**Satan** Lewis Sperry Chafer, 1942-01-01 In *Satan* Lewis Sperry Chafer unfolds Satan's origin, sin, purpose, method, and final destination. In the introduction, Chafer writes that this book is presented with the prayer that believers may have a clearer understanding of this important body of truth and be able to say with Paul, "We are not ignorant of his devices." Knowing how Satan operates and realizing the extent of his overwhelming power can help the Christian solely rely on being strong in the Lord for victory.

**Satan His Motives and Methods** Lewis Sperry, 2007-12 Lewis Chafer was an early 20th century writer. He was the first president of the Dallas Theological Seminary and a founding member of modern Christian Dispensationalism. In *Satan His Motives and Methods*, Chafer traces Satan from the snake in Genesis through his appearances throughout the Bible, ending with his appearance in Revelation. This book is an in-depth and complete survey on the topic of Satan.

*Satan* Lewis Chafer, 2008-10-02 We walk in the midst of his snares. We hear on every hand his doctrines proclaimed by men of blameless lives. We are allured by the pleasure and power of his organized world system. Now understand the dispensational aspects of the one who stands totally defeated. Satan.

**True Evangelism** Lewis Sperry Chafer, 1911 A classic that expounds biblical evangelism by explaining topics such as false forces in evangelism, salvation as the objective in evangelism, and conviction by the Spirit.

**Hijacked!** Clarence Washington Sr., 2025-05-01 ABOUT THE BOOK The first four volumes of *Hijacked: How Dr. King's Dream Became a Nightmare* explore the goals that must be achieved and the methods that must be used to fix what is wrong with America. However, these things have been hijacked by various forces, including some supernatural spiritual forces, and caused the once unthinkable devastating nightmare in America which we are now experiencing. These dark forces must be dealt with through an effective supernatural spiritual warfare prayer strategy.

Volume 5: *The Demonic* explores everything that we, the people, need to do to bring America back from the brink of total decline and destruction. And Volume 6 explores the great mercy extended to America on November 5, 2024, by the God-orchestrated landslide victory of Donald Trump instead of giving us what we deserved because of the wickedness of America, which was Kamala Harris. But instead, God looked past our faults and saw our needs. However, the church must initiate a nationwide revival to accompany the reformation promised by Donald Trump so that the reformation remains for more than just his presidency. Simply put, America is at the crossroads of revolution and civil war or reformation and revival. In other words, the crossroads of The End or The Last Chance. God orchestrated the reformation through the landslide victory of Donald Trump and a conservative majority US Senate and House. Now it's on the church to conduct a nationwide revival to accompany the reformation because both are needed to feed

on and maintain each other as comprehensively explored in volume 6 Now it s on the church to conduct a nationwide revival to accompany the reformation Satan Lewis Sperry Chafer,1973 **The Beasts, the Graves, and the Ghosts** Hann Tzuu Joey Tan,2020-05-31 At the heart of the gospel is the message of the incarnation God translating himself into the context of human culture and language so we might know him Far from coming to an end with Christ s life on earth this process of contextualization is ongoing reoccurring every time the gospel encounters the particularities of society and culture In this book Hann Tzuu Tan explores the significance of contextualized preaching within the Chinese context Against the backdrop of three major festivals the Spring Festival the Qing Ming Festival and the Hungry Ghost Festival Tan examines the practices of six experienced Chinese preachers in order to demonstrate the theological and practical importance of contextualized preaching As a result of his research Tan suggests six main principles for contextual preaching principles that are rooted within a Chinese context yet applicable to anyone seeking to express the gospel s relevance within a particular cultural setting Combining insights from biblical studies applied theology and ethnography this interdisciplinary study will enrich one s understanding of Chinese culture the gospel and the important and necessary work of contextualization
