Sarah A Heroine Of The Old Testament:

Sarah Marek Halter, 2010-03-24 People may know that Abraham the great Patriarch of the Old Testament was the first man to spread God's word. But how many know of his wife Sarah? How she was born into a wealthy and powerful family in the Sumerian city of Ur. Or how at the age of twelve escaping her own wedding ceremony she ran to the banks of the Euphrates river and into the arms of a young stranger camped on the outskirts of the city. His name was Abraham and although he was a member of a poor nomadic tribe their encounter that night was enough to convince Sarah that their future lay together. And so Sarah abandoned everything wealth family and status to follow Abraham and his alien God a God of whom no one had ever heard a God who was invisible and who appeared to communicate solely through her husband a God who one day would command Abraham to kill their beloved son in his name and before whom Sarah would beg for mercy. Set against the epic backdrop of the Sumerian cities of Ur and Babylon four thousand years ago and in the arid wastelands of the Arabian desert Marek Halter brings an ancient world vividly to life through the eyes of a beautiful and passionate woman. **But Where is the Lamb?** James Goodman, 2013-09-10 I didn't think he'd do it I really didn't think he would I thought he'd say whoa hold on wait a minute We made a deal remember the land the blessing the nation the descendants as numerous as the sands on the shore and the stars in the sky So begins James Goodman's original and urgent encounter with one of the most compelling and resonant stories ever told God's command to Abraham to sacrifice his son Isaac. A mere nineteen lines in the book of Genesis it rests at the heart of the history literature theology and sacred rituals of Judaism Christianity and Islam. For more than two millennia people throughout the world have grappled with the troubling questions about sacrifice authority obedience and faith to which the story gives rise. Writing from the vantage of a reader a son a Jew a father a skeptic a historian a lover of stories and a writer Goodman gives us an enthralling narrative history that moves from its biblical origins to its place in the cultures and faiths of our time. He introduces us to the commentary of Second Temple sages rabbis and priests of the late antiquity and early Islamic exegetes some of whom imagined that Ishmael was the nearly sacrificed son. He examines Syriac hymns in which Sarah stars Hebrew chronicles of the First Crusade in which Isaac often dies and medieval English mystery plays. He looks at the art of Europe's golden age the philosophy of Kant and Kierkegaard and the panoply of twentieth century interpretation sacred and profane including the work of Bob Dylan Elie Wiesel and A. B. Yehoshua. In illuminating how so many others have understood this story Goodman tells a gripping and provocative story of his own.
