Santas Gift:

Santa's Birthday Gift Sherrill S. Cannon, 2009-11 A book that ties two holiday traditions into one inspirational tale of wonder as Santa brings gifts to baby Jesus **Santa's Gift** Onne Andrews, 2025-11-28 Sandra Nicholas finds running the family business a little lonely especially when she's horny as hell and her only options at the North Pole are reindeer and elves When global warming forces her to move the family toy manufacturing operation she needs the help of a human industrial engineer Sexy Scott Bowman fits the bill but can she keep her hands off him long enough to save Christmas

Bad Santas Paul Hawkins, 2013 *Bad Santas* is not a book for children Here you will find the bloody the bawdy and the downright bizarre in a celebration of the most imaginative macabre and curious Christmas figures and customs from across Europe Drawing on that continent's legacy of disquieting folk tales told at wintertime Paul Hawkins gleefully dark exploration of seasonal folklore is the perfect book for reading around the fireside **Santa Claus** Letlhokwa George Mpedi, 2020-11-30 The origins of Santa Claus or so I am told is that the young Bishop Nicholas secretly delivered three bags of gold as dowries for three young girls to their indebted father to save them from a life of prostitution Armed with immortality a factory of elves and a fleet of reindeer his has been a lasting legacy inextricably linked to Christmas Of course this Christmas looks a little different Amidst a global pandemic shimmying down the chimneys of strangers certainly does not adhere to social distancing guidelines Some borders remain closed and in some instances the quarantine period is far too long After all he only has 24 hours to spread cheer across the world As with the rest of us Santa Claus is likely to get the remote working treatment The reindeers this year are likely to be self driving reminiscent of an Amazon swarm of technology and the naughty and nice lists are likely to be based on algorithms derived from social media accounts In the age of the fourth industrial revolution it is difficult to imagine that letters suffice anymore How many posts were verified as real before shared Enough to get you a drone Fake news Here is a lump of coal Will we see elves in personal protective equipment PPE and will Santa Claus high risk because of age and his likely comorbidities from the copious amount of cookies have to self isolate in the North Pole In fact will there be any toys at all this year Surely production has been stalled with the restrictions on imports and exports into the North Pole Perhaps there is a view to outsourcing or perhaps there is a shift towards local production and supply chains More importantly as we have done in many instances in this period maybe we should pause to reflect on the current structures in place The sanctification of a figure so clearly dismissive of the Global South and to be critical quite classist must be called into question From some of the keenest minds the contributions in this book make a strong case against this holly jolly man We traverse important topics such as is the constitution too lenient with a clear intruder who has conveniently branded himself a Good Samaritan Allegations of child labour under the guise of elves blatant animal cruelty constant surveillance in stark contrast to many democratic ideals and his possible threat to national security come to the fore Nevertheless as the song goes he is aware when you are asleep and he knows when you are awake Is

feminism a farce to this beloved man what role does Mrs Claus play and why are there inherent gender norms in his toys Then is the worry of closed borders and just how accurate his COVID 19 tests are Of course this brings his ethics into question While there is an agreement that transparency justice and fairness nonmaleficence responsibility and privacy are the core ethical principles the meaning of these principles differs particularly across countries and cultures Why are we subject to Santa Claus notions of good and evil when he is so far removed from our context As Richard Thaler and Cass Sunstein would tell you this is fundamentally a nudge from Santa Claus for children to fit into his ideals A nudge coined by Thaler is a choice that predictably changes people s behaviour without forbidding any options or substantially changing their economic incentives Even with pinched cheeks and an air of holiday cheer Santa Claus has to come under scrutiny In the process of decolonising knowledge and looking at various epistemologies does Santa still make the cut Santa Claus Worldwide Tom A. Jerman,2020-05-01 This is a comprehensive history of the world s midwinter gift givers showcasing the extreme diversity in their depictions as well as the many traits and functions these characters share It tracks the evolution of these figures from the tribal priests who presided over winter solstice celebrations thousands of years before the birth of Christ to Christian notables like St Martin and St Nicholas to a variety of secular figures who emerged throughout Europe following the Protestant Reformation Finally it explains how the popularity of a poem about a miniature sleigh and eight tiny reindeer helped consolidate the diverse European gift givers into an enduring tradition in which American children awake early on Christmas morning to see what Santa brought Although the names appearance attire and gift giving practices of the world s winter solstice gift givers differ greatly they are all recognizable as Santa the personification of the Christmas and Midwinter festivals Despite efforts to eliminate him by groups as diverse as the Puritans of seventeenth century New England the Communist Party of the twentieth century Soviet Union and the government of Nazi Germany Santa has survived and prospered becoming one of the best known and most beloved figures in the world **HumanKind** Brad Aronson,2020-04-14 An elegant wise book of love in action Deepak Chopra These stories will inspire you Gabrielle Bernstein 1 New York Times bestselling author of The Universe Has Your Back HumanKind is the heartwarming feel good book that we all need right now Brad Aronson s life changed in an instant when his wife Mia was diagnosed with leukemia After her diagnosis Brad spent most of the next two and a half years either by her side as she received treatment or trying to shield their five year old son Jack from the worst of Mia s illness Amid the stress and despair of waiting for the treatment to work Brad and Mia were met by an outpouring of kindness from friends family and even complete strangers Inspired by the many demonstrations of humankindness that supported their family through Mia s recovery Brad began writing about the people who rescued his family from that dark time often with the smallest of gestures But he didn t stop there Knowing that simple acts of kindness transform lives across the globe every day he sought out these stories and shares some of the best ones here In HumanKind you ll meet the mentor who changed a child s life with a single lesson in shoe tying the six year old who launched a global

