Satan Strike:

The Satan Ryan E. Stokes, 2019-07-09 Many people today think of Satan as a little red demon with a pointy tail and a pitchfork but this vision of the devil developed over many centuries and would be foreign to the writers of the Old Testament where this figure makes his first appearances The earliest texts that mention the Satan it is always the Satan in the Old Testament portray him as an agent of Yahweh serving as an executioner of evildoers But over the course of time the Satan came to be regarded more as God's enemy than God's agent and was blamed for a host of problems Biblical scholar Ryan E Stokes explains the development of the Satan tradition in the Hebrew scriptures and the writings of early Judaism describing the interpretive and creative processes that transformed an agent of Yahweh into the archenemy of good He explores how the idea of a heavenly Satan figure factored into the problem of evil and received the blame for all that is wrong in the world

Satan's Super Soldiers Barry Blackstone, 2024-04-30 Barry Blackstone has been fascinated with the biblical reference to giants since childhood but only began looking deeper into the subject when he was challenged by a member of his congregation twenty five years ago Over those years Blackstone compiled information on all the named giants and those that slew them men well known like David Joshua and Caleb and those not so well known like Othniel Elhanan and Abishai Coming to the conclusion that this race of super humans was a product of Satan's plan to corrupt man stop the coming of the Messiah and resist the Hebrews from possessing their promised land Blackstone began to see the principles and precepts needed to combat the giants of our day in our spiritual warfare against principalities against powers against the rulers of the darkness of this world against spiritual

Christianity and Comics Blair Davis, 2024-03-15 The Bible has inspired Western art and literature for centuries so it is no surprise that Christian iconography characters and stories have also appeared in many comic books Yet the sheer stylistic range of these comics is stunning They include books from Christian publishers as well as underground comix with religious themes and a vast array of DC Marvel and Dark Horse titles from Hellboy to Preacher Christianity and Comics presents an 80

year history of the various ways that the comics industry has drawn from biblical source material. It explores how some publishers specifically targeted Christian audiences with titles like Catholic Comics books featuring heroic versions of Oral Roberts and Billy Graham and special religious themed editions of Archie. But it also considers how popular mainstream comics like Daredevil, The Sandman, Ghost Rider and Batman are infused with Christian themes and imagery. Comics scholar Blair Davis pays special attention to how the medium's unique use of panels, word balloons, captions and serialized storytelling have provided vehicles for telling familiar biblical tales in new ways. Spanning the Golden Age of comics to the present day, this book charts how comics have both reflected and influenced Americans changing attitudes towards religion.

Making Sense of the Genesis Flood Kristina Howells, 2008-05-10. This book is written to make sense of the Genesis Flood in terms of both biblical and scientific accuracy. As well as the creation of both the earth and the universe, God has given us the Bible not only to guide our faith but to provide us with ways to interpret

the mysteries of the earth's origin and destiny Ancient Paths Corey Russell, 2012-11-06 There's always more. What's to be learned from walking a well-worn trail. Much. What's to be discovered by exploring a 2,000-year-old story. A lot. Ancient Paths. The Rediscovery of Delight in the Word of God is a prophetic call to return to the ancient paths of finding God through long and loving meditation. In this urgent hour, the Lord is calling a people to pull away from the busyness of our culture and learn to hear again through the word of God. Revolutionary chapter topics include: The crisis in the church with the Word. How to go beyond knowing the Scriptures to actually hearing them. Meditation and the Word. Breaking Strongholds. Messengers who eat the scroll. In this critical moment, God is drawing His people back to the source. His word. This alone will restore our souls, our lives, and our witness in the earth while awakening our ears to hear again. *Spiritual Attack* Rebecca Rose Orton, 2019-12-05 Cindy goes through a process of discovery that she is a witch with a need to protect herself spiritually from Satan's attacks on her psyche. In the spiritual realm, Shy Spy and the Holy Spirit help Cindy along with her learning journey. In the physical realm, Lady Ashley Le Bann and Jane Moon are witches and they teach her some stuff, including Reiki. Merlin's healing technique and sacred circles. Square 1 Demetris Prewitt, 2023-03-10 Countless academic studies, Christian leaders, and personal experience show a startling and disturbing fact about the church: most Christians do not understand their faith. Square 1 Bible Study for Christian Foundations explains clearly what the Bible teaches, why Christians believe it, and how to walk with Jesus. The book brings foundational biblical doctrine to life through plain language, thought-provoking images, and challenging application questions for group discussion. The purpose of the book is to provide a biblical foundation for the Christian faith, worldview, and lifestyle. So what makes it different? Everything starts with God's nature, character, and attributes. Its pages are visually stimulating with color imagery. The book does not begin assuming the reader has high biblical literacy or holds a Christian worldview and is therefore laced with Christian apologetics. Square 1 treats 21st-century topics like identity, human rights, and sexuality as foundational for believers to understand their faith. The book tackles end times and the new creation with unbelievable clarity. Square 1 is a masterful blend of theological, philosophical, pastoral, apologetical, and biblical material. At the end of this study, the reader should be able to walk out the Christian life in the power of the Holy Spirit in expectation of Christ's return to the praise and glory of the Father. They will also be capable of understanding, explaining, and defending the central claims of Christianity, which is the good news of Jesus Christ. Square 1 is systematic theology for anybody. Herein is Love, Vol. 1: Genesis Nancy Ganz, 2009-10-30 Herein is Love is a series of Bible commentaries for parents to read to their children. They provide what children need: most solid truths to grow in. In these books, Nancy Ganz draws out the beautiful implications of the Old Testament narrative that are foundational for Christian faith. The beginning books of the Bible are essential to our understanding of God's redemptive story. The Herein is Love series creatively focuses our attention on the events that bring this story to life, combining the richness of literature and the depth of a commentary. **DESTROYING THE YOKES** Carlton Foster, 2024-08-09 DESTROYING THE YOKES is the continuation
