

SARAH'S LEGACY

A large, antique wooden chest, possibly a trunk or a box, is the central focus of the image. It is constructed from dark, weathered wood and features several horizontal metal bands, likely brass or iron, which are secured with visible rivets. A prominent metal latch is attached to the front edge of the chest. The chest is positioned on a light-colored wooden floor, and the background is dark, creating a dramatic effect. The overall appearance suggests a well-used, historical object.
