Woodcock,1987 **The Debba** Avner Mandelman,2010-07-13 Winner of the 2011 Arthur Ellis Award for Best First Crime Novel In Middle East lore the Debba is a mythical Arab hyena that can turn into a man who lures Jewish children away from their families to teach them the language of the beasts To the Arabs he is a heroic national symbol to the Jews he is a terrorist To David Starkman The Debba is a controversial play written by his father the war hero and performed only once in Haifa in 1946 causing a massive riot By 1977 David is living in Canada having renounced his Israeli citizenship and withdrawn from his family haunted by persistent nightmares about his catastrophic turn as a military assassin for Israel Upon learning of his father s gruesome murder he returns to his homeland for what he hopes will be the final time Back in Israel David discovers that his father s will demands he stage the play within forty five days of his death and though he is reluctant to comply the authorities evident relief at his refusal convinces him he must persevere With his father s legacy on the line David is forced to reimmerge himself in a life he thought he d escaped for good The heart stopping climax shows that nothing in Israel is as it appears and not only are the sins of the fathers revisited upon the sons but so are their virtues and the latter are more terrible still Disguised as a breathtaking thriller Avner Mandelman s novel reveals Israel s double soul its inherent paradoxes and its taste for both art and violence The riddle of the Debba the myth the play and the novel is nothing less than the tangled riddle of Israel itself *John Fowles, Magus and Moralist* Peter Wolfe,1976 **Postgenomics** Sarah

Sarah's Journey of Faith Sarah Liu, 2014-03 Life abounds with crises disappointments mundane routines and some very joyful moments Everything that happens has a cause We often don't take time to reflect on purposes or we simply explain events away with simplistic explanations of either good or bad luck Totally unaware of real causes behind life events we easily move on to the next day the next week and the next year In a gentle way Sarah Liu leads the reader on a walk through events from her childhood in China and shows the handprint of God on these vignettes of her life As she reflects on what God accomplished through joys crises disappointments and ordinary family life she invites readers to reflect on their own life experiences to detect the hand of God Her conviction that God selects and covers with grace regardless of man's perceptions runs throughout her stories and provides encouragement and inspiring faith and trust This book provides encouragement for anyone praying for a loved one to come to God but also provides rich inspiration for those with pressing questions about the meaning and purpose of life's crises and disappointments Parents pastors ministers teachers and leaders would be inspired by this devotional written from a genuine passion to explore God's present action in life's daily events
