Shared Stories, Rival Tellings Robert C. Gregg, 2015-08-05 Judaism Christianity and Islam are considered kindred religions holding ancestral heritages and monotheistic belief in common but there are definitive distinctions between these Abrahamic peoples Shared Stories Rival Tellings explores the early exchanges of Jews Christians and Muslims and argues that their interactions were dominated by debates over the meanings of certain stories sacred to all three communities Robert C Gregg shows how Jewish Christian and Muslim interpreters artists as well as authors developed their unique and particular understandings of narratives present in the two Bibles and the Qur'an Gregg focuses on five stories Cain and Abel Sarah and Hagar Joseph and Potiphar's Wife Jonah and the Whale and Mary the Mother of Jesus As he guides us through the often intentional variations introduced into these shared stories Gregg exposes major issues under contention and the social intellectual forces that contributed to spirited and sometimes combative exchanges among Jews Christians and Muslims Offering deeper insight into these historical moments and their implications for contemporary relations among the three religions Shared Stories Rival Tellings will inspire readers to consider and reconsider the dynamics of traditional and current social religious competition **Books in Print**, 1987 NLT Study Bible Tyndale, Tyndale House Publishers Staff, 2017-04 Ask Seek Knock Receive Find Open For everyone who asks receives Everyone who seeks finds And to everyone who knocks the door will be opened Matthew 7:8 Explore the Scriptures with almost 50 of today's top evangelical scholars including Daniel Block Barry Beitzel Tremper Longman John N Oswalt Grant R Osborne Norman Ericson and many more Every feature in the NLT Study Bible has been created to do more than just impart information Ask questions and the NLT Study Bible gives you both the words and the world of the Bible Seek deeper understanding and find the meaning and significance of Scripture not just facts Knock on the door of God's Word and see what doors are opened to you The New Living Translation makes the message clear The features of the NLT Study Bible bring the world of the Bible to life so that the meaning and significance of its message shine through I enthusiastically recommend the NLT Study Bible for all of my students and to family and friends Dr William H Martyn PhD Professor of Bible Moody Bible Institute Features from nearly 50 of today's most trusted Bible teachers include 300 theme articles identify and explore the major topics and ideas of the Bible 25,000 study and textual notes provide background and deeper explanations of words phrases verses and sections 85 introductory articles set the stage for the Old and New Testament and each major Bible section book and time period including the intertestamental period the time after the apostles and a harmony of the Gospels Each book introduction covers background materials including authorship setting meaning and message of the book an outline recommended resources and more 220
