Rock Star Superstar:

Rock Star, Superstar Blake Nelson, 2004-01 Rock Star Superstar Blake Nelson, 2006-04 When Pete a talented bass player moves from playing in the high school jazz band to playing in a popular rock group he finds the experience exhilarating even as his new fame jeopardizes his relationship with girlfriend Margaret Comrade Rockstar Reggie Nadelson, 2009-05-26 Dean Reed had one of the strangest careers in the history of popular culture Failing to gain recognition for his music in his native United States he achieved celebrity in South America in the early 1960s and then unbelievably became the biggest rock star in the Soviet Union where he was awarded the Lenin Prize and his icons were sold alongside those of Josef Stalin His albums went gold from Bulgaria to Berlin He made highly successful movies and naively earnest was an unwitting acolyte for socialism everywhere he went he was mobbed by his fans And then in 1986 at the height of his fame right after 60 Minutes had devoted a segment to him finally giving him the recognition he had never attained at home he drowned in mysterious circumstances in East Berlin Drawn magnetically to his story Reggie Nadelson pursued the mystery of Dean Reed s life and death across America and Eastern Europe her own journey mirroring his As she traveled the Berlin Wall came down the Soviet Union crumbled and Reed became an increasingly alluring figure his life an unrepeatable tale of the Cold War world Encountering the characters musicians and DJs politicians and public figures lovers and wives who peopled Reed s life Nadelson was drawn further and further into a seedy often hilarious subculture of sex politics and rock n roll Part biography part memoir and personal journey Comrade Rockstar is an unforgettable chronicle of an utterly improbable life

The Football Men Simon Kuper, 2011-05-12 The great footballers and coaches are rarely glimpsed from up close They shield themselves from the tabloids hide their personalities behind professionalism and in the words of the cliché do their talking on the pitch This book gets up close to them The Football Men is not a series of celebrity profiles and it doesn t attempt to unearth secrets in the players private lives Rather it portrays these men as three dimensional human beings It describes their upbringings the football cultures they grew up in the way they play and the baggage that they bring to their relationships at work This multimillion pound multinational world is mostly inhabited by ordinary men The profiles in this book are sometimes funny but never breathless or sensational Some of the profiles in this book are based on interviews others are the results of time the author spent with that person sometimes the profile is a story of a country All are fascinating and shed light on their subject to reveal things you wouldn t expect From one of the great sports writers of our time this is a penetrating and surprising collection of articles on the figures that have defined the modern sporting world

Storky D. L.