Confectionery and Ice Cream World ,1947 Spy ,1986-12 Smart Funny Fearless It s pretty safe to say that Spy was the most influential magazine of the 1980s It might have remade New York s cultural landscape it definitely changed the whole tone of magazine journalism It was cruel brilliant beautifully written and perfectly designed and feared by all There s no magazine I know of that s so continually referenced held up as a benchmark and whose demise is so lamented Dave Eggers It s a piece of garbage Donald Trump Santa Claus, Last of the Wild Men Phyllis Siefker,2006-12-11 Much of the modern day vision of Santa Claus is owed to the Clement Moore poem The Night Before Christmas His description of Saint Nicholas personified the jolly old elf known to millions of children throughout the world However far from being the offshoot of Saint Nicholas of Turkey Santa Claus is the last of a long line of what scholars call Wild Men who were worshipped in

ancient European fertility rites and came to America through Pennsylvania's Germans. This pagan creature is described from prehistoric times through his various forms: Robin Hood, The Fool, Harlequin, Satan, and Robin Goodfellow, into today's carnival and Christmas scenes. In this thoroughly researched work, the origins of Santa Claus are found to stretch back over 50,000 years, jolting the foundation of Christian myths about the jolly old elf.

SANTA CLAUS SURVIVAL MANUAL Alexandre Tower, 2024-11-04. Preface: Welcome to the wild, wonderful, and occasionally downright chaotic world of Christmas, where gift wrap shines brighter than stars and panettone seems to have a mind of its own. This book, *Santa's Survival Guide: How to Stay Sane Through the Christmas Craze*, is your go-to guide for navigating the holiday labyrinth with a smile and maybe a touch of sarcasm. A Comedic Journey: Are you ready to dive into the many faces of Christmas? From the fine art of dodging mile-long lines in stores to the epic quest for last-minute perfect gifts, right down to figuring out how to recycle that painfully ugly sweater from Aunt Judy, each chapter is a hilarious adventure shining a light on the absurd side of a holiday that leaves us all a little wide-eyed. Christmas: A Collective Adventure. Christmas is that rare collective experience, a time when families gather, kids glow with joy, and grown-ups tackle gift lists, traditions, and a fair amount of holiday anxiety. Every year, cities dazzle with festive lights, store windows overflow with the most unlikely of objects, and houses morph into forts of decorations. But behind the tinsel and twinkling lights, let's be real: Christmas can feel like a real survival challenge. Comedic Chaos: The beauty of Christmas is all in the chaos. From the mad dash for that last discounted panettone to the gladiator-style shopping battles in malls, Christmas is the stage for endless hilarious scenes. Every chapter of this book opens a window into these comedic experiences, inviting you to laugh off the holiday mishaps we've all survived. Because no matter how hard you plan, there's always some surprise lurking around the corner, whether it'll make you chuckle or shiver.

Heart Thoughts Boots Brizendine, 2017-07-21. *Heart Thoughts* is a daily devotional meant to be read each day, inspiring the reader to meditate on the message as God speaks to their heart, then apply what God says to their life. Some devotions are funny, some are sad, some are current culture, but all come from the heart.

The Santa Claus Chronicles Dan Short, 2019-10-01. *Santa Dan's Stories Will Soothe Your Soul*. Thirty years ago, Dan Short left the corporate world to follow a calling to give the gift of God's love to children and adults alike. How did he do it? By becoming Santa Claus, of course. These are Santa Dan's tales of hope and humor collected from his three decades of playing Jolly Old Saint Nick. And as you might have guessed, Santa has his share of stories to tell: some tearful, some joyful, and all of them filled with heartwarming Christmas spirit. You'll meet some of the unforgettable people Santa Dan has encountered: Anna, a young cancer patient whose fulfillment of her dying wish becomes a life-changing experience for those around her; Rose, an elderly woman with a longstanding grudge against Saint Nick; Terry, a precocious boy with more moxie than clothing; Front Yard Santa, a neighborhood icon whose passing prompts a poignant gesture from a fellow Santa; Faith, Hope, and Grace, three enterprising young girls whose overwhelming generosity befits their virtuous names; and you'll be inspired to share the joy of Jesus with those around you.

Santa Claus Gerry

Bowler,2011-07-27 An entertaining often surprising look at the life of the world s most influential fictional character He is the embodiment of charity and generosity a creation of mythology a tool of clever capitalists The very idea of him is enduring and powerful Santa Claus was born in early nineteenth century America but his family tree goes back seven hundred years to Saint Nicholas patron saint of children Intervening generations were shaggy and strange whip wielding menaces to naughty boys and girls Yet as the raucous outdoor alcohol fuelled holiday gave way to a more domestic sentimental model a new kind of gift bringer was called for a loveable elf still judgmental but far less threatening In this engaging social and cultural history Gerry Bowler examines the place of Santa Claus in history literature advertising and art He traces his metamorphosis from a beardless youth into a red suited peddler He reveals the lesser known aspects of the gift bringer s life Santa s involvement with social and political causes of all stripes he enlisted on the Union side in the American Civil War his starring role in the movies and as adman for gun makers and insurance companies And he demolishes the myths surrounding Santa Claus and Coca Cola Santa Claus A Biography will stand as the classic work on the long lived and multifarious Mr Claus
