The Sarcophagus of an Ancient Civilization George Livingston Robinson,1930 *The Sarcophagus of an Ancient Civilization* George Livingston Robinson,2013-10 This is a new release of the original 1930 edition *The Sarcophagus of an Ancient Civilization. Petra, Edom and the Edomites, Etc* George Livingstone ROBINSON,1930 *The Murder of Moses* Rand Flem-Ath,Rose Flem-Ath,2019-06-04 An investigation of how Moses was deceived and murdered by his father in law Reuel Shows how the magician Reuel staged the Burning Bush that spoke to Moses and assumed Moses identity after his murder Explains how early scribes edited the Exodus story to cover Moses assassination and replacement and fabricated Moses origin story Builds upon the Moses research of Goethe Christopher Marlowe and Sigmund Freud who spent the last 40 years of his life obsessed with solving Moses murder The life of Moses the greatest prophet of the Old Testament has always been shrouded in mystery The Bible mentions no witnesses to Moses death no funeral and no indication of his burial place and the story of Exodus paints a very contradictory picture of this man so important to both Judaism and Christianity At times he is depicted as a meek stuttering figure and at others his tyrannical commands and fits of rage terrorize the children of Israel And for the last years of his life he chose to hide behind a veil What is the explanation for these extreme shifts in character Was Moses mentally ill As Rand and Rose Flem Ath reveal the evidence points to something much more sinister Moses was murdered and replaced by an impostor The result of a decade long investigation this book continues and builds upon the research of Goethe Christopher Marlowe and Sigmund Freud who spent the last 40 years of his life obsessed with solving Moses murder and reaches a startling but well evidenced conclusion that Moses was deceived and murdered by his father in law Reuel The authors show how Reuel was a skilled magician trained at Egypt s prestigious House of Life and they reveal his motive He was the son of Esau from whom Jacob stole his birthright the leadership of the Hebrew people a role that Moses was now assuming The authors explain how the magician Reuel used his sophisticated skills of manipulation and illusion to fake the Burning Bush that spoke to Moses as well as conceal his assumption of Moses identity after the murder They reveal how the early scribes of the Old Testament inserted lags of time into the Exodus story to cover Moses assassination and replacement fabricated Moses origin story and changed the location of the Mountain of God from Edom where Reuel was a prince to Sinai Unveiling the enigma of Moses real story and his murder and replacement the Flem Aths dramatically challenge the time line and details of biblical history exposing a cover up at the very origins of Western religion *The Secrets of Ancient Tombs* Federico Puigdevall,2017-12-15 Due to a lack of artifacts certain aspects of ancient life remain mysterious to us Luckily many ancient cultures left behind treasure troves designed to stand the test of time tombs for the most elite among them This exciting volume reveals how archaeologists discovered the tombs of King Tutankhamen Qin Shi Huang the Lord of Sip n and many more Through full color photographs maps and text that answers common questions the book provides a
