## **Saskatchewan The Making Of A University:**

**Saskatchewan, the Making of a University** Arthur Silver Morton,1959      *Saskatchewan* Arthur Silver Morton,1959

**Saskatchewan** ,1959      **Essays on the Early History of Plant Pathology and Mycology in Canada** Ralph Howard Estey,1994 Based on exhaustive research and interviews this is the first referenced history of mycology and plant pathology in Canada It will be of specific interest to plant breeders and pathologists mycologists entomologists horticulturists students of the sciences and historians      **Institutions of Higher Education** Linda Sparks,1990-01-24 This bibliography brings together in one comprehensive volume citations of books dissertations theses and ERIC microfiche relating to the history of specific institutions of higher education worldwide All types of postsecondary institutions two years colleges liberal arts colleges seminaries specialized institutions and universities are included Entries include the following elements when available author editor title place of publication publisher publication date and number of pages Citations from 85 countries are included Entries are by country dependency and territory The United States has been further divided by state Names of institutions are in English References are in the language in which they were written The majority of the citations should be available in a library somewhere in the United States Obscure sources that may be difficult to obtain have been included because they are often the only citation All editions of a title as well as older works are included because of their potential value to a researcher The book should be a part of all college university and large public library collections College of Education faculty members specializing in higher or comparative education will find much of value here      *Supplement 1965 to A Bibliography of Higher Education in Canada / Supplément 1965 de Bibliographie de L'Enseignement Supérieur au Canada* Robin S. Harris,1965-12-15 This Supplement to the 1960 Bibliography by Harris and Tremblay adds some 3 500 entries to the approximately 4 000 listed in the first volume providing a full list of articles books pamphlets and theses bearing on all aspects of higher education in Canada for the period 1959 1963 The organization of the earlier volume has been maintained with slight modifications and some new sections have been added including one devoted to institutions which although they are post secondary do not grant degrees and one which includes plays and novels set wholly or in part in actual or fictitious Canadian universities *Studies in Higher Education in Canada No 3      Publication - Extension Division, University of Saskatchewan* University of Saskatchewan. Extension Division,1925      **Women in Higher Education, 1850-1970** E. Lisa Panayotidis,Paul Stortz,2017-09-19 This edited collection illustrates the way in which women s experiences of academe could be both contextually diverse but historically and culturally similar It looks at both the micro individual women and universities and macro level comparative analyses among regions and countries within regional national trans national and international contexts The contributors integrally advance knowledge about the university in history by exploring the intersections of the lived experiences of women students and professors practices of co education and intellectual and academic cultures They also raise important questions about the complementary and multidirectional

flow and exchange of academic knowledge and information among gender groups across programmes disciplines and universities Historical inquiry and interpretation serve as efficacious ways with which to understand contemporary events and discourses in higher education and more broadly in community and society This book will provide important historical contexts for current debates about the numerical dominance and significance of women in higher education and the tensions embedded in the gendering of specific academic programs and disciplines and university policies missions and mandates

**Saskatchewan History** ,2009      **President's Report - University of Saskatchewan** University of Saskatchewan,1922      The Saskatchewan Year Book ,1928      **The New Buffalo** Blair Stonechild,2006 Post secondary education often referred to as the new buffalo is a contentious but critically important issue for First Nations and the future of Canadian society While First Nations maintain that access to and funding for higher education is an Aboriginal and Treaty right the Canadian government insists that post secondary education is a social program for which they have limited responsibility In *The New Buffalo* Blair Stonechild traces the history of Aboriginal post secondary education policy from its earliest beginnings as a government tool for assimilation and cultural suppression to its development as means of Aboriginal self determination and self government With first hand knowledge and personal experience of the Aboriginal education system Stonechild goes beyond merely analyzing statistics and policy doctrine to reveal the shocking disparity between Aboriginal and Canadian access to education the continued dominance of non Aboriginals over program development and the ongoing struggle for recognition of First Nations run institutions      Handbook of Theory and Practice of Sustainable Development in Higher Education Walter Leal Filho,Ulisses M. Azeiteiro,Fátima Alves,Petra Molthan-Hill,2017-02-24 This Handbook approaches sustainable development in higher education from an integrated perspective addressing the dearth of publications on the subject It offers a unique overview of what universities around the world are doing to implement sustainable development i e via curriculum innovation research activities or practical projects and how their efforts relate to education for sustainable development at the university level The Handbook gathers a wealth of information ideas best practices and lessons learned in the context of executing concrete projects and assesses methodological approaches to integrating the topic of sustainable development in university curricula Lastly it documents and disseminates the veritable treasure trove of practical experience currently available on sustainability in higher education      **The ...
