Sarah Kane: Complete Plays Sarah Kane, 2001-01-01 This volume contains the complete collection of Sarah Kane's plays including *Blasted* *Phaedra's Love* *Cleansed* *Crave* *4 48 Psychosis* and *Skin* Sarah Kane Sarah Kane, 2001 **The Complete Plays of Sarah Kane** Sarah Kane, 2001 **Sarah Kane's Theatre of Psychic Life** Leah Sidi, 2023-03-09 Sarah Kane was one of the landmark playwrights of 1990s Britain her influence being felt across UK and European theatre This is the first book to focus exclusively on Kane's unique approach to mind and mental health It offers an important re-evaluation of her oeuvre revealing the relationship between theatre and mind which lies at the heart of her theatrical project Drawing on performance theory psychoanalysis and neuroscience this book argues that Kane's innovations generate a dramaturgy of psychic life which re-shapes the encounter between stage and audience It uses previously unseen archival material and contemporary productions to uncover the mechanics of this innovative theatre practice Through a radically open-ended approach to dramaturgy Kane's works offer urgent insights into mental suffering that take us beyond traditional discourses of empathy and mental health and into a profound rethinking of theatre as a mode of thought As such her theatre can help us to understand debates about mental suffering today **'Love Me Or Kill Me'** Graham Saunders, 2002 *Love Me or Kill Me* is the first study of Sarah Kane the most significant British dramatist in post-war theatre It covers all of Kane's major plays and productions contains hitherto unpublished material and reviews and looks at her continuing influence after her tragic early death Locating the main dramatic sources and features of her work as well as centralizing her place within the new wave of emergent British dramatists in the 1990s Graham Saunders provides an introduction for those familiar and unfamiliar with her work **Sarah Kane's 4.48 Psychosis** Glenn D'Cruz, 2018-02-07 Everything passes Everything perishes Everything palls *4 48 Psychosis* How on earth do you award aesthetic points to a 75 minute suicide note The question comes from a review of *4 48 Psychosis* inaugural production the year after Sarah Kane took her own life but this book explores the ways in which it misses the point Kane's final play is much more than a bizarre farewell to mortality It's a work best understood by approaching it first and foremost as theatre as a singular component in a theatrical assemblage of bodies voices light and energy The play finds an unexpectedly close fit in the established traditions of modern drama and the practices of postdramatic theatre Glenn D'Cruz explores this theatrical angle through a number of exemplary professional and student productions with a focus on the staging of the play by the Belarus Free Theatre 2005 and Melbourne's Red Stitch Theatre 2007 **Revelation or Damnation? Depictions of Violence in Sarah Kane's Theatre** Lea Jasmin Gutscher, 2014-11-01 With her controversial stage art the young playwright Sarah Kane broke new dramaturgic ground and made a lasting impression that changed British drama forever Even though it is part of the canon covering post-war drama Kane's work has often met with misunderstanding and fierce criticism due to the uncountable representations of atrocities How can we make sense of Kane's seemingly crude and bleak theatre Mainly concentrating on the play *Cleansed* the author examines the

nature of violence in Kane's writing What purpose does it serve Is it simply employed for its shock value Or is it rather used as a metaphor Kane herself considered her third full length play as a play about love In suggesting a figurative reading of the late playwright's texts the author shows how Kane embraces violence as a metaphor of the various sufferings both love and life perpetrate upon the human being Locked beneath the revolting cruelties we can find a vivid theatricality powerful images and a unique rhythm and sound of language

Performing Identity and Gender in

Literature, Theatre and the Visual Arts Panayiota Chrysochou, 2017-03-07 This volume presents a compelling range of chapters focusing on the myriad ways in which performance and gender are inextricably bound to identity. It shows how gender performance and identity play themselves out in various ways, contexts and genres in order to illumine the very instability and fluidity of identity as a static category. As such, it is a must read for anyone interested in gender studies, identity politics and literature in general.

Theatre Symposium, Vol. 18: The Prop's The Thing J K Curry, 2010-10-15 Stage properties are an often ignored aspect of theatrical productions in part because their usage is meant to be seamlessly integrated into the performance instead of a focal point for the audience. The contributors illuminate many aspects of this largely ignored yet crucial part of the theatre.

Modern British Playwriting: The 1990s Aleks Sierz, 2014-03-20 British theatre of the 1990s witnessed an explosion of new talent and presented a new sensibility that sent shockwaves through audiences and critics. What produced this change, the context from which the work emerged, the main playwrights and plays, and the influence they had on later work are freshly evaluated in this important new study in the Methuen Drama series. The 1990s volume provides a detailed study by four scholars of the work of four of the major playwrights who emerged and had a significant impact on British theatre: Sarah Kane, Caryl Churchill, Anthony Neilson, and Patricia Reid. Mark Ravenhill, Graham Saunders, and Philip Ridley. Aleks Sierz. Essential for students of Theatre Studies, the series of six decadal volumes provides a critical survey and study of the theatre produced from the 1950s to 2009. Each volume features a critical analysis of the work of four key playwrights, besides other theatre work, together with an extensive commentary on the period. Readers will understand the works in their contexts and be presented with fresh research material and a reassessment from the perspective of the twenty-first century. This is an authoritative and stimulating reassessment of British playwriting in the 1990s.

