark Dever,2007 **Get Preaching: Preaching the Cross** Nigel Styles,2019 Why it is important to preach the cross Helpful suggestions for putting it into practise Part of the Get Preaching series **A Sermon of Christ Crucified** John Foxe,1759 A Cross-Shattered Church Stanley Hauerwas,2009-07-01 In this work eminent theologian Stanley Hauerwas shows how the sermon is the best context for doing good theology He writes I am convinced that the recovery of the sermon as the context for theological reflection is crucial if Christians are to negotiate the world in which we find ourselves The book includes seventeen sermons preached by Hauerwas which he considers his best theological work and hopes exemplify the work of theology The sermons are divided into four sections seeing saying living and events Titles range from Believing Is Seeing and Was It Fitting for Jesus to Die on a Cross to Only Fear Can Drive Out Fear and To Be Made Human Each sermon includes where and when it was preached and references relevant Scripture passages EXCERPT I have increasingly come to the recognition that one of the most satisfying contexts for doing the work of theology is in sermons That should not be surprising because throughout Christian history at least until recently the sermon was one of the primary places in which the work of theology was done For the work of theology is first and foremost to exposit scripture That modern theology has become less and less scriptural that modern theology has often tried to appear as a form of philosophy is but an indication of its alienation from its proper work I am therefore making these sermons available because I think they are not only my best theological work but because I hope they exemplify the work of theology *The Attraction of the Cross. A Sermon Preached Before the London Missionary Society ... Second Edition, with an Appendix* John Angell James,1819 *The Preaching of the Cross* Pedro Montoya,2019-11-25 The Preaching of the Cross is a pastoral study material based on the text of chapter six of the Epistle to the Hebrews The writer exposes in his dialogue with the recipients of the epistle the content of the doctrinal themes that they received from the beginning of their conversion and by the way that the writer exposes them in relation to their spiritual growth and maturity we note that these doctrinal themes were in their time the doctrinal ensemble of what eventually became known as the doctrine of the apostles The preaching of the Cross is the main message of the Gospel of the Kingdom of Heaven preached from the time when John the Baptist began to preach until the resurrection of Jesus when the cycle of the work of redemption for humanity was closed Thus then the preaching of the Cross became the collection of the basic doctrines of Salvation and Eternal Life The Preaching of the Cross was widely known among the residents of Jerusalem Judea and even Samaria as the Gospel of the Kingdom however within the Gentile communities it received the proper name of the Preaching of the Cross classified as foolishness of course due to the fact that it did not appeal to the philosophical reason to which all those who inhabited the Hellenized regions were accustomed Paul the apostle of the Gentiles leaves ample evidence of this when he writes his first epistle to the community of faith in Corinth For Christ sent me not to baptize

but to preach the gospel not with wisdom of words lest the cross of Christ should be made of none effect 18For the preaching of the cross is to them that perish foolishness but unto us which are saved it is the power of God 1st Corinthians 1 17 18But although with a different name between the two groups the doctrinal content was always the same The doctrinal themes that formed part of the doctrine of the apostles as recounted in the Epistle to the Hebrews are the following The doctrine of Christ or the word of the beginning We go on to perfection Not laying again the foundation of repentance from dead works And faith in God Of the doctrine of baptisms And the laying on of hands And the resurrection of the dead And eternal judgment Although the preaching of the cross gathered all the doctrinal set of the doctrine of the apostles it was never considered as scholarly material of teaching the apostle Paul establishes it as the living doctrinal body of life in Christ and defines it as the power of God For the preaching of the cross is to them that perish foolishness but unto us which are saved it is the power of God 1st Corinthians 1 18In the account of the book of Acts of the Apostles it is even defined as the counsel of God For I have not shunned to declare unto you all the counsel of God Acts 20 27The Preaching of the cross is the super eminent greatness of His power for us who believe it is the power of His strength that dwells in us And what is the exceeding greatness of his power to us ward who believe according to the working of his mighty power Ephesians 1 19Thus more than a pastoral study material The Preaching of the Cross is an introductory material to the themes of salvation as preached in the early years of the founding of the Church a material to know the fundamentals of the Gospel of the Kingdom and the hope of our salvation by faith

