It's Not Too Late Joyce Stanley, 2018-07-18 Broken relationships are everywhere If you're not in one you certainly know someone who is Most people don't know where their relationship problems started let alone how to fix them It's Not Too Late provides biblical answers but it does so through story the story of a marriage that dies and is later restored Sara and Nick seemed like the perfect couple college sweethearts a beautiful wedding good jobs and twins a boy and a girl An unplanned pregnancy and then a miscarriage of their child tests their idyllic marriage Compounding this Nick's job necessitates uprooting and moving from one city to another more times than Sara and the twins can count Resentment builds within the family and Sara and Nick head for divorce Sara embarks on a journey to find help for her and her family and discovers buried emotions tied to never divulged events She brings her nightmare out of the shadows and we begin to understand how she can rise above it Can God really help her and her family let go of the past and forgive Readers will see themselves in this story and will be transformed by walking with the characters through their process of spiritual change This book shows the reader how to change not through dry instruction but through vivid stories of characters whose lives are healed by God Joyce Stanley has been a spiritual mentor to me for over fifteen years The Lord brought her into my life to teach me the truths that are found in her book It's Not Too Late What a joy to know that others will be set free by the same biblical principles This is a must read for everyone Laura Seifert Founder and Leader Yes Ministries
