Not very long after this, a very exciting thing happened. Not only Sara but the entire school found it exciting and made it the chief subject of conversation for weeks after it occurred. In one of his letters, Captain Crewe told a most interesting story. A friend who had been at school with him when he was a boy had unexpectedly come to see him in India. A Little Princess: Being the Whole Story of Sara Crewe, Now Told for the First Time (Classic Reprint) Frances Hodgson Burnett, 2015-07-04. Excerpt from *A Little Princess: Being the Whole Story of Sara Crewe, Now Told for the First Time*. I do not know whether many people realize how much more than is ever written there really is in a story; how many parts of it are never told; how much more really happened than there is in the book one holds in one's hand and pores over. Stories are something like letters. When a letter is written, how often one remembers things omitted and says, "Ah, why did I not tell them that?" In writing a book, one relates all that one remembers at the time, and if one told all that really happened, perhaps the book would never end. Between the lines of every story, there is another story, and that is one that is never heard and can only be guessed at by the people who are good at guessing. The person who writes the story may never know all of it, but sometimes he does, and wishes he had the chance to begin again. When I wrote the story of Sara Crewe, I guessed that a great deal more had happened at Miss Minchin's than I had had time to find out.