Dying to Preach Steven W. Smith, 2009 A fresh approach to the theology of preaching that will inspire every pastor

The Cross of Christ Andrew Murray, 2017-09-05 Andrew Murray relates in this work the importance of the cross to Christian belief and to the lessons which Jesus Christ wanted to teach all of mankind Although demonstratively brief Murray's explanations contain a conviction and poignancy explaining the centrality and vitality of the crucifix to the Christian faith The crucifixion's importance in Christ's message and destiny and the reasons behind why his spirit was led to a painful end upon the cross are keenly discussed by Murray He delivers explanations of the cross as a symbol of Christian attainment wherein God takes possession of the human soul and frees it from sin for eternity Andrew Murray authored 200 works on the religion and ministry of Christianity the Bible and on topics inspiring Christians to lead virtuous and happy lives Murray spent most of his life imparting the word of God in churches throughout South Africa and in the 1880s became an important figure in the founding of the South African General Mission

The Attraction of the Cross Gardiner Spring, 1846

The Preaching of the Cross When? Jose E. Hernandez, 2012-07-01 The author was saved in July 1977 and introduced to systematic Scripture centered Bible study a year later After studying the works of a multitude of writers for the next several years the author began teaching home Bible studies in 1981 and has continued to the present The author is an engineer by trade All members of the Body of Christ know that today's gospel centers around the preaching of the cross 1Cor 1 18 However knowing WHEN God revealed it to mankind is a powerful remedy for the confusion that has gripped the Church Imagine

coming across passages that warn against blaspheming the Holy Spirit Mt 12 31 that admonish to forgive in order to be forgiven Mt 6 14 15 or that place the Jews as FIRST to be filled Mark 7 27 and being able to simply and in a straightforward manner reconcile such truths with today's gospel without resorting to religious doubletalk Understanding the WHEN component of the good news of the cross makes the Bible significantly easier to understand and removes the complexity so long associated with the Scriptures We want simple explanations and straightforward answers I'm reminded of the brother who finally demanded Do I or don't I have to forgive my brother's sins to be forgiven which is it While this book is nowhere exhaustive it will assure the believer that God's word is understandable and clearly within his comprehension no matter what his education may be God honors faith and those who seek Him The author can be reached at savedbygracesa@gmail.com

The Cross of Christ Henry Bidleman Bascom, 1851 *The Cross: Crucified with Christ, and Christ Alive in Me* J. C. Ryle, 2019-11-01 I am crucified with Christ nevertheless I live yet not I but Christ lives in me and the life which I now live in the flesh I live by the faith of the Son of God who loved me and gave himself for me Galatians 2 20 I want to tell you what perhaps the greatest Christian who ever lived the Apostle Paul thought of the cross of Christ Believe me the cross is one of deepest importance This is no mere question of controversy this is not one of those points on which men may agree to differ and feel that differences will not shut them out of heaven A man must be right on this subject or he is lost forever Heaven or hell happiness or misery life or death blessing or cursing in the last day all hinges on the answer to this question What do you think about the cross of Christ Let me show you 1 What the apostle Paul did not glory in 2 What Paul did glory in 3 Why all Christians should think and feel about the cross like Paul **The Preaching of the Cross, and Other Sermons** Thomas J. Crawford, 2024-06-07 Reprint of the original first published in 1876 Preacher and Cross André Resner, 1999 Numerous books are available on the meaning and methods of preaching but nothing has been written that specifically addresses the character of those who would preach Preacher and Cross helps fill this gap in homiletic studies by examining the relationship between the message of Christian proclamation and the preacher with specific attention to ministerial character and the preacher's use of self in sermons André Resner discusses the two dominant approaches to homiletics the rhetorical approach typified by Augustine and the theological approach typified by Barth and then compares and contrasts these approaches to what the apostle Paul says on the issue Essential reading for those involved in ministry this work offers invaluable insights into the relationship between preachers and the message they proclaim