"Blasted", "Phaedra's Love" and "Cleansed". Reading Love, Faith and Hope in Sarah Kane's Plays Nicole Eismann, 2016-03-30 Seminar paper from the year 2015 in the subject English Language and Literature Studies. Literature grade 2.3 University of Bonn. Institut für Anglistik, Amerikanistik und Keltologie. course: Contemporary British Drama. language: English. abstract: In this paper, Sarah Kane's debut play *Blasted* alongside her proximate plays *Phaedra's Love* and *Cleansed* will be discussed in order to explore the nature of the plays concerning their subject matter. Among these plays, *Phaedra's Love* is the only one that is based on a model and therefore not utterly Kane's content. The story is written loosely after Seneca's version of the *Phaedra* myth in which a tragedy arises because the title character falls in love with her royal stepson. Beyond the thematic discussion, the question whether the subjects Sarah Kane connects her plays with are presented in a positive or negative way will be issued in the paper. If there is love in the plays, in how far is it satisfying for the characters? And does strong faith really promise a hopeful ending? In order to answer these questions, the paper is divided into two parts, starting with a short theory chapter that follows this introduction and provides a brief introduction to contemporary theatre in general. Subsequently, one finds the main part of the paper which consists of three

sub chapters and includes the analysis of each of the named plays A conclusion of the findings will round the paper off

Glancing at Dramatists' Dialogue Ruby Cohn, 2025-09-18 This book examines dramatic dialogue in English language theatre tracing verbal invention across four centuries from Shakespeare and Restoration comedy right up to contemporary English and American theatre Published posthumously this renowned theatre scholar's book considers English dramatic dialogue as exemplified in the verbal invention of particular plays That invention is traced through puns repetitions adroit clichés occasional neologisms malapropisms sound play and more or less recondite allusions In eight chapters Cohn offers close readings of monologue and dialogue in plays by William Shakespeare William Wycherley George Etherege William Congreve Oscar Wilde Samuel Beckett Edward Albee Harold Pinter David Mamet Tom Stoppard Sarah Kane Mark Ravenhill Caryl Churchill Sam Shepard Adrienne Kennedy and Suzan Lori Parks It's a fascinating text written with Cohn's characteristic wit warmth and lucidity and offers both an authoritative introduction to theatre dialogue and a remarkable final addition to Cohn's scholarly legacy

Tragedy and the Witness Fred Parker, 2025-04-15 As he dies Hamlet pleads with Horatio to report me aright tell my story This book deals with the task of bearing witness to anguish atrocity and madness as these are staged in the tragic theatre Focusing on the relationship between the protagonist and the onlooker or witness it explores how the tragic figure often and understandably viewed as alien or culpable or profoundly strange struggles to be understood Centred on Shakespeare its wide ranging approach also introduces works by among others the Greeks Racine Ibsen Pirandello Kafka Beckett and Kane The discussion intersects with trauma studies and with psychoanalytic theory especially around how subjective experience is held by others The challenge of entering into such difficult experience is likened to the offering of hospitality to the foreigner or stranger the challenge of overcoming xenophobia Another large concern is with how tragedy represents madness and how far such states of mind may be shared with an audience particularly through the lens of King Lear Written in an accessible style this book grounds tragedy in matters that resonate in common experience from mental breakdown and our need to be heard to questions around grieving trauma and the ethics of telling someone's story

Madness at the Theatre Femi Oyeboade, 2012-07 Madness at the Theatre studies the theatrical representation of madness from the classical Greek period through to the 21st century Professor Oyeboade charts the portrayal of madness by the world's great playwrights across the centuries and argues that whereas acts of madness are described but unseen in Greek drama Shakespeare brought these behaviours to centre stage In the nineteenth and early twentieth centuries aberrant behaviour was portrayed in domestic settings by Ibsen theatrical madness became a family drama Tennessee Williams and Eugene O'Neill drew on their own families for their explorations of madness and addiction Pinter's masterful use of the ambiguity of language finds strong echoes in the psychiatric clinic Soyinka emphasised the social context the personal malady as reflection of a greater malaise in society Finally Sarah Kane created plays that were the physical embodiment of her inner world This book will be essential reading for anyone interested

in the language of drama the depiction of mental illness and in the wider place of madness as a concept within society

Rethinking Character in Contemporary British Theatre Cristina Delgado-García, 2015-11-13 The category of theatrical character has been swiftly dismissed in the academic reception of no longer dramatic texts and performances However claims on the dissolution of character narrowly demarcate what a subject is and how it may appear This volume unmoors theatre scholarship from the regulatory ideals of liberal humanism stretching the notion of character to encompass and illuminate otherwise unaccounted for subjects aesthetic strategies and political gestures in recent theatre works To this aim contemporary philosophical theories of subjectivation European theatre studies and experimental script led work produced in Britain since the late 1990s are mobilised as discussants on the question of subjectivity Four contemporary playtexts and their performances are examined in depth Sarah Kane's *Crave* and *4 48 Psychosis* Ed Thomas's *Stone City Blue* and Tim Crouch's *ENGLAND* Through these case studies Delgado García demonstrates alternative ways of engaging theoretically with character and elucidating a range of subjective figures beyond identity and individuality Alongside these analyses the book traces a large body of work that has experimented with speech attribution since the early twentieth century This is a timely contribution to contemporary theatre scholarship which demonstrates that character remains a malleable and politically salient notion in which understandings of subjectivity are still being negotiated Metamorphosis - Structures of Cultural Transformations Jürgen Schläeger, 2005
